15 **DEPARTMENT OF ENVIRONMENT, GREAT LAKES, AND ENERGY**

2
3 **DEPARTMENT OF HEALTH AND HUMAN SERVICES**

4 Sec. 426. (1) The appropriations in part 1 assume a total
5 federal child support incentive payment of \$26,500,000.00.

6 (2) From the federal money received for child support
7 incentive payments, \$12,000,000.00 must be retained by this state
8 and expended for child support program expenses.

9 (3) From the federal money received for child support
10 incentive payments, \$14,500,000.00 must be paid to counties based
11 on each county's performance level for each of the performance
12 measures under 45 CFR 305.2.

13 (4) If the child support incentive payment to this state from
14 the federal government is greater than \$26,500,000.00, then 100% of
15 the amount in excess must be retained by this state and is
16 appropriated until the total retained by this state reaches
17 \$15,397,400.00.

18 (5) If the child support incentive payment to this state from
19 the federal government is greater than the amount needed to satisfy
20 subsections (1), (2), (3), and (4), the additional funds are
21 subject to appropriation by the legislature.

22 (6) If the child support incentive payment to this state from
23 the federal government is less than \$26,500,000.00, then the state
24 share and the county share must each be reduced by 50% of the
25 shortfall.

26 Sec. 427. From the funds appropriated in part 1, the
27 department of health and human services shall allocate funds to the
28 emergency shelter program to support efforts of shelter providers
29 to move homeless individuals and households into permanent housing

1 as quickly as possible. The funds must be equal to or exceed the
2 amount that a provider would receive if the provider is paid a
3 \$19.00 per diem rate. Expected outcomes are increased shelter
4 discharges to stable housing destinations, decreased recidivism
5 rates for shelter clients, and a reduction in the average length of
6 stay in emergency shelters.

7 Sec. 428. From the funds appropriated in part 1, the
8 department of health and human services shall reimburse Indian
9 tribal governments for 50% of the foster care expenditures for
10 children who are under the jurisdiction of Indian tribal courts and
11 are not otherwise eligible for federal foster care cost sharing.
12 However, the department of health and human services may reimburse
13 up to 100% of the foster care expenditures for an Indian tribal
14 government that enters into a state-tribal title IV-E agreement
15 allowed under this state's title IV-E state plan.

16 Sec. 429. (1) From the funds appropriated in part 1, the
17 department of health and human services shall implement a rate
18 structure that pays for cases based on the average length of time
19 it takes to reach adoption finalization by case characteristics for
20 licensed child placing agencies contracted with the department of
21 health and human services that provide adoption services for youth
22 in foster care.

23 (2) For cases accepted before the implementation of the new
24 rate structure described in subsection (1), the department of
25 health and human services shall maintain the increase of contracted
26 rates paid to private child placing agencies, including the \$23.00
27 per diem for all foster youth from the date of the case acceptance
28 to the date of adoption petition acceptance or 150 days, whichever
29 occurs sooner, for licensed child placing agencies contracted with

1 the department of health and human services to provide adoption
2 services for foster youth. The per diem rate must be separate from
3 the outcome-based reimbursement system and must not be deducted
4 from the total reimbursement an agency receives for the applicable
5 placement or finalization rate of an adoption.

6 Sec. 430. (1) From funds appropriated in part 1, the
7 administrative or indirect cost payment equal to 10% of a county's
8 total monthly gross expenditures must be distributed to the county
9 on a monthly basis, and a county is not required to submit
10 documentation to the department of health and human services for
11 any of the expenditures that are covered under the 10% payment as
12 described in section 117a(4)(b)(ii) and (iv) of the social welfare
13 act, 1939 PA 280, MCL 400.117a.

14 (2) From the funds appropriated in part 1, the department of
15 health and human services shall allocate \$3,500,000.00 to counties
16 and tribal governments that receive reimbursements in part 1 from
17 the child care fund.

