ACCESS TO DRIVER'S RECORD

House Bill 4070
Sponsor: Rep. James McNutt
Committee: Transportation

Complete to 3-6-95

A SUMMARY OF HOUSE BILL 4070 AS INTRODUCED 1-11-95

The Michigan Vehicle Code currently permits the secretary of state to prepare and issue to someone who requests it a certified copy of a record maintained by the department and to charge a fee for this service. The bill would amend the act to specify that the secretary of state could not charge a fee for providing a copy of a person's driving record to a tax-exempt nonprofit organization listed under Section 501c(3) of the Internal Revenue Code. Under the bill, a nonprofit organization that received a copy of a record without paying a fee could only use the information contained in it for the organization's own personal use and could not sell or provide a copy of the record or information contained in it to anyone else.
