13 expenditures and projected revenue. The department shall supplement  
14 the spending plan information by providing a list of all active  
15 contracts and grants in the department's contract system. For  
16 amounts listed in the other contracts category of each spending

12      through managed care or the fee-for-service program, the department  
13      shall require, for the nonfacility component of the reimbursement  
14      rate, at least the same reimbursement for that service, if that

16      involved face-to-face contact between the health care professional  
17      and the patient.

18      Sec. 240. To the extent possible, the department shall not  
19      expend appropriations under part 1 until all existing authorized

3 basis, effectiveness, and outcomes.

4 Sec. 244. On a monthly basis, the department shall submit, to  
5 the standard report recipients, a report on any line-item  
6 appropriation for which the department estimates total annual  
7 expenditures would exceed the funds appropriated for the line-item

2 amendment, or similar proposal.

3 (2) On a semiannual basis, the department shall submit, to the  
4 standard report recipients, a report that summarizes the status of

15 department is exercising its authority as provided by law.

16 Sec. 270. The department shall advise the legislature of the  
17 receipt of a notification from the attorney general's office of a  
18 legal action in which expenses had been recovered under section  
19 106(6) of the social welfare act, 1939 PA 280, MCL 400.106. If  
20 applicable, not later than February 1 of the current fiscal year,  
21 the department shall submit, to the standard report recipients, a  
22 report that includes, but is not limited to, all of the following:

23 (a) The total amount recovered from the legal action.

24 (b) The program or service for which the money was originally  
25 expended.

26 (c) Details on the disposition of the funds recovered, such as  
27 the appropriation or revenue account in which the money was  
28 deposited.

29 (d) A description of the facts involved in the legal action.

1       Sec. 274. On the day that is 1 week after the day that the  
2 governor submits the executive budget proposal for the ensuing  
3 fiscal year to the legislature, the department, in collaboration  
4 with the state budget office, shall submit, to the standard report  
5 recipients, a report on spending and revenue projections for each  
6 of the capped federal funds listed in this subsection. The report  
7 must contain actual spending and revenue in the previous fiscal  
8 year, spending and revenue projections for the current fiscal year  
9 as enacted, and spending and revenue projections in the executive  
10 budget proposal for the immediately ensuing fiscal year for each  
11 individual line item for the department budget. The report must  
12 also include federal funds transferred to other departments. The  
13 capped federal funds include, but are not limited to, all of the

21       Sec. 275. (1) On a quarterly basis, the department, with the  
22 approval of the state budget director, is authorized to realign  
23 sources between other federal, TANF, and capped federal financing  
24 authorizations to maximize federal revenues. The realignment of  
25 financing must not produce any of the following:

26       (a) A gross increase or decrease in the department's total  
27 individual line item authorizations.

28       (b) A net increase or decrease in total federal revenues.

29       (c) A net increase in TANF authorization.

1           (2) On a quarterly basis, the department shall submit, to the  
2 standard report recipients, a report on the realignment of federal  
3 fund sources transacted to date in the current fiscal year under  
4 subsection (1), including the dates, line items, and amounts of the  
5 transactions. If, at the time a quarterly report is due, a  
6 transaction was not made under subsection (1), a report is not  
7 required.

8           (3) Not later than 30 days after the date on which year-end  
9 book closing is completed, the department shall submit, to the  
10 standard report recipients, a report on the realignment of federal  
11 fund sources that took place as part of the year-end closing  
12 process for the previous fiscal year.

13           Sec. 290. Any public advertisement for public assistance must  
14 inform the public of the welfare fraud hotline operated by the

18 report on funds appropriated for the healthy moms, healthy babies  
19 initiative. The report must include the budgeted amount, year-to-  
20 date expenditures, remaining balance of appropriations, and the  
21 percent of budget spent for each appropriation related to the  
22 initiative. The report must also include information on how the  
23 funds have assisted with meeting the goals and outcomes of the  
24 initiative.

25           Sec. 296. From the funds appropriated in part 1, the  
26 department, to the extent permissible under section 8 of 1964 PA  
27 170, MCL 691.1408, is responsible for the necessary and reasonable  
28 attorney fees and costs incurred by private and independent legal  
29 counsel chosen by current and former classified and unclassified

1 department employees in the defense of the employees in any state  
2 or federal lawsuit or investigation related to the water system in  
3 a city or community in which a declaration of emergency was issued  
4 because of drinking water contamination.

5 Sec. 297. On a quarterly basis, the department shall report on  
6 the number of full-time equated positions in pay status by civil  
7 service classification, including a comparison by line item of the

9 appropriated in part 1 to the actual number of full-time equated  
10 positions employed by the department at the end of the reporting  
11 period. The report must be submitted to the senate and house of  
12 representatives appropriations committees and to the standard  
13 report recipients.

14  
15 **CHILD SUPPORT ENFORCEMENT**

16 Sec. 401. (1) The appropriations in part 1 assume a total  
17 federal child support incentive payment of \$26,500,000.00.

18 (2) From the federal money received for child support  
19 incentive payments, \$12,000,000.00 must be retained by this state  
20 and expended for child support program expenses.

21 (3) From the federal money received for child support  
22 incentive payments, \$14,500,000.00 must be paid to counties based  
23 on each county's performance level for each of the performance  
24 measures under 45 CFR 305.2.

25 (4) If the child support incentive payment to this state from  
26 the federal government is greater than \$26,500,000.00, then 100% of  
27 the amount in excess must be retained by this state and is  
28 appropriated until the total retained by this state reaches  
29 \$15,397,400.00.

1 (5) If the child support incentive payment to this state from  
2 the federal government is greater than the amount needed to satisfy  
3 subsections (1), (2), (3), and (4), the additional funds are  
4 subject to appropriation by the legislature.

5 (6) If the child support incentive payment to this state from  
6 the federal government is less than \$26,500,000.00, then the state  
7 share and the county share must each be reduced by 50% of the  
8 shortfall.

9 Sec. 409. (1) If statewide retained child support collections  
10 exceed \$38,300,000.00, 75% of the amount in excess of  
11 \$38,300,000.00 is appropriated to legal support contracts. The  
12 excess appropriation may be distributed to eligible counties to  
13 supplement, but not supplant, county title IV-D funding.

14 (2) Each county whose retained child support collections in  
15 the current fiscal year exceed its fiscal year 2004-2005 retained  
16 child support collections, excluding tax offset and financial  
17 institution data match collections in both the current fiscal year  
18 and fiscal year 2004-2005, shall receive its proportional share of  
19 the 75% excess appropriation.

20 Sec. 410. (1) If title IV-D-related child support collections  
21 are escheated, the state budget director is authorized to adjust  
22 the sources of financing for the funds appropriated in part 1 for  
23 legal support contracts to reduce federal authorization by 66% of  
24 the escheated amount and increase general fund/general purpose  
25 authorization by the same amount. The adjustment is required to  
26 offset the loss of federal revenue due to the escheated amount  
27 being counted as title IV-D program income in accordance with 45  
28 CFR 304.50.

