**Sponsor: Rep. Penny Crisman**

**Committee: Insurance**

**Complete to 1-29-96**

### **A SUMMARY OF HOUSE BILL 5267 AS INTRODUCED 10-18-95**

The bill would require that, for prudent purchaser contracts covering the supplying and fitting of prosthetic devices to maintain or replace the body parts of a person who has undergone a mastectomy, a health maintenance organization (HMO) would have to accept for membership on the provider panel all health care providers who apply for membership and meet the organization's written standards. The bill would amend the HMO Act within the Public Health Code.
