**Complete to 9-6-95**

### **A SUMMARY OF HOUSE BILL 4307 AS INTRODUCED 2-7-95**

The bill would amend the Michigan Election Law in several places to specify that a question submitted to the state's voters or to the voters in a subdivision of the state that relates to a new tax, a tax increase, or a tax renewal could only relate to one type of tax for each question submitted. The provision would also apply to a proposed constitutional amendment or other proposition submitted to voters.