29 (2) Not later than 30 days after an adjustment under

subsection (1), the department shall notify the standard report recipients of the adjustment.

**COMMUNITY SERVICES AND OUTREACH**

Sec. 450. (1) From the funds appropriated in part 1 for school success partnership program, not later than December 1 of the current fiscal year, the department shall allocate \$1,525,000.00 of TANF revenue to support Northeast Michigan Community Service Agency programming. The department shall require the Northeast Michigan Community Service Agency to measure and report the following performance objectives for the duration of the state funding for the school success partnership program:

(a) Increasing school attendance and decreasing chronic absenteeism.

(b) Increasing grade-based academic performance, with emphasis on math and reading.

(c) Identifying barriers to attendance and success and connecting families with resources to reduce the barriers.

(d) Increasing parent involvement.

(2) Not later than July 15 of the current fiscal year, the Northeast Michigan Community Service Agency shall submit a report to the department on the number of children and families served and the services that were provided to families to meet the performance objectives identified in this section. Not later than 1 week after the department receives the report, the department shall distribute the report to the standard report recipients.

Sec. 453. (1) From the funds appropriated in part 1 for homeless programs, the department shall allocate funds to the emergency shelter program to support efforts of shelter providers

1 to move homeless individuals and households into permanent housing  
2 as quickly as possible. The funds must be equal to or exceed the  
3 amount that a provider would receive if the provider is paid a  
4 \$19.00 per diem rate. Expected outcomes are increased shelter  
5 discharges to stable housing destinations, decreased recidivism  
6 rates for shelter clients, and a reduction in the average length of  
7 stay in emergency shelters.

8 (2) Not later than March 1 of the current fiscal year, the  
9 department shall submit, to the standard report recipients, a  
10 report on the total amount expended for the emergency shelter  
11 program in the prior 2 fiscal years, the total number of shelter  
12 nights provided, and the average length of stay in an emergency  
13 shelter.

14 Sec. 454. The department shall allocate the full amount of  
15 funds appropriated in part 1 for homeless programs to provide  
16 services for homeless individuals and families, including, but not  
17 limited to, third-party contracts for emergency shelter services.

18 Sec. 455. As a condition of receipt of federal TANF revenue,  
19 after admitting a family to a homeless shelter, the homeless  
20 shelter and human services agencies shall collaborate with the  
21 department to obtain necessary TANF eligibility information on the  
22 family as soon as possible. From the funds appropriated in part 1  
23 for homeless programs, the department is authorized to make  
24 allocations of TANF revenue only to the homeless shelters and human  
25 services agencies that report necessary data to the department to  
26 meet TANF eligibility reporting requirements. Homeless shelters or  
27 human services agencies that do not report necessary data to the  
28 department to meet TANF eligibility reporting requirements shall  
29 not receive reimbursements that exceed the per diem amount the

1 homeless shelters or human service agencies received in fiscal year  
2 2000. The use of TANF revenue under this section is not an ongoing  
3 commitment of funding.

4 Sec. 456. From the funds appropriated in part 1 for homeless  
5 programs, the department shall allocate \$10,000.00 to reimburse  
6 public service agencies that provide documentation of paying birth  
7 certificate fees on behalf of category 1 homeless clients at county  
8 clerk's offices. Each public service agency must be reimbursed for  
9 the cost of the birth certificate fees quarterly until the  
10 allocation is fully spent.

11 Sec. 457. From the funds appropriated in part 1 for homeless  
12 programs, the department shall allocate \$3,500,000.00 to provide  
13 housing supports for families involved with child welfare.

14 Sec. 460. From the funds appropriated in part 1 for kids' food  
15 basket, the department shall allocate \$1,025,000.00 to fund a  
16 project with a nonprofit, community-based organization organized  
17 under the laws of this state that is exempt from federal income tax  
18 under section 501(c)(3) of the internal revenue code of 1986, 26  
19 USC 501, and is located in a city with a population between 185,000  
20 and 200,000 and in a county with a population between 600,000 and  
21 700,000, according to the most recent federal decennial census. The  
22 nonprofit organization recipient must have an existing network of  
23 food delivery to low-income children in not less than 3 counties in  
24 this state. The nonprofit organization shall use the funds to  
25 expand its services to additional schools and communities. The  
26 funding may be used to cover employee costs, food and supplies,  
27 equipment, and other operational costs identified by the  
28 organization to support its mission and goals.

29 Sec. 463. From the funds appropriated in part 1 for runaway

1 and homeless youth grants and domestic violence prevention and  
2 treatment, the department is authorized to make allocations of TANF  
3 revenue only to agencies that report necessary data to the  
4 department to meet TANF eligibility reporting requirements.

5 Sec. 464. (1) From the funds appropriated in part 1 for diaper  
6 assistance grant, \$4,404,400.00 must be allocated as grants to  
7 diaper assistance programs, maternity homes, and other nonprofit  
8 agencies that distribute diapers free of charge and were  
9 established as of January 1, 2020. The funds must be used only to  
10 purchase diapering supplies and to cover related administrative  
11 costs. Not more than 15% of the funds appropriated in part 1 are  
12 expendable for administrative purposes.

13 (2) Not later than March 1 of the current fiscal year, the  
14 department shall submit, to the standard report recipients, a  
15 report on the distribution of diaper assistance grant funds that  
16 includes, but is not limited to, the names and locations of grant  
17 recipients and the total amount of grant funding distributed to  
18 each recipient.

19 Sec. 465. (1) From the funds appropriated in part 1 for  
20 community services and outreach administration, \$3,950,000.00 must  
21 be distributed as provided in subsection (2). The amount  
22 distributed as provided in subsection (2) must not exceed 50% of  
23 the total operating expenses of Michigan 2-1-1, which is described  
24 in subsection (2), with the remaining 50% paid by local United Way  
25 organizations and other nonprofit organizations and foundations.

26 (2) Funds distributed under subsection (1) must be distributed  
27 to Michigan 2-1-1, a nonprofit corporation organized under the laws  
28 of this state that is exempt from federal income tax under section  
29 501(c) (3) of the internal revenue code of 1986, 26 USC 501, and

1 whose mission is to coordinate and support a statewide 2-1-1  
2 system. Michigan 2-1-1 shall use the funds only to fulfill the  
3 Michigan 2-1-1 business plan adopted by Michigan 2-1-1 in January  
4 2005.

5 (3) Michigan 2-1-1 shall refer any received calls that report  
6 fraud, waste, or abuse of state-administered public assistance to  
7 the department.

8 (4) Michigan 2-1-1 shall submit, to the department, the senate  
9 and house of representatives standing committees with primary  
10 jurisdiction over matters relating to human services and  
11 telecommunications on 2-1-1 system performance, and the standard  
12 report recipients, a report that includes, but is not limited to,  
13 call volume by health and human service needs and unmet needs  
14 identified through caller data and number and the percentage of  
15 callers referred to public or private provider types.

