16 **GENERAL SECTIONS**

17 Sec. 201. The expenditures and funding sources authorized under  
 18 this bill are subject to the management and budget act, Act No. 431 of  
 19 the Public Acts of 1984, being sections 18.1101 to 18.1594 of the  
 20 Michigan Compiled Laws.

21 Sec. 202. (1) The amounts appropriated from one fund to another  
 22 fund shall be authorized pursuant to annual appropriations within the  
 23 departments responsible for each fund's appropriation.

24 (2) Funds for which the state is acting as the custodian or agent  
 25 are not subject to annual appropriation.

26 Sec. 203. (1) The number of permanent career FTE employees shall  
 27 not exceed the number listed in section 101 of this bill unless an  
 28 exception has been granted by the director of the department of  
 29 management and budget. Exceptions shall only be given if failure to

1 fill the positions will result in rendering the department unable to  
2 deliver basic services, cause a loss of revenue to the state, or  
3 necessitate additional expenditures that exceed savings from  
4 maintaining a vacancy. On the fifteenth of each month, the department  
5 of management and budget shall report to the house and senate  
6 appropriations committees and the governor any exceptions that have  
7 been granted in the preceding month.

8 (2) Permanent career appointments shall be used as defined by the  
9 civil service commission.

10 (3) The number of FTEs to be funded by each individual line item  
11 amount shall be determined by the department within the overall limit  
12 on permanent career FTEs for the department.

13 Sec. 204. (1) Any federal, local, private, or state restricted  
14 funds received by a department in addition to the amount appropriated  
15 in section 101, are appropriated.

16 (2) Funds appropriated in subsection (1) totalling less than  
17 \$50,000.00 during the fiscal year from any one source may be expended  
18 for the purposes for which the funds were made available. Receipt of  
19 these funds shall be reported to the senate and house appropriations  
20 committees and the house and senate fiscal agencies within thirty days  
21 after the close of each fiscal quarter.

22 (3) Funds appropriated in subsection (1) totalling \$50,000.00 or  
23 more during the fiscal year are not available for expenditure until  
24 they have been transferred to another line item in this act through an  
25 administrative transfer as defined in section 393(1) of Act No. 431 of  
26 the Public Acts of 1984, as amended, being section 18.1393(1) of the  
27 Michigan Compiled Laws.
