19 execute a grant agreement unless all necessary documentation has
20 been submitted and reviewed.

21 (c) Verify to the extent possible that a grant recipient will
22 use funds for a public purpose that serves the economic prosperity,
23 health, safety, or general welfare of the residents of this state.

24 (d) Review and verify all necessary information to ensure the
25 grant recipient is reasonably able to execute the grant agreement,
26 perform its fiduciary duty, and comply with all applicable state
27 and federal statutes. The department may deduct the cost of
28 background checks and any other efforts performed as part of this
29 verification from the amount of the designated grant award.

1 (e) Establish a standard timeline to review all documents
2 submitted by grant recipients and provide a response within 45
3 business days stating whether submitted documents by a grant
4 recipient are sufficient or in need of additional information. If
5 additional information is needed, the 60-day deadline in subsection
6 (2) is considered to have been met if a sponsor has been identified
7 for that grant. If a grant recipient does not provide information
8 sufficient to execute a grant agreement not later than 60 days
9 after being notified by the department of grant approval, the
10 department shall return funds associated with the grant to the
11 state treasury.

12 (f) Make an initial disbursement of up to 50% of the grant to
13 the grant recipient not later than 60 days after a grant agreement
14 has been executed. Disbursements must be consistent with part II,
15 chapter 10, section 200 of the Financial Management Guide.

16 (g) Disburse the funds remaining after the initial
17 disbursement under subdivision (f) per the grant disbursement
18 schedule in the executed grant agreement on a reimbursement basis
19 after the grantee has provided sufficient documentation, as
20 determined by the department, to verify that expenditures were made
21 in accordance with the project purpose.

22 (4) The process for the identification and sponsorship of a
23 grant described in subsection (1) is as follows:

24 (a) Not later than the effective date of this act, the state
25 budget office shall provide an initial list of grants that require
26 legislative sponsorship to the legislature and shall make public an
27 initial list of grants that likely will be sponsored by the
28 department or by the state budget office.

29 (b) A sponsor of a grant described in subsection (1) must be a

1 legislator, the department, or the state budget office.

2 (c) A legislative sponsor must be identified through a letter
3 submitted by that legislator's office to the department and state
4 budget director containing the name of the grant recipient, the
5 intended amount of the grant, a certification from that legislator
6 that the grant is for a public purpose, and specific citation of
7 the section and subsection of the public act that authorizes the
8 grant, as applicable.

9 (d) Within 10 business days after the effective date of this
10 act, the senate and house of representatives shall compile an
11 initial list of legislative grant sponsors for their respective
12 chambers and submit those compiled lists to the state budget office
13 and the department, and the state budget office shall identify
14 department- or state budget office-sponsored grants. The state
15 budget director may grant an extension of this deadline of not more
16 than 30 days on a case-by-case basis. The state budget office shall
17 make the compiled lists public within 14 business days after the
18 effective date of this act.

19 (e) Not later than 60 days after the effective date of this
20 act, the state budget office shall publish a final list of grants
21 requiring sponsorship. If a legislative sponsor is not identified
22 within 60 days after the effective date of this act, the department
23 shall do 1 of the following:

24 (i) Identify the department or the state budget office as the
25 sponsor.

26 (ii) Decline to execute the grant agreement and lapse the
27 associated funds at the end of the fiscal year.

28 (f) At any point during the fiscal year, legislative grant
29 sponsors may be added to a grant request.

1 (5) An executed grant agreement under this section between the
2 department and a grant recipient must include at least all of the
3 following:

4 (a) All necessary identifying information for the grant
5 recipient, including any tax and financial information for the
6 department to administer funds under this section.

7 (b) A description of the project for which the grant funds
8 will be expended, including tentative timelines and the estimated
9 budget. The department shall not reimburse expenditures that are
10 outside of the project purpose, as stated in the executed grant
11 agreement, from appropriations in part 1. The grantee shall return
12 to the treasury any interest in excess of \$1,000.00 earned on the
13 grant funds while unexpended and in possession of the grantee.