16 Sec. 466. (1) From the funds appropriated in part 1 for  
17 runaway and homeless youth grants, the department shall allocate  
18 \$5,342,100.00 that consists of \$1,146,900.00 in general  
19 fund/general purpose revenue and \$4,195,200.00 of TANF revenue to  
20 support the expansion of runaway and homeless youth capacity. The  
21 funding must be allocated as follows:

22 (a) \$3,205,300.00 to cover the 18 counties that are presently  
23 unserved by any runaway and homeless youth program and to expand  
24 the capacity for counties that are underserved.

25 (b) \$1,068,400.00 across 19 providers statewide to provide  
26 infrastructure support for expanded staff, supervision, and  
27 training to continue to meet the complex mental health needs of the  
28 population served.

29 (c) \$1,068,400.00 across 19 providers statewide to support

1 upgrading technology and facilities to maintain safety in  
2 environments where youth are sheltered.

3 (2) Not later than March 1 of the current fiscal year, the  
4 department shall submit to the standard report recipients a report  
5 on the runaway homeless youth program, including, but not limited  
6 to, all of the following:

7 (a) A list of counties served and the amount of funding  
8 allocated to each county.

9 (b) The amount of funding being allocated to previously  
10 underserved communities and how capacity has been expanded or is  
11 planned to be expanded in those communities.

12 (c) Identified barriers that have hindered providers from  
13 expanding capacity.  
14

15 **CHILDREN'S SERVICES AGENCY - CHILD WELFARE**

16 Sec. 501. (1) A goal is established that not more than 25% of  
17 all children in foster care at any given time during the current  
18 fiscal year, unless contrary to the best interest of the child,  
19 will have been in foster care for 24 months or more.

20 (2) Not later than March 1 of the current fiscal year, the  
21 department shall submit, to the standard report recipients, a  
22 report describing the steps that will be taken to achieve the goal  
23 under subsection (1). The report must also include the following:

24 (a) An explanation of the most significant barriers that  
25 prevent long-term foster children from permanent placements.

26 (b) The number of children currently in foster care that  
27 qualify for specialty behavioral health supports and services  
28 through the CMHSPs and the percentage of those children that remain  
29 in foster care for longer than 24 months.

1       Sec. 502. From the funds appropriated in part 1 for foster  
2       care, the department shall reimburse Indian tribal governments for  
3       50% of the foster care expenditures for children who are under the  
4       jurisdiction of Indian tribal courts and are not otherwise eligible  
5       for federal foster care cost sharing. However, the department may  
6       reimburse up to 100% of the foster care expenditures for an Indian  
7       tribal government that enters into a state-tribal title IV-E  
8       agreement allowed under this state's title IV-E state plan.

9       Sec. 503. (1) In accordance with the final report of the  
10      Michigan child welfare performance-based funding task force issued  
11      in response to section 503 of article X of 2013 PA 59, the  
12      department shall review, update, or develop actuarially sound case  
13      rates for necessary child welfare foster care case management  
14      services that achieve permanency by the department and private  
15      child placing agencies in a prospective payment system under a  
16      performance-based funding model.

17      (2) The department, in conjunction with members from both the  
18      senate and house of representatives, private child placing  
19      agencies, the courts, and counties, shall continue to implement the  
20      recommendations that are described in the workgroup report that was  
21      provided in section 503 of article X of 2013 PA 59 to establish a  
22      performance-based funding model pilot program for public and  
23      private child welfare service providers. Not later than July 1 of  
24      the current fiscal year, the department shall submit a report on  
25      the status of the performance-based funding model to the standard  
26      report recipients and the senate and house of representatives  
27      standing committees that cover subject matters dealing with  
28      families and human services.

29      Sec. 504. (1) From the funds appropriated in part 1, the

1 department shall implement a 3-year master agreement, with an  
2 option for 2 additional years, with the West Michigan Partnership  
3 for Children Consortium to maintain a performance-based child  
4 welfare contracting program. The Consortium must consist of a  
5 network of affiliated child welfare service providers that will  
6 accept and comprehensively assess referred youth, assign cases to  
7 its members or leverage services from other entities, and make  
8 appropriate case management decisions during the duration of a  
9 case.

10 (2) As a condition for receiving the funding in part 1, the  
11 West Michigan Partnership of Children Consortium shall maintain a  
12 contract agreement with the department that supports a global  
13 capitated payment model. The capitated payment amount must be based  
14 on historical averages of both the number of children served in  
15 Kent County and the costs per foster care case. The West Michigan  
16 Partnership for Children Consortium shall manage the cost of the  
17 child population it serves. The administrative portion of the  
18 contracted agreement must reflect the cumulative annual percentage  
19 change in the Detroit Consumer Price Index from the previous year.  
20 The capitated payment amount must be reviewed and adjusted not less  
21 than 2 times during the current fiscal year or for 1 or more of the  
22 following:

23 (a) Changes implemented by the department that result in a  
24 volume of placements that differ in a statistically significant  
25 manner from the amount allocated in the annual contract between the  
26 department and the West Michigan Partnership for Children  
27 Consortium, as determined by an independent actuary.

28 (b) Changes in case volumes and any statewide rate increases  
29 that are implemented.

1 (3) The contract agreement under this section must require the  
2 following stipulations and conditions:

3 (a) That the service component of the capitated payment will  
4 be calculated under the assumption that rates paid to providers  
5 under the program are generally consistent with the department's  
6 payment policies for providers throughout the rest of this state.

7 (b) That the West Michigan Partnership for Children Consortium  
8 maintain a risk reserve of not less than \$1,500,000.00 to ensure it  
9 can meet unanticipated expenses within a given fiscal year.

10 (c) That the West Michigan Partnership for Children Consortium  
11 cooperate with the department on an independent fiscal analysis of  
12 costs incurred and revenues received.

13 (4) Not later than March 1 of the current fiscal year, the  
14 Consortium shall submit, to the standard report recipients, a  
15 report on the Consortium, including, but not limited to, its actual  
16 expenditures, the number of children placed by agencies in the  
17 Consortium, the fund balance of the Consortium, and the outcomes  
18 measured.

19 Sec. 505. Not later than March 1 of the current fiscal year,  
20 the department shall submit, to the standard report recipients, a  
21 report on youth referred or committed to the department for care or  
22 supervision in the previous fiscal year that outlines the number of  
23 youth served by the department in the juvenile justice system by  
24 the type of setting for each youth.

25 Sec. 506. From the funds appropriated in part 1 for attorney  
26 general contract, not later than March 1 of the current fiscal  
27 year, the department shall submit, to the standard report  
28 recipients, a report on the juvenile justice system in any county  
29 in which funds appropriated in part 1 are expended. The report must

1 include, but not be limited to, all of the following:

2 (a) The number of youth referred or committed to the  
3 department for care or supervision in the previous fiscal year and  
4 in the first quarter of the current fiscal year.

5 (b) The number of youth referred or committed to the care or  
6 supervision of the county in which funds appropriated in part 1  
7 were expended for the previous fiscal year and the first quarter of  
8 the current fiscal year.