18 (3) The amount described in subsection (2) must be distributed
19 to each county or tribal government in the same proportion as
20 indirect cost allotments are provided to counties in the same
21 manner described in section 117a of the social welfare act, 1939 PA
22 280, MCL 400.117a.

23 Sec. 431. (1) From the funds appropriated in part 1, the
24 department of health and human services shall pay an administrative
25 rate of not less than \$60.20 to providers of general foster care,
26 independent living, and trial reunification services.

27 (2) From the funds appropriated in part 1, the department of
28 health and human services shall pay providers of independent living
29 plus services per diem statewide rates for staff-supported housing

1 and host-home housing that are based on proposals submitted in
2 response to a solicitation for pricing. The independent living plus
3 program provides staff-supported housing and services for foster
4 youth 16 years of age to 19 years of age who, because of their
5 individual needs and assessments, are not initially appropriate for
6 general independent living foster care.

7 Sec. 432. From the funds appropriated in part 1, the
8 department of health and human services shall pay a minimum rate
9 that is not less than the approved age-appropriate payment rates
10 for youth placed in family foster care.

11 Sec. 433. From the funds appropriated in part 1, the
12 department of health and human services shall pay 100% of the
13 administrative rate for all new cases referred to providers of
14 foster care services.

15 Sec. 434. (1) Each PIHP shall provide, from the PIHP's
16 internal resources, local funds to be used as a part of the state
17 match required under the Medicaid program to increase capitation
18 rates for PIHPs. The local funds must not include either of the
19 following:

20 (a) State funds received by a CMHSP for services provided to
21 non-Medicaid recipients.

22 (b) The state matching portion of the Medicaid capitation
23 payments made to a PIHP.

24 (2) As used in this act:

25 (a) "CMHSP" means a community mental health services program
26 as that term is defined in section 100a of the mental health code,
27 1974 PA 258, MCL 330.1100a.

28 (b) "PIHP" means an entity designated by the department of
29 health and human services as a regional entity or a specialty

1 prepaid inpatient health plan for Medicaid mental health services,
2 services to individuals with developmental disabilities, and
3 substance use disorder services. Regional entities are described in
4 section 204b of the mental health code, 1974 PA 258, MCL 330.1204b.
5 Specialty prepaid inpatient health plans are described in section
6 232b of the mental health code, 1974 PA 258, MCL 330.1232b.

7 Sec. 435. A county required under the mental health code, 1974
8 PA 258, MCL 330.1001 to 330.2106, to provide matching funds to a
9 CMHSP for mental health services rendered to residents in the
10 county's jurisdiction shall pay the matching funds in equal
11 installments on not less than a quarterly basis throughout the
12 fiscal year, with the first payment being made by October 1 of the
13 current fiscal year.

14 Sec. 436. From the funds appropriated in part 1, the
15 department of health and human services shall make monthly payments
16 of \$300.36 to a parent or legal guardian of a child approved for
17 the family support subsidy by a CMHSP.

18 Sec. 437. If a county that participates in a district health
19 department or has an associated arrangement with another local
20 health department takes action to stop participating in that
21 arrangement after October 1 of the current fiscal year, the
22 department of health and human services may assess a penalty from
23 the local health department's operational accounts in an amount
24 equal to no more than 6.25% of the local health department's
25 essential local public health services funding. The department of
26 health and human services shall assess a penalty only if a county
27 requests the dissolution of the county's local health department.

28 Sec. 438. (1) For care provided to Medicaid recipients with
29 other third-party sources of payment, Medicaid reimbursement must

1 not exceed, in combination with such other resources, including
2 Medicare, those amounts established for Medicaid-only patients. The
3 Medicaid payment rate must be accepted as payment in full. Other
4 than an approved Medicaid copayment, no portion of a provider's
5 charge shall be billed to the recipient or any person acting on
6 behalf of the recipient. This section does not affect the level of
7 payment from a third-party source other than the Medicaid program.
8 The department of health and human services shall require a
9 nonenrolled provider to accept Medicaid payments as payment in
10 full.

