Complete to 10-11-95

A SUMMARY OF HOUSE BILL 5159 AS INTRODUCED 9-27-95

The Michigan Vehicle Code establishes registration fees for commercial vehicles and specifically provides a schedule of fees ranging from \$378 for a vehicle whose gross weight is zero to 24,000 pounds up to \$2,398 for a vehicle weighing over 160,000 pounds. The bill would establish a new gross weight class for vehicles weighing from 24,001 pounds to 26,000 pounds and set the fee for this class at \$400. Currently, the act provides that a vehicle ranging between 24,001 pounds and 28,000 pounds is subject to a fee of \$429; under the bill, this fee would apply to vehicles weighing between 26,001 pounds and 28,000 pounds.