9 (c) The type of setting for each youth referred or committed  
10 for care or supervision, any applicable performance outcomes, and  
11 identified financial costs or savings.

12 (d) The required and actual staff-to-youth ratios.

13 Sec. 507. The department's ability to satisfy appropriation  
14 deductions in part 1 for foster care private collections is not  
15 limited to collections and accruals pertaining to services provided  
16 only in the current fiscal year and may include revenues collected  
17 during the current fiscal year for services provided in prior  
18 fiscal years.

19 Sec. 508. (1) In addition to the amount appropriated in part 1  
20 for children's trust fund grants, money granted or money received  
21 as gifts or donations to the children's trust fund created in 1982  
22 PA 249, MCL 21.171 to 21.172, is appropriated for expenditure.

23 (2) For the funds described in subsection (1), the department  
24 shall ensure that administrative delays are avoided and local grant  
25 recipients and direct service providers receive money in an  
26 expeditious manner. The department and the state board as that term  
27 is defined in section 2 of the child abuse and neglect prevention  
28 act, 1982 PA 250, MCL 722.601, shall make the children's trust fund  
29 contract funds available to grantees not later than 31 days after

1 the start date of the funded project.

2 Sec. 509. From the funds appropriated in part 1 for adoption  
3 support services, the department shall maintain the increase of  
4 contracted rates paid to private child placing agencies, including  
5 the \$23.00 per diem for all foster youth from the date of the case  
6 acceptance to the date of adoption petition acceptance or 150 days,  
7 whichever occurs sooner, for licensed child placing agencies  
8 contracted with the department to provide adoption services for  
9 foster youth. The per diem rate must be separate from the outcome-  
10 based reimbursement system and must not be deducted from the total  
11 reimbursement an agency receives for the applicable placement or  
12 finalization rate of an adoption.

13 Sec. 510. (1) From the funds appropriated in part 1 for child  
14 care fund and foster care payments, the department shall contract  
15 with licensed private foster care residential facilities to provide  
16 600 residential beds for foster youth, a 9% increase to the current  
17 rates provided to each provider of residential services for  
18 occupied beds, and an unoccupied bed rate that is not less than 90%  
19 of the licensed private foster care residential facility's occupied  
20 rate.

21 (2) The funds appropriated in this section must be used by a

3 (e) Developing methods to promote and improve collaboration  
4 between state, county, and local governments and agencies and  
5 private stakeholders for all of the following reasons:

6 (i) To obtain a broad understanding of the characteristics and  
7 prevalence of kinship caregiving.

8 (ii) To improve service delivery.

9 (iii) To include the methods in the council's recommendations.

10 Sec. 578. (1) From the funds appropriated in part 1 for foster  
11 care payments, the department shall allocate up to \$1,744,100.00 in  
12 Title IV-E passthrough funds for educational pilot programs to  
13 strengthen this state's child welfare workforce. The department  
14 shall enter into contractual arrangements with state universities  
15 to provide bachelor of social work and master of social work  
16 educational training, including field placements and stipends for  
17 tuition and educational expenses. In exchange, students completing  
18 eligible educational programs are contractually obligated to work  
19 for Michigan child welfare agencies for a minimum of 1 year. The  
20 matching funds for the Title IV-E funds must be provided by the  
21 participating state universities from the expenses incurred for  
22 training child welfare students who participate in the program.

23 (2) Not later than March 1 of the current fiscal year, the  
24 department shall submit, to the standard report recipients, a  
25 report on the status of pilot programs under subsection (1) that  
26 includes, but is not limited to, the total number of applicants,

3 care payments, the department shall allocate \$50,000.00 for  
4 caseworkers to provide immediate assistance with urgent needs,  
5 including, but not limited to, food, clothing, and other basic  
6 necessities, for children, including children who are victims of  
7 human trafficking, on the children's removal from the children's  
8 homes or other dangerous environments. The department shall track  
9 the distribution of the funds and, not later than June 1 of the  
10 current fiscal year, submit, to the standard report recipients, a  
11 report on the amount of funds distributed and the number of  
12 children impacted.

13 Sec. 583. Not later than March 1 of the current fiscal year,  
14 the department shall submit, to the standard report recipients and  
15 the senate and house of representatives standing committees that  
16 cover subject matters dealing with families and human services, a  
17 report that includes both of the following:

18 (a) The number and percentage of foster parents that dropped

3 shall transmit, without revision, all reports from the court-  
4 appointed settlement monitor, including, but not limited to, the  
5 needs assessment and period outcome reporting, to the standard  
6 report recipients.

7 (2) Not later than October 1 of the current fiscal year, the  
8 department shall submit, to the standard report recipients, a  
9 detailed plan that addresses the status and progress toward exiting  
10 the settlement by September 30 of the current fiscal year. The  
11 report must include an update on the department's child welfare  
12 initiative.

13 Sec. 589. (1) From the funds appropriated in part 1 for child  
14 care fund, the department shall pay 100% of the administrative rate  
15 for all new cases referred to providers of foster care services.

16 (2) On a quarterly basis, the department shall submit a  
17 report, to the standard report recipients, on the monthly number of  
18 all foster care cases administered by the department and all foster

13 Sec. 593. The department shall conduct an annual review in  
14 each county to determine if the county has adopted and implemented  
15 standard child abuse and child neglect investigation and interview  
16 protocols under section 8(6) of the child protection law, 1975 PA  
17 238, MCL 722.628.

18 Sec. 594. From the funds appropriated in part 1 for foster  
19 care payments, the department shall support regional resource teams  
20 to provide for the recruitment, retention, and training of foster  
21 and adoptive parents and shall expand the Michigan youth  
22 opportunities initiative to all counties of this state. The purpose

24 prospective foster parents, increase the number of nonrelative  
25 foster homes that achieve licensure each year, increase the annual  
26 retention rate of nonrelative foster homes, reduce the number of

6 charge. The activity to investigate and resolve a disputed  
7 reimbursement charge may include, but is not limited to, the use of  
8 a formal appeals process under applicable law and the department  
9 chargeback policy. Not later than 45 business days after a properly  
10 corrected submission by the county, the department shall reimburse  
11 the county for the corrected charge or charges.  
12

### 13 **PUBLIC ASSISTANCE**

14 Sec. 601. After a client agrees to the release of the client's  
15 name and address to the local housing authority, the department  
16 shall request from the local housing authority information  
17 regarding whether the housing unit for which vendoring has been  
18 requested meets applicable local housing codes. Vendoring must be  
19 terminated if the local housing authority indicates in writing that  
20 the unit does not meet local housing codes and until the local  
21 housing authority indicates in writing that the local housing codes  
22 have been met.

23 Sec. 602. The department shall conduct a full evaluation of an  
24 individual's assistance needs if the individual has applied for  
25 disability more than 1 time in a 1-year period.