11 (2) Notwithstanding subsection (1), if a hospital service is
12 provided to a dual Medicare/Medicaid recipient with only Medicare
13 part B coverage, the Medicaid reimbursement must equal, when
14 combined with a payment for Medicare or other third-party source of
15 payment, the amount established for a Medicaid-only patient,
16 including a capital payment.

17 Sec. 439. (1) If a Medicaid claim is a fee-for-service
18 Medicaid claim, the professional dispensing fee for a drug that is
19 listed as a medication on the Michigan pharmaceutical products list
20 is \$20.02 or the pharmacy's submitted dispensing fee, whichever is
21 less.

22 (2) If a Medicaid claim is a fee-for-service Medicaid claim,
23 the professional dispensing fee for a drug that is not listed as a
24 specialty medication on the Michigan pharmaceutical products list
25 is as follows:

26 (a) If the drug is indicated as preferred on the department of
27 health and human services' preferred drug list, \$10.80 or the
28 pharmacy's submitted dispensing fee, whichever is less.

29 (b) If the drug is not on the department of health and human

1 services' preferred drug list, \$10.64 or the pharmacy's submitted
2 dispensing fee, whichever is less.

3 (c) If the drug is indicated as nonpreferred on the department
4 of health and human services' preferred drug list, \$9.00 or the
5 pharmacy's submitted dispensing fee, whichever is less.

6 Sec. 440. (1) The department of health and human services
7 shall require copayments on dental, podiatric, and vision services
8 provided to Medicaid recipients, except as prohibited by federal
9 law or a law of this state.

10 (2) Except as otherwise prohibited by federal law or a law of
11 this state, the department of health and human services shall
12 require Medicaid recipients to pay the following copayments:

13 (a) Two dollars for a physician office visit.

14 (b) Three dollars for a hospital emergency room visit.

15 (c) Fifty dollars for the first day of an inpatient hospital
16 stay.

17 (d) Two dollars for an outpatient hospital visit.

18 (e) One dollar for a generic drug or any drug indicated as
19 preferred on the department of health and human services' preferred
20 drug list and \$3.00 for a brand-name drug not indicated as
21 preferred on the department of health and human services' preferred
22 drug list.

23 Sec. 441. In addition to the appropriation in part 1, the
24 department of health and human services is authorized to receive
25 and spend penalty money received as the result of noncompliance
26 with Medicaid certification regulations. Penalty money,
27 characterized as private funds, received by the department of
28 health and human services increases authorizations and allotments
29 in the long-term care accounts.

1 Sec. 442. (1) The department of health and human services is
2 authorized to pursue reimbursement for eligible services provided
3 in Michigan schools from the federal Medicaid program. The
4 department of health and human services and the state budget
5 director are authorized to negotiate and enter into agreements,
6 together with the department of education, with local and
7 intermediate school districts regarding the sharing of federal
8 Medicaid services funds received for these services. The department
9 of health and human services is authorized to receive and disburse
10 funds to participating school districts pursuant to agreements
11 described in this subsection and pursuant to federal law and a law
12 of this state.

13 (2) From the funds appropriated in part 1, the department of

15 (a) Finance activities within the behavioral and physical
16 health and aging services administration related to eligible
17 services.

18 (b) Reimburse participating school districts pursuant to the
19 fund-sharing ratios negotiated in the state-local agreements
20 authorized in subsection (1).

21 (c) Offset general fund costs associated with the Medicaid
22 program.

23 Sec. 443. The department of health and human services shall
24 obtain proof from all Medicaid recipients that they are United
25 States citizens or otherwise legally residing in this country and
26 that they are residents of this state before approving Medicaid
27 eligibility.