14 (c) Unless otherwise specified in department policy, a
15 requirement that funds appropriated for the grants described in
16 subsection (1) may be used only for expenditures that occur on or
17 after the effective date of this act.

18 (d) A requirement for reporting by the grant recipient to the
19 department and the legislative sponsor that provides the status of
20 the project and an accounting of all funds expended by the grant
21 recipient, as determined by the department.

22 (e) A claw-back provision that allows the department of
23 treasury to recoup or otherwise collect any funds that are
24 declined, unspent, or otherwise misused.

25 (f) The signed legislative sponsorship letter required under
26 subsection (4), incorporated into the grant agreement and included
27 as an appendix or attachment.

28 (g) If a grant recipient has provided information sufficient
29 to execute a grant agreement, the state budget office shall

1 promptly transmit that information to the department for the
2 department's review of the grant application. If a grant recipient
3 has provided information sufficient to execute a grant agreement
4 within 60 days after the effective date of this act, but the grant
5 application needs technical fixes or additional legislative action,
6 as identified by the state budget office, the 60-day deadline in
7 this subdivision is considered to have been met, if a sponsor has
8 been identified for that grant. If a grant recipient does not
9 provide information sufficient to execute a grant agreement not
10 later than 60 days after being notified by the department of grant
11 approval, the department shall return funds associated with the
12 grant to the state treasury.

13 (6) If appropriate to improve the administration or oversight
14 of a grant described in subsection (1), the department may adopt a
15 memorandum of understanding with another state department to
16 perform the required duties under this section.

17 (7) A grant recipient shall respond to all reasonable
18 information requests from the department related to grant
19 expenditures and retain grant records for not less than 7 years,
20 and the grant may be subject to monitoring, site visits, and audits
21 as determined by the department. The grant agreement required under
22 this section must include signed assurance by the chief executive
23 officer or other executive officer of the grant recipient that the
24 requirements of this subsection will be met.

25 (8) The grant recipient shall expend all funds awarded and
26 complete all projects not later than September 30, 2030. If at that
27 time any unexpended funds remain, the grant recipient shall return
28 those funds to the state treasury.

29 (9) Any funds that are granted to a state department are

1 appropriated in that department for the purpose of the intended
2 grant.

3 (10) The state budget director may, on a case-by-case basis,
4 extend the deadline in subsection (8) on request by a grant
5 recipient if a sponsor has been identified for the grant. The state
6 budget director shall notify the chairs of the senate and house of
7 representatives appropriations committees not later than 5 days
8 after an extension is granted.

9 (11) By March 1 of the current fiscal year, the state budget
10 office shall post a report in a publicly accessible location on its
11 website. The report must list the grant recipient, project purpose,
12 and location of the project for each grant described in subsection
13 (1), the status of funds allocated and disbursed under the grant
14 agreement, and the legislative sponsor, if applicable. After March
15 1, the state budget office shall update the report monthly and
16 shall post the updated report each month. The state budget office
17 shall include in the report the most comprehensive information the
18 office has available at the time of posting for grants awarded. The
19 state budget office may compile the information required in this
20 report across all departments. The department shall assist the
21 state budget office with the compilation of the report required
22 under this subsection.

23 (12) On request, beginning 75 days after the effective date of
24 this act, the state budget office shall release information
25 received for grant applications.

26 (13) As applicable, the legislative sponsor of a grant
27 described in subsection (1) shall not sponsor a grant, or ask
28 another legislator to sponsor a grant, if there is a conflict of
29 interest related to the grant recipient.

1 (14) If the department reasonably determines that the funds
 2 allocated for an executed grant agreement under this section were
 3 misused or that use of the funds was misrepresented by the grant
 4 recipient, the department shall not award any additional funds
 5 under the executed grant agreement and shall refer the grant for
 6 review following internal audit protocols.

7 Sec. 251. (1) General fund appropriations in part 1 shall not
 8 be expended for items if federal funding or private grant funding
 9 is available for the same expenditures.