26 Sec. 603. For any change in the income of a recipient of the  
27 food assistance program, the family independence program, or state  
28 disability assistance that results in a benefit decrease, the  
29 department shall notify the recipient of the amount of the decrease

1 not later than 15 work days before the first day of the month in  
2 which the decrease takes effect.

3 Sec. 604. (1) From the funds appropriated in part 1 for state  
4 disability assistance payments, the department shall operate a  
5 state disability assistance program. Except as provided in  
6 subsection (3), to be eligible for the program, an individual must  
7 be a needy citizen of the United States or alien exempted from the  
8 SSI citizenship requirement who is not less than 18 years of age,  
9 or an emancipated minor, and meets 1 or more of the following  
10 requirements:

11 (a) Is a recipient of SSI, Social Security, or medical  
12 assistance due to disability or being 65 years of age or older.

13 (b) Is an individual with a physical or mental impairment that  
14 meets federal SSI disability standards, except that the minimum  
15 duration of the disability must be 90 days. Substance use disorder  
16 alone is not a basis for eligibility.

17 (c) Is a resident of an adult foster care facility, a home for  
18 the aged, a county infirmary, or a substance use disorder treatment  
19 center.

20 (d) Is an individual receiving 30-day postresidential  
21 substance use disorder treatment.

22 (e) Is an individual diagnosed as having AIDS.

23 (f) Is an individual receiving special education services  
24 through a local intermediate school district.

25 (g) Is a caretaker of a disabled individual who meets the  
26 requirements specified in subdivision (a), (b), (e), or (f).

27 (2) An applicant for or recipient of state disability  
28 assistance is considered needy if the applicant or recipient does  
29 both of the following:

1 (a) Meets the same asset test as is applied for the family  
2 independence program.

3 (b) Has a monthly budgetable income that is less than the  
4 payment standards.

5 (3) Except for an individual described in subsection (1)(c) or  
6 (d), an individual is not disabled under this section if the  
7 individual's drug addiction or alcoholism is a contributing factor  
8 material to the determination of disability.

9 (4) As used in this section:

10 (a) "Material to the determination of disability" means that,  
11 if the individual stopped using drugs or alcohol, the individual's  
12 remaining physical or mental limitations would not be disabling. If  
13 the individual's remaining physical or mental limitations would be  
14 disabling, then the drug addiction or alcoholism is not material to  
15 the determination of disability and the individual may receive  
16 state disability assistance, but the individual must actively  
17 participate in a substance abuse treatment program, and the  
18 assistance must be paid to a third party or through vendor  
19 payments.

20 (b) "Substance abuse treatment" includes receipt of inpatient  
21 or outpatient services or participation in Alcoholics Anonymous or  
22 a similar program.

23 Sec. 605. The level of reimbursement provided to state  
24 disability assistance recipients in licensed adult foster care  
25 facilities must be the same as the prevailing SSI rate under the  
26 personal care category.

27 Sec. 606. County department offices shall require each  
28 recipient of family independence program and state disability  
29 assistance who has applied with the Social Security Administration

1 for SSI to sign a contract to repay any assistance rendered through  
2 the family independence program or state disability assistance  
3 program on receipt of retroactive SSI benefits.

4 Sec. 607. (1) The department's ability to satisfy  
5 appropriation deductions in part 1 for state disability  
6 assistance/supplemental security income recoveries and public  
7 assistance recoupment revenues is not limited to recoveries and  
8 accruals pertaining to state disability assistance, or family  
9 independence assistance program provided only in the current fiscal  
10 year and may include revenues collected during the current year  
11 that are prior-year-related and not a part of the department's  
12 accrued entries.

13 (2) The department may use SSI recoveries to satisfy the  
14 deduct in any line in which the revenues are appropriated,  
15 regardless of the source from which the revenue is recovered.

16 Sec. 608. An adult foster care facility that provides  
17 domiciliary care or personal care to a resident receiving SSI or a  
18 home for the aged serving a resident receiving SSI shall not  
19 require a resident described in this section to reimburse the home  
20 for the aged or adult foster care facility for care at a rate in  
21 excess of a rate that is authorized by the legislature. To the  
22 extent permitted by federal law, an adult foster care facility and  
23 home for the aged that serves a resident receiving SSI is not  
24 prohibited from accepting a third-party payment in addition to SSI  
25 if the payment is not for food, clothing, or shelter, or would  
26 result in a reduction in the resident's SSI payment.

27 Sec. 609. The department shall not reduce the state  
28 supplementation level under the SSI program for the personal  
29 care/adult foster care and home for the aged categories during the

1 current fiscal year. Not later than 30 days before a proposed  
2 reduction in the state supplementation level, the department shall  
3 notify the legislature of the proposed reduction.

4 Sec. 610. (1) In developing good-cause criteria for the state  
5 emergency relief program, the department shall grant an exemption  
6 from the good-cause criteria if an emergency results from an  
7 unexpected expense related to maintaining or securing employment.

8 (2) In determining housing affordability eligibility for state  
9 emergency relief, a group is considered to have sufficient income  
10 to meet ongoing housing expenses if the group's total housing  
11 obligation does not exceed 75% of the group's total net income.

12 (3) The department shall not make a state emergency relief  
13 payment to an individual who has been found guilty of fraud in  
14 obtaining public assistance.

15 (4) The department shall not make a state emergency relief  
16 payment to an individual who is an out-of-state or nonlegal  
17 resident.

18 (5) The department shall distribute a state emergency relief  
19 payment for rent assistance directly to a landlord and shall not  
20 add the payment to a Michigan bridge card.

21 Sec. 611. The state supplementation level under the SSI  
22 program for the living independently category or living in the  
23 household of another category must not exceed the minimum state  
24 supplementation level as required under federal law.

25 Sec. 613. (1) The department shall provide a reimbursement for  
26 the final disposition of an indigent individual. A reimbursement  
27 under this section must comply with all of the following:

28 (a) The maximum allowable reimbursement for the final  
29 disposition is \$941.00.

1 (b) The adult burial with services allowance is \$857.00.

2 (c) The adult burial without services allowance is \$594.00.

3 (d) The infant burial allowance is \$235.00.

4 (2) The department shall reimburse up to \$84.00 for a  
5 cremation permit fee and for mileage at the standard rate for an  
6 eligible cremation. A reimbursement under this subsection must take  
7 into consideration whether an indigent individual's religious  
8 preference prohibits cremation.

9 (3) By January 31 of the current fiscal year, the department  
10 shall submit a report to the standard report recipients on burial  
11 service payments issued from the state emergency relief program  
12 during the previous fiscal year. The report must include the number  
13 of applicants denied and the number of payments by the following  
14 burial service categories:

15 (a) Fetus or infant less than 1 month of age.

16 (b) Burial with memorial service.

17 (c) Burial without memorial service.

18 (d) Cremation with memorial service.

19 (e) Cremation without memorial service.

20 (f) Transportation of a donated or unclaimed body being  
21 cremated.

22 (g) Cremation permit fee for an unclaimed body.