28 Sec. 444. The department of health and human services shall
29 certify annually whether rates paid to Medicaid health plans and

1 specialty PIHPs are actuarially sound in accordance with federal
2 requirements. The department of health and human services shall
3 provide to the senate and house appropriations subcommittees on the
4 department budget, the senate and house fiscal agencies, the senate
5 and house policy offices, and the state budget office a copy of the
6 rate certification required under this section and the approval of
7 rates paid to Medicaid health plans and specialty PIHPs for any
8 fiscal year not later than October 1 for Medicaid capitation rate
9 certifications. Following the rate certification, the department of
10 health and human services shall ensure that no new or revised state
11 Medicaid policy bulletin that is promulgated materially impacts the
12 capitation rates that have been certified.

13 Sec. 445. From the funds appropriated in part 1, the
14 department of health and human services shall maintain Medicaid
15 reimbursement for the administration of injectable and oral
16 vaccines at \$23.03.

17

25 insurance code of 1956, 1956 PA 218, MCL 500.100 to 500.8302, must
26 be appropriated for all expenses necessary to provide for the
27 required services. Funds are available for expenditure when they
28 are received by the department of treasury.

29 Sec. 452. The department of insurance and financial services

1 may make available to interested entities customized listings of
2 nonconfidential information in its possession. The department of
3 insurance and financial services may establish and collect a
4 reasonable charge to provide this service. The revenue from this
5 service is appropriated when received and must be used to offset
6 expenses to provide the service.

7 8 **JUDICIARY**

9 Sec. 476. If funds in the court fee fund are insufficient to
10 pay judges' compensation, the difference between the appropriated
11 amount from that fund for judges' compensation and the actual
12 amount available after the amount appropriated for trial court
13 reimbursement is made is appropriated from the state general fund
14 for judges' compensation.

15 16 **DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY**

17 Sec. 501. Federal pass-through funds to local institutions and
18 governments that are received in amounts in addition to those
19 included in part 1 and that do not require additional state

21 department of labor and economic opportunity shall report the
22 amount and source of the funds to the senate and house
23 appropriations subcommittees on labor and economic opportunity, the
24 senate and house fiscal agencies, the senate and house policy
25 offices, and the state budget office not later than 10 business
26 days after receiving any additional pass-through funds.

28 by the department of labor and economic opportunity are
29 appropriated on receipt and are available for expenditure by the

1 department for purposes specified within the grant agreement and as
2 permitted under state and federal law.

3 (2) Not later than 10 days after the receipt of a private
4 grant appropriated in subsection (1), the department of labor and
5 economic opportunity shall notify the senate and house chairpersons
6 of the appropriations subcommittees on of labor and economic
7 opportunity, the senate and house fiscal agencies, and the state
8 budget office of the receipt of the grant, including the fund
9 source, purpose, and amount of the grant.

10 Sec. 503. (1) The department of labor and economic opportunity
11 may charge registration fees to attendees of informational,
12 training, or special events that are sponsored by the department of
13 labor and economic opportunity and related to activities that are
14 under the department of labor and economic opportunity's purview.

15 (2) The fees under subsection (1) must reflect the costs for
16 the department of labor and economic opportunity to sponsor the
17 informational, training, or special events.

18 (3) Revenue generated by the registration fees under
19 subsection (1) is appropriated on receipt and available for
20 expenditure to cover the department of labor and economic

23 Sec. 504. The department of labor and economic opportunity may
24 sell documents at a price not to exceed the cost of production and
25 distribution. Funding received from the sale of these documents
26 must revert to the department of labor and economic opportunity. In
27 addition to funds appropriated in part 1, these funds are available
28 for expenditure when they are received by the department of

4 land bank fast track act, 2003 PA 258, MCL 124.751 to 124.774, for
5 the purposes authorized by the act, including, but not limited to,
6 the acquisition, lease, management, demolition, maintenance, or
7 rehabilitation of real or personal property, payment of debt
8 service for notes or bonds issued by the authority, and other
9 expenses to clear or quiet title property held by the authority.
10 The state land bank authority may establish partnerships with local
11 land bank authorities.

12 Sec. 506. In addition to the appropriation in part 1, Travel