10 (2) If the department is required to make a reduction in
 11 expenditures under section 395(1) or (2) of the management and
 12 budget act, 1984 PA 431, MCL 18.1395, for any appropriation under
 13 this part or part 1, the department must notify the standard report
 14 recipients not later than 10 days after the reduction. The
 15 notification must include, but not be limited to, the following:

16 (a) A description of the fund source that is insufficient to
 17 support the expenditures being reduced and the amount of the
 18 reduction.

19 (b) A description of the cause for the reduction, if any such
 20 cause is known.

21 (c) A description of the functions of state government or
 22 services to residents that will be affected by the reduction.

23 Sec. 252. (1) Within 10 days after the effective date of this
 24 act, the department must provide a report to the standard report
 25 recipients containing the following information:

26 (a) A list of any sections in this act that the department
 27 determines to be unenforceable, with a detailed legal rationale for
 28 those determinations, as applicable.

29 (b) If a determination under subdivision (a) would affect the

1 operations of a program or programs within the department, the
 2 department must report the estimated difference in cost between the
 3 policy outlined in the section determined to be unenforceable and
 4 the policy the department intends to pursue.

5 (2) The department may coordinate with the executive office of
 6 the governor or other state departments or agencies to compile a
 7 statewide report for any departments or agencies required to submit
 8 a report substantially similar to the report described under
 9 subsection (1).

10 Sec. 253. The department must provide a quarterly report to
 11 the standard report recipients detailing federal policy changes
 12 that do, or are expected to do, any of the following:

13 (a) Affect the operations of the department.

14 (b) Affect an industry, community, population, or other group
 15 regulated or served by, or that otherwise engages with, the
 16 department.

17 (c) Affect regulations that currently protect the public to
 18 the extent that the regulations affect an industry, community,
 19 population, or other group regulated or served by, or that
 20 otherwise engages with, the department.

8 fees authorized under subsection (1), subject to appropriation, to
9 recover expenses associated with the work activities and services
10 described in subsection (1). Fee revenue collected by the
11 department under subsection (1) does not lapse to the state general
12 fund at the end of the fiscal year but carries forward for
13 appropriation by the legislature in the subsequent fiscal year.

14 (3) The department shall notify the subcommittees, the fiscal
15 agencies, and the state budget office 30 days before proposing

17 to prevent and minimize future impacts. The department shall
18 coordinate these efforts with other state agencies, federal
19 agencies, tribal governments, local governments, institutions of
20 higher learning, and the food and agriculture sector. Emerging
21 contaminants include but are not limited to pesticides, dioxins,
22 and per- and polyfluoroalkyl substances.

23 (2) The unexpended funds appropriated in part 1 for emerging
24 contaminants in food and agriculture are designated as a work
25 project appropriation, and any unencumbered or unallotted funds do
26 not lapse at the end of the fiscal year and are available for
27 expenditures for projects under this section until the projects
28 have been completed. The following is in compliance with section

6 minimize future impacts.

7 (b) The project will be accomplished by utilizing state
8 employees or contracts with service providers, or both.

9 (c) The estimated cost of this project is \$2,009,900.00.

13 current required memorandum of understanding between the department
14 and the USDA.

15 Sec. 404. From the funds appropriated in part 1 for animal
16 disease prevention and response, the department shall use
17 \$200,000.00 to cover costs associated with testing of registered

 8 administration and conservation district support, \$8,000,000.00
 9 must be distributed through a grant program to local conservation
 10 districts in this state that were in operation in the previous
 11 fiscal year, based upon criteria established by the department. The

9 interpretation activities.

10 (3) In addition to the funds appropriated in part 1, the
11 department may receive and expend funds received from outside
12 sources for the food and agriculture investment program.

13 (4) Before the allocation of funding, all projects must
14 receive approval from the Michigan commission of agriculture and
15 rural development, except for projects selected through a
16 competitive process by a joint evaluation committee selected by the
17 director and consisting of representatives that have agriculture,
18 food security, local and regional food systems, business, and
19 economic development expertise. Projects funded through the food
20 and agriculture investment program will be required to have a grant
21 agreement that outlines milestones and activities that must be met
22 in order to receive a disbursement of funds. Projects must also
23 identify measurable project outcomes.