23 (h) Disposition of an unclaimed body.

24 (i) Payment if an irrevocable funeral agreement exists.

25 (j) An unclaimed body received by a university.

26 Sec. 614. By January 15 of the current fiscal year, the  
27 department shall submit a report to the standard report recipients  
28 on the number and percentage of state disability assistance  
29 recipients who were determined to be eligible for federal SSI

1 benefits in the previous fiscal year.

2 Sec. 615. Except as required by federal law, the department  
3 shall not use funds appropriated in part 1 to provide public  
4 assistance to an individual who is not a United States citizen,  
5 permanent resident alien, or refugee. This section does not  
6 prohibit the department from entering into a contract with a food  
7 bank, emergency shelter provider, or another human service agency  
8 that may, as a normal part of doing business, provide food or  
9 emergency shelter.

10 Sec. 616. The department shall require a retailer that  
11 participates in the electronic benefits transfer program to charge  
12 no more than a \$2.50 fee for cash back as a condition of  
13 participation.

14 Sec. 619. The department shall not deny a title IV-A  
15 assistance and food assistance benefit under 21 USC 862a to an  
16 individual who has been convicted of a felony for the possession,  
17 use, or distribution of a controlled substance, if both of the  
18 following are met:

19 (a) The act that resulted in the conviction occurred after  
20 August 22, 1996.

21 (b) The individual is not in violation of the individual's  
22 probation or parole requirements.

23 Sec. 620. (1) The department shall determine a Medicaid  
24 applicant's Medicaid eligibility not later than 90 days after the  
25 Medicaid applicant completes a Medicaid application if the Medicaid  
26 applicant's disability is an eligibility factor. For other Medicaid  
27 applicants, including an applicant who is a patient of a nursing  
28 home, the department shall determine the applicant's Medicaid  
29 eligibility within 45 days after receiving the Medicaid applicant's

1 application.

2 (2) On a quarterly basis, the department shall submit a report  
3 to the standard report recipients on the number of recipients who  
4 were ineligible for Medicaid after Medicaid eligibility  
5 redeterminations resumed after federal continuous enrollment  
6 requirements ended. The report must include, in a monthly data  
7 format, the number of recipients who had their eligibility examined  
8 directly, through an ex parte eligibility process or through a  
9 passive eligibility process. The report must also include a copy of  
10 each baseline and monthly report that the department provides to  
11 CMS for unwinding data reporting and the number of recipients who  
12 did not respond to the department through eligibility outreach or  
13 data requests.

14 Sec. 645. The department shall consider an individual or  
15 family to be homeless for purposes of eligibility for state  
16 emergency relief, if the individual or family is living temporarily  
17 with another in order to escape domestic violence. The department  
18 shall define and verify domestic violence in the same manner as the  
19 department defines and verifies that term in the department's  
20 policies on good cause for not cooperating with child support and  
21 paternity requirements.

22 Sec. 653. From the funds appropriated in part 1 for food  
23 assistance program benefits, an individual who is the victim of  
24 domestic violence or human trafficking and who does not qualify for  
25 any other exemption may be exempt from the 3-month in 36-month  
26 limit on receiving food assistance under 7 USC 2015. The department  
27 may extend the exemption for an additional 3 months if an  
28 individual described in this section demonstrates to the department  
29 a continuing need.

1       Sec. 654. The department shall notify a recipient of food  
2 assistance program benefits that the recipient's benefits can be  
3 spent with the recipient's Michigan bridge card at many farmers  
4 markets in this state. The department shall also provide a  
5 recipient with information about the double up food bucks program  
6 that is administered by the Fair Food Network. The information  
7 about the double up food bucks program must include, but is not  
8 limited to, information that if the recipient spends \$20.00 at a  
9 participating farmers market through the program, the recipient may  
10 receive an additional \$20.00 to buy Michigan produce.

11       Sec. 655. Not later than 14 days after the spending plan for  
12 low-income home energy assistance program is approved by the state  
13 budget office, the department shall provide the spending plan,  
14 including itemized projected expenditures and itemized expenditures  
15 for the previous fiscal year, to the standard report recipients.

17 Council of Michigan, the department shall allocate \$12,045,000.00  
18 for procuring and distributing the Michigan agricultural surplus  
19 system to distribute surplus produce to low-income residents of  
20 this state.

21       Sec. 669. From the funds appropriated in part 1 for family  
22 independence program - clothing allowance, the department shall  
23 allocate \$10,000,000.00 for the annual clothing allowance. The  
24 department shall grant the allowance to eligible children in a  
25 family independence program group.

26       Sec. 672. (1) By February 15 of the current fiscal year, the  
27 department's office of inspector general shall submit a report to  
28 the standard report recipients on the department's efforts to  
29 reduce the inappropriate use of Michigan bridge cards and food

1 assistance program trafficking. The department shall provide  
2 information on the number of recipients of services who used their  
3 Michigan bridge card inappropriately and the current status of each  
4 case, the number of recipients whose benefits were permanently and  
5 temporarily revoked as a result of inappropriately using their  
6 Michigan bridge cards, and the number of retailers that were fined  
7 or removed from the electronic benefit transfer program for  
8 permitting the inappropriate use of Michigan bridge cards. The  
9 report must also include the number of Michigan bridge card  
10 trafficking instances and overall welfare fraud referrals, that  
11 includes, but is not limited to, information on the number of  
12 investigations completed, fraud and intentional program violation  
13 dollar amounts identified, the number of referrals to prosecutors,  
14 the number of administrative hearing referrals and waivers, and the  
15 number of program disqualifications imposed. The report must  
16 distinguish between savings and cost avoidance. As used in this  
17 subsection:

18 (a) "Savings" includes receivables established from instances  
19 of fraud committed.

20 (b) "Cost avoidance" includes expenditures avoided due to  
21 front-end eligibility investigations and other preemptive actions  
22 undertaken in the prevention of fraud.

23 (2) If a fourth Michigan bridge card has been issued to a  
24 household in a 12-month period, the department shall notify the  
25 household that the household has reached the number of issued cards  
26 threshold. At a household's fifth and each subsequent card  
27 replacement request, a card will not be issued until a recipient  
28 from the household has spoken directly to the local office district  
29 manager or county director. The district manager or county director

1 may issue a new Michigan bridge card based on the district  
2 manager's or county director's assessment of the recipient's  
3 situation and the recipient's explanation.

4 (3) As used in this section:

5 (a) "Food assistance trafficking" means the buying and selling  
6 of food assistance benefits for cash or items not authorized under  
7 7 USC 2036b.

8 (b) "Inappropriate use" means not used to meet a family's  
9 ongoing basic needs, including, but not limited to, food, clothing,  
10 shelter, utilities, household goods, personal care items, and  
11 general incidentals.

12 Sec. 677. (1) The department shall establish a state goal for  
13 the percentage of family independence program cases involved in  
14 employment activities. The percentage established must not be less  
15 than 50%. The goal for long-term employment must be 15% of cases  
16 for 6 months or more.

