12 consider the value of the lifecycle carbon emissions in the
13 manufacturing of the solar equipment as part of the selection
14 process. Information requested through bidding processes and
15 standards for the independent measurement and verification of
16 lifecycle carbon emissions such as the global electronics council's

(2) The appropriations in part 1 are estimates of actual charges based on payroll appropriations. With the approval of the state budget director, the commission is authorized to adjust financing sources for civil service charges based on actual payroll

1 expenditures, provided that such adjustments do not increase the
2 total appropriation for the civil service commission.

3 (3) The financing from restricted sources shall be credited to
4 the civil service commission by the end of the second fiscal

22 included within the civil service commission. Deposits against
23 state-sponsored group insurance, flexible spending accounts, and
24 COBRA for the flexible spending account program shall be made from
25 assessments levied during the current fiscal year in a manner
26 prescribed by the civil service commission. Unspent employee
27 contributions to the flexible spending accounts may be used to

20 determining the eligible payment under section 952(1) of 2021 PA 87
21 for the combined single entity, the amount each of the merging
22 local units was eligible to receive under section 952(1) of 2021 PA
23 87 is summed.

24 (2) The funds appropriated in part 1 for the county incentive
25 program are to be used for grants to counties such that each county

2 appropriated for distribution to all eligible counties. Except as
3 otherwise provided under this subsection, payments under this
4 subsection will be distributed to an eligible county subject to the

14 the department that it has met the required criteria for subsection
15 (3) and submitted the required citizen's guide, performance
16 dashboard, debt service report, and projected budget report as

18 citizen's guide, dashboard, or reports is not required in order for

14 of a payment month, the city, village, township, or county shall
15 forfeit the payment in that payment month.

16 (f) Any city, village, township, or county that falsifies
17 certification documents shall forfeit any future city, village, and
18 township revenue sharing payments or county incentive program
19 payments and shall repay to this state all payments it has received
20 under this section.

21 (g) City, village, and township revenue sharing payments and

8 protecting local government retirement and benefits act, 2017 PA
9 202, MCL 38.2805, must allocate an amount equal to its current year
10 eligible payment under subsection (1) less the sum of its eligible
11 payment for city, village, and township revenue sharing in 2019 PA
12 56 to its pension unfunded liability. A city, village, or township
13 that has issued a municipal security under section 518 of the
14 revised municipal finance act, 2001 PA 34, MCL 141.2518, is exempt
15 from this requirement.

16 Sec. 955. (1) The funds appropriated in part 1 for county

24 prorated based on the total amount appropriated for distribution to
25 all eligible counties.

26 (2) The department of treasury shall annually certify to the
27 state budget director the amount each county is authorized to
28 expend from its revenue sharing reserve fund.

29 (3) Any county eligible to receive a payment under subsection

1 (1) and determined to have a retirement pension benefit system in
2 underfunded status under section 5 of the protecting local
3 government retirement and benefits act, 2017 PA 202, MCL 38.2805,
4 must allocate an amount equal to the sum of its current year
5 eligible payment for county revenue sharing and the county
6 incentive program less the sum of its 2019 PA 56 eligible payment
7 for county revenue sharing and the county incentive program to its
8 pension unfunded liability. A county that has issued a municipal
9 security under section 518 of the revised municipal finance act,
10 2001 PA 34, MCL 141.2518, is exempt from this requirement.

11 Sec. 956. (1) The funds appropriated in part 1 for financially
12 distressed cities, villages, or townships shall be granted by the
13 department of treasury to cities, villages, and townships that have
14 1 or more conditions that indicate probable financial distress, as

any city, village, or township under this section.

(2) The department of treasury shall provide a report to the senate and house of representatives appropriations subcommittees on general government, the senate and house fiscal agencies, and the state budget director by March 31. 4 incurred the costs of regulating and enforcing internet gaming

29 to 15.246.

1 (3) A county treasurer is authorized to receive and administer
2 funds received for and on behalf of a local revenue sharing board.
3 Funds appropriated in part 1 for local government programs may be

5 treasurer. This section does not limit the ability of local units
6 of government to enter into agreements with federally recognized
7 Indian tribes to provide financial assistance to local units of
8 government or to jointly provide public services.

9 (4) A local revenue sharing board described in subsection (1)
10 shall comply with all applicable provisions of any agreement
11 authorized by the Indian gaming regulatory act, Public Law 100-497,
12 in which the local revenue sharing board is referenced, including,
13 but not limited to, the disbursal of tribal casino payments

27 are less than the amounts appropriated from the fund, available
28 revenues shall be used to fully fund the appropriation in part 1
29 for casino gaming regulation activities before distributions are

1 made to other state departments and agencies. If the remaining
2 revenue in the fund is insufficient to fully fund appropriations to
3 other state departments or agencies, the shortfall shall be
4 distributed proportionally among those departments and agencies.

