Senate Bill 952 (as introduced 3-28-96)
Sponsor: Senator Doug Carl
Committee: Financial Services

Date Completed: 5-6-96

CONTENT

The bill would amend the Uniform Securities Act to allow a person to transact business in Michigan as an investment advisor, without registering under the Act, if his or her only clients in Michigan were serviced via telephone.

The Act prohibits a person from transacting business as an investment advisor unless the person complies with one of the following:

- He or she is registered under the Act.
- He or she is registered as a broker-dealer without the imposition of conditions under the Act.
- His or her only clients in Michigan are investment companies as defined in the Federal Investment Company Act or insurance companies, banks, or trust companies.

The bill would add to that list that the person's only Michigan clients were individuals who gained access to the person's services through a 1-900 or 1-800 telephone number.