17 (2) The department shall submit an annual report, providing  
18 quarterly data, to the standard report recipients on the number of  
19 cases referred to PATH, the current percentage of family  
20 independence program cases involved in PATH employment activities,  
21 an estimate of the current percentage of family independence  
22 program cases that meet federal work participation requirements on  
23 the whole, and an estimate of the current percentage of the family  
24 independence program cases that meet federal work participation  
25 requirements for those cases referred to PATH.

26 (3) The department shall submit a report to the standard  
27 report recipients. The report must include quarterly data on all of  
28 the following:

29 (a) The number and percentage of nonexempt family independence

1 program recipients who are employed.

2 (b) The average and range of wages of employed family  
3 independence program recipients.

4 (c) The number and percentage of employed family independence  
5 program recipients who remain employed for 6 months or more.

6 Sec. 678. From the funds appropriated in part 1 for family  
7 independence program - small child supplement payment, the  
8 department shall establish a supplement payment for households with  
9 small children. The small child supplement payment program will  
10 increase monthly family independence program payments by \$150.00  
11 for each child under the age of 6 in an enrolled household.

12 Sec. 686. (1) The department shall confirm that an individual  
13 who presents a personal identification issued by another state and  
14 is seeking assistance through the family independence program, food  
15 assistance program, state disability assistance program or medical  
16 assistance program is not receiving benefits from another state.

17 (2) The department shall confirm the address provided by an  
18 individual who is seeking family independence program benefits or  
19 state disability assistance benefits.

20 (3) The department shall prohibit an individual who has  
21 property assets assessed at a value higher than \$200,000.00 from  
22 receiving assistance through a department-administered program,  
23 unless prohibiting assistance would violate a federal law or  
24 guideline.

25 (4) The department shall make a reasonable attempt to obtain  
26 an up-to-date telephone number for an individual seeking medical  
27 assistance benefits during the eligibility determination or  
28 redetermination process for the individual.

29 Sec. 687. (1) On a quarterly basis, the department shall

1 compile and make available a report on its website that contains  
2 all of the following information about the family independence  
3 program, state disability assistance, the food assistance program,

1 efficiencies must not be applied to PIHP and CMHSP net assets,  
2 internal service fund increases, building costs, increases in the  
3 number of PIHP and CMHSP personnel, or other areas not directly  
4 related to the delivery of improved services.

5 (b) Take an active role in managing mental health care by  
6 ensuring consistent and high-quality service delivery throughout  
7 its network and promote a conflict-free care management  
8 environment.

9 (c) Ensure that direct service rate variances are related to  
10 the level of need or other quantifiable measures to ensure that the  
11 most money possible reaches direct services.

12 (d) Whenever possible, promote fair and adequate direct care  
13 reimbursement, including, but not limited to, fair wages for direct  
14 service workers.

28 intensive psychiatric treatments and services that are provided  
29 outside of state-operated hospitals and centers and for support

1 efforts related to overseeing community-based programs placement.

2 (3) If a private provider has an existing wait list for  
3 intensive psychiatric treatments and services, a reimbursement to  
4 the private provider under this section must not be conditioned on  
5 the private provider giving wait-list priority to individuals  
6 placed with funds appropriated in this section.

7 (4) Not later than March 1 of the current fiscal year, the  
8 department shall submit a report to the standard report recipients  
9 on all of the following:

15 lists during the previous fiscal year.

16 Sec. 1014. (1) From the funds appropriated in part 1 to  
17 agencies providing physical and behavioral health services to  
18 multicultural populations, the department shall award grants in  
19 accordance with the requirements of subsection (2). This state is  
20 not liable for any spending above the contract amount. The  
21 department shall not release funds until reporting requirements  
22 under section 1014 of article 6 of 2023 PA 119 are satisfied.

23 (2) The department shall require each contractor described in  
24 subsection (1) that receives greater than \$1,000,000.00 in state  
25 grant funding to comply with performance-related metrics to  
26 maintain their eligibility for funding. The performance-related  
27 metrics shall include, but not be limited to, all of the following:

28 (a) Each contractor or subcontractor shall have accreditations  
29 that attest to their competency and effectiveness as behavioral

6 lead agency receiving funding.

7 (d) Each contractor or subcontractor shall demonstrate cost-  
8 effectiveness.

9 (e) Each contractor or subcontractor shall ensure their  
10 ability to leverage private dollars to strengthen and maximize  
11 service provision.

12 (f) Each contractor or subcontractor shall provide timely and  
13 accurate reports regarding the number of clients served, units of  
14 service provision, and ability to meet their stated goals.

15 (3) The department shall require an annual report from the

Sec. 1052. The department shall use gifts and bequests received for patient living and treatment environments for additional private funds to provide specific enhancements for individuals residing at state-operated facilities. 17 actual revenues earned. If the revenue collected exceeds current  
18 year expenditures, the revenue may be carried forward with approval  
19 of the state budget director. The department shall use the revenue  
20 carried forward as a first source of funds in the subsequent year.

21 Sec. 1058. Effective October 1 of the current fiscal year, the  
22 department, in consultation with the department of technology,

19 department shall submit a report including the information provided  
20 under subsection (1) to the standard report recipients.

21 (3) Any nonaggregated information submitted under this section

24 sound in accordance with federal requirements. The department shall  
25 provide to the standard report recipients a copy of the rate  
26 certification required under this section and the approval of rates  
27 paid to Medicaid health plans and specialty PIHPs for any fiscal  
28 year not later than October 1 for Medicaid capitation rate  
29 certifications and not later than February 15, May 15, and August

1 15 for any Medicaid capitation rate amendments. Following the rate  
2 certification, the department shall ensure that no new or revised

4 impacts the capitation rates that have been certified.

5 Sec. 1786. From the funds appropriated in part 1, the  
6 department shall maintain Medicaid reimbursement for the  
7 administration of injectable and oral vaccines at \$23.03.

20 plan services and physician services, the department shall provide  
21 Medicaid reimbursement rates for neonatal services at 100% of the

27 Sec. 1792. Not later than April 30 of the current fiscal year,  
28 the department shall evaluate pharmacy encounter data through the  
29 first 2 quarters of the fiscal year to determine, in consultation

1 with the Medicaid health plans, if rates must be recertified. Not  
2 later than May 30 of the current fiscal year, the department shall  
3 report the evaluation results to the standard report recipients and  
4 the Medicaid health plans.

19 only by primary care providers. The department shall not provide  
20 the increase to Medicaid rates under this section to primary care  
21 providers whose primary practice is as a non-primary-care  
22 subspecialty. The department shall establish policies that most  
23 effectively limit the increase to primary care providers for  
24 primary care services only. As used in this section, "primary care  
25 provider" means a physician, or a practitioner working in  
26 collaboration with a physician, who is either licensed under part

10 Payment amounts must be based on the volume of obstetrical care  
11 cases and newborn care cases for all such cases billed by each  
12 qualified hospital in the most recent year for which data is  
13 available. For the current fiscal year, a hospital that met

21 any associated federal match must be awarded as rural access  
22 payments to noncritical access hospitals that meet criteria  
23 established by the department for services to low-income rural  
24 residents. One of the reimbursement components of the distribution  
25 formula must be assistance with labor and delivery services. For  
26 the current fiscal year, a hospital that met established occupied  
27 bed criteria based on Medicaid cost reports as of the fiscal year  
28 ending September 30, 2011, and that is located within a county with

5 1 of the current fiscal year.