5 Sec. 976. The executive director of the Michigan gaming
6 control board may pay rewards of not more than \$5,000.00 to a
7 person who provides information that results in the arrest and

12 Sec. 977. All appropriations from the Michigan agriculture
13 equine industry development fund, except for the racing commission
14 appropriations, shall be reduced proportionately if revenues to the

22 government, the state budget director, and the senate and house
23 fiscal agencies. The Michigan gaming control board shall not be

25 race dates. If a certified horsemen's organization funds more than
26 the actual regulatory cost, the balance shall remain in the
27 agriculture equine industry development fund to be used to fund
28 subsequent race dates conducted by race meeting licensees with
29 which the certified horsemen's organization has contracts. If a

1 certified horsemen's organization funds less than the actual
2 regulatory costs of the additional horse racing dates, the Michigan
3 gaming control board shall reduce the number of future race dates
4 conducted by race meeting licensees with which the certified
5 horsemen's organization has contracts. Prior to the reduction in
6 the number of authorized race dates due to budget deficits, the
7 executive director of the Michigan gaming control board shall
8 provide notice to the certified horsemen's organizations with an
9 opportunity to respond with alternatives. In determining actual
10 costs, the Michigan gaming control board shall take into account
11 that each specific breed may require different regulatory
12 mechanisms.

13 Sec. 979. From the funds appropriated in part 1 for
14 millionaire party regulation, the Michigan gaming control board may
15 receive and expend state lottery fund revenue in an amount not to
16 exceed the amount appropriated in part 1 for necessary expenses
17 incurred in the licensing and regulation of millionaire parties
18 under article 2 of the Traxler-McCauley-Law-Bowman bingo act, 1972
19 PA 382, MCL 432.132 to 432.152. In accordance with section 8 of the
20 Traxler-McCauley-Law-Bowman bingo act, 1972 PA 382, MCL 432.108,
21 the amount of necessary expenses shall not exceed the amount of
22 revenue received under that act. The Michigan gaming control board
23 shall provide a report to the senate and house of representatives
24 appropriations subcommittees on general government, the senate and
25 house fiscal agencies, and the state budget director by March 1.
26 The report shall include, but not be limited to, total expenditures

STATE BUILDING AUTHORITY

Sec. 1100. (1) Subject to section 242 of the management and budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the state building authority, the department of treasury may expend from the general fund of the state during the fiscal year an amount to meet the cash flow requirements of those state building authority projects solely for lease to a state agency identified in both part 1 and this section, and for which state building authority bonds or notes have not been issued, and for the sole acquisition by the state building authority of equipment and furnishings for lease to a state agency as permitted by 1964 PA 183, MCL 830.411 to 830.425, for which the issuance of bonds or notes is authorized by a legislative appropriation act that is effective for the immediately preceding fiscal year. Any general fund advances for which state building authority bonds have not been issued shall bear an interest cost to the state building authority at a rate not to exceed that earned by the state treasurer's common cash fund during the period in which the advances are outstanding and are repaid to the general fund of the state.

(2) Upon sale of bonds or notes for the projects identified in part 1 or for equipment as authorized by a legislative appropriation act and in this section, the state building authority shall credit the general fund of the state an amount equal to that expended from the general fund plus interest, if any, as defined in this section.

1 (3) For state building authority projects for which bonds or
2 notes have been issued and upon the request of the state building
3 authority, the state treasurer shall make advances without interest
4 from the general fund as necessary to meet cash flow requirements
5 for the projects, which advances shall be reimbursed by the state
6 building authority when the investments earmarked for the financing
7 of the projects mature.

8 (4) In the event that a project identified in part 1 is
9 terminated after final design is complete, advances made on behalf
10 of the state building authority for the costs of final design shall
11 be repaid to the general fund in a manner recommended by the
12 director.

13 Sec. 1102. (1) State building authority funding to finance
14 construction or renovation of a facility that collects revenue in
15 excess of money required for the operation of that facility shall
16 not be released to a university or community college unless the
17 institution agrees to reimburse that excess revenue to the state
18 building authority. The excess revenue shall be credited to the
19 general fund to offset rent obligations associated with the
20 retirement of bonds issued for that facility. The auditor general
21 shall annually identify and present an audit of those facilities
22 that are subject to this section. Costs associated with the
23 administration of the audit shall be charged against money
24 recovered pursuant to this section.

25 (2) As used in this section, "revenue" includes state
26 appropriations, facility opening money, other state aid, indirect
27 cost reimbursement, and other revenue generated by the activities
28 of the facility.

29 Sec. 1103. The state building authority shall provide to the

JCOS, senate and house fiscal agencies, and state budget director a report relative to the status of construction projects associated with state building authority bonds as of September 30 of each year, on or before October 15, or not more than 30 days after a refinancing or restructuring bond issue is sold. The report shall include, but is not limited to, the following:

(a) A list of all completed construction projects for which state building authority bonds have been sold, and which bonds are currently active.

(b) A list of all projects under construction for which sale of state building authority bonds is pending.

(c) A list of all projects authorized for construction or identified in an appropriations act for which approval of schematic/preliminary plans or total authorized cost is pending that have state building authority bonds identified as a source of financing.
