16 shall take steps necessary to make available federal and other

18 money that may become available for the purposes for which
19 appropriations are made in this act, and to use any part or all of
20 the appropriations to meet matching requirements that are
21 considered to be in the best interest of this state. However, the
22 purpose, scope, and total estimated cost of a project shall not be
23 altered to meet the matching requirements. Any federal matching
24 revenues received to support the construction of the project shall
25 be applied to the total authorized project cost, with the state and
26 community college or university financing shares proportionately
27 adjusted.

13 (3) An expenditure under this act is authorized when the
14 release of the appropriation is approved by the board upon the

17 director is assured that the legal entity operating the community
18 college to which the appropriation is made has complied with this
19 act and has matched the amounts appropriated as required by this
20 act. A release of funds in part 1 shall not exceed 50% of the total
21 cost of planning and construction of any project, not including
22 lump-sum remodeling and additions and special maintenance, unless
23 otherwise appropriated by the legislature. Further planning and

2 which planning appropriations were made in previous acts.

3 (4) The community college shall take the steps necessary to
4 secure available federal construction and equipment money for
5 projects funded for construction in this act if an application was
6 not previously made. If there is a reasonable expectation that a
7 prior year unfunded application may receive federal money in a
8 subsequent year, the college shall take whatever action necessary
9 to keep the application active.

10 Sec. 874. If university and community college matching
11 revenues are received in an amount less than the appropriations for
12 capital projects contained in this act, the state funds shall be
13 reduced in proportion to the amount of matching revenue received.

14 Sec. 875. (1) The director may require that community colleges
15 and universities that have an authorized project listed in part 1
16 submit documentation regarding the project match and governing
17 board approval of the authorized project not more than 60 days
18 after the beginning of the fiscal year.

19 (2) If the documentation required by the director under
20 subsection (1) is not submitted, or does not adequately
21 authenticate the availability of the project match or board
22 approval of the authorized project, the authorization may
23 terminate. The authorization terminates 30 days after the director
24 notifies the JCOS of the intent to terminate the project unless the
25 JCOS convenes to extend the authorization.