6 (3) The department shall publish the distribution of payments  
7 for the current fiscal year and the previous fiscal year.

8 Sec. 1804. The department may utilize the federal public  
9 assistance reporting information system to continue to work to  
10 identify Medicaid recipients who are veterans and who may be  
11 eligible for federal veterans' health care benefits or other  
12 benefits and shall continue to refer veterans to the department of  
13 military and veterans affairs for assistance in securing additional  
14 benefits.

15 Sec. 1810. In advance of the annual rate setting development,  
16 Medicaid health plans must be given at least 60 days to dispute and  
17 correct any discarded encounter data before rates are certified.  
18 The department shall notify each contracting Medicaid health plan  
19 of any encounter data that have not been accepted for the purposes  
20 of rate setting.

21 Sec. 1812. Not later than June 1 of the current fiscal year,  
22 and using the most recent available cost reports, the department  
23 shall complete a report of all direct and indirect costs associated  
24 with residency training programs for each hospital that receives  
25 funds appropriated in part 1 for graduate medical education or  
26 through the MiDocs consortium. The report shall be submitted to the  
27 standard report recipients.

28 Sec. 1820. (1) In order to avoid duplication of efforts, if a  
29 Medicaid health plan has been reviewed and accredited by a national

1 accrediting entity for health care services, the department shall  
2 use applicable national accreditation review criteria to determine  
3 compliance with corresponding requirements in this state.

4 (2) The department shall continue to comply with federal law  
5 and laws of this state and shall not initiate an action that  
6 negatively impacts beneficiary safety.

7 (3) As used in this section, "national accrediting entity"  
8 means the National Committee for Quality Assurance, the URAC,  
9 formerly known as the Utilization Review Accreditation Commission,  
10 or another appropriate entity, as approved by the department.

11 Sec. 1830. From the funds appropriated in part 1 for hospital  
12 services and therapy, the department shall allocate \$7,500,000.00  
13 to support prenatal health care providers operating in this state  
14 to provide services for existing group-based prenatal care programs  
15 that include 1 or more health care professionals leading small  
16 groups of expectant mothers - in the same phase of pregnancy - in  
17 discussions and other health services that promote the well-being  
18 and health of mothers and babies.

19 Sec. 1831. From the funds appropriated in part 1 for hospital  
20 services and therapy, the department shall allocate \$10,000,000.00  
21 to continue to support hospitals in this state to improve maternal  
22 safety and outcomes by administering and expanding a data-driven  
23 maternal safety and quality improvement initiative that is based on  
24 interdisciplinary and consensus-based practices. The initiative  
25 expansion must focus on mitigating pregnancy-associated injury and  
26 death, work to improve outcomes for underserved groups, and address  
27 problems related to substance use disorders.

28 Sec. 1837. The department shall continue, and expand where  
29 appropriate, utilization of telemedicine and telepsychiatry as

1 strategies to increase access to services for Medicaid recipients.

2 Sec. 1846. From the funds appropriated in part 1 for graduate  
3 medical education, the department shall distribute the funds with  
4 an emphasis on the following health care workforce goals:

5 (a) The encouragement of the training of physicians in  
6 specialties, including primary care, that are necessary to meet the  
7 future needs of residents of this state.

8 (b) The training of physicians in settings that include  
9 ambulatory sites and rural locations.

10 (c) The training of practitioners providing pediatric  
11 psychiatry services.

12 Sec. 1850. The department may allow Medicaid health plans to  
13 assist with maintaining eligibility through outreach activities to  
14 ensure continuation of Medicaid eligibility and enrollment in  
15 managed care. The assistance may include mailings, telephone  
16 contact, or face-to-face contact with beneficiaries enrolled in the  
17 individual Medicaid health plan. Medicaid health plans may offer  
18 assistance in completing paperwork for beneficiaries enrolled in  
19 the Medicaid health plan. In partnership with the National Kidney  
20 Foundation of Michigan, the department shall allocate \$950,000.00  
21 in general fund/general purpose revenue and any associated federal  
22 match from the Healthy Michigan plan to enhance Medicaid health  
23 plan outreach to improve access and utilization of Medicaid covered  
24 services. These funds must also support outreach efforts by the  
25 Morris Hood III Chronic Kidney Disease and COVID-19 Complications  
26 Prevention Initiative to identify, educate, and prevent chronic  
27 kidney disease in high-risk populations and regions.

28 Sec. 1854. The funds appropriated in part 1 for PACE must  
29 support a current fiscal year enrollment cap that is not less than

1 8,543.

2 Sec. 1855. From the funds appropriated in part 1 for PACE, to  
3 the extent that funding is available in the PACE line item and  
4 unused program slots are available, the department may do the  
5 following:

6 (a) Increase the number of slots for a local and already-  
7 established PACE if the local PACE has provided appropriate  
8 documentation to the department indicating its ability to expand  
9 capacity to provide services to additional PACE clients.

10 (b) Suspend the 10 member per month individual PACE enrollment  
11 increase cap in order to allow unused and unobligated slots to be  
12 allocated to address unmet demand for PACE services.

13 Sec. 1856. (1) From the funds appropriated in part 1 for  
14 hospice services, \$5,000,000.00 shall be expended to provide room  
15 and board for Medicaid recipients who meet hospice eligibility  
16 requirements and receive services at Medicaid enrolled hospice  
17 residences in this state. The department shall distribute funds  
18 through grants based on the total beds located in all eligible  
19 residences that have been providing these services as of October 1,  
20 2017. An eligible grant applicant may inform the department of the  
21 applicant's request to reduce the grant amount allocated for the  
22 applicant's residence and the funds must be distributed  
23 proportionally to increase the total grant amount of the remaining  
24 grant-eligible residences. Grant amounts shall be paid out monthly  
25 with 1/12 of the total grant amount distributed each month to the  
26 grantees.

27 (2) Not later than September 15 of the current fiscal year,  
28 each Medicaid-enrolled hospice with a residence that receives funds  
29 under this section shall provide a report to the department on the

2 report must be provided in a format prescribed by the department  
3 and must include the following information:

4 (a) The number of patients served.

5 (b) The number of days served.

6 (c) The daily room and board rates for the patients served.

7 (d) If there is not sufficient funding to cover the total room  
8 and board need, the number of patients who did not receive care due  
9 to insufficient grant funding.

10 (3) If funds awarded under this section remain unused at the  
11 end of the current fiscal year, the Medicaid-enrolled hospice with  
12 a residence shall return those unused funds to this state.
