Senate Bill 269 (as reported by the Committee of the Whole)  
Sponsor: Senator Doug Carl  
Committee: Transportation and Tourism

### **CONTENT**

The bill would amend the Michigan Vehicle Code to provide that the fee required by the Code for a duplicate or replacement license plate would not have to be paid, if the application for the duplicate or replacement plate were accompanied by a copy of a law enforcement agency report indicating that the previous license plate or tab was destroyed, stolen, or rendered illegible by the action of a person other than the applicant.

Currently, a fee of \$5 must be paid with each application for a duplicate or replacement license plate.

### **FISCAL IMPACT**

The bill would result in a revenue loss to the Michigan Transportation Fund. The Department of State issued 85,308 replacement plates and 76,862 replacement tabs in FY 1993-94. No statistics are available regarding the number of replacements due to destruction by persons other than the applicant.
