11 PART 2

12 PROVISIONS CONCERNING APPROPRIATIONS

13 GENERAL SECTIONS

14 Sec. 201. (1) In accordance with the provisions of section 30 of
15 article IX of the state constitution of 1963, total state spending in
16 this appropriation act is [\$265,622,300.00] and state appropriations to be
17 paid to local units of government for fiscal year 1998-99 are estimated
18 at \$8,869,900.00. The itemized statement below identifies appropriations
19 from which spending to units of local government will occur:

20 DEPARTMENT OF ENVIRONMENTAL QUALITY

21 GRANTS

22	Grants to counties - air pollution..... \$	2,854,900
23	Septage waste compliance program.....	200,000
24	Scrap tire grants.....	2,950,000
25	Noncommunity water grants.....	1,400,000

HB5589, As Passed House, April 29, 1998

House Bill No. 5589

19

1	Radon grants.....	135,000
2	Drinking water grants.....	<u>1,330,000</u>
3	TOTAL..... \$	8,869,900

4 (2) If it appears to the principal executive officer of each depart-
5 ment that state spending to local units of government will be less than
6 the amount that was projected to be expended under subsection (1), the
7 principal executive officer shall immediately give notice of the approxi-
8 mate shortfall to the department of management and budget, the senate and
9 house of representatives appropriations committees, and the senate and
10 house fiscal agencies.

11 Sec. 202. The appropriations made and the expenditures authorized
12 under this act are subject to the management and budget act, 1984 PA 431,
13 MCL 18.1101 to 18.1594.

14 Sec. 203. As used in this act:

15 (a) "CESARS" means chemical evaluation search and retrieval system.

16 (b) "Department" means the department of environmental quality.

17 (c) "DOC" means the United States department of commerce.

18 (d) "DOE" means the United States department of energy.

19 (e) "EPA" means the United States environmental protection agency.

20 (f) "EPA-GWDW" means the EPA groundwater drinking water.

21 (g) "EPA-LUST trust" means the EPA leaking underground storage tank
22 trust fund.

23 (h) "EPA, radon" means the EPA radon grants.

24 (i) "FEMA" means the federal emergency management agency.

25 (j) "FTE" means full-time equated position.

26 (k) "MDCIS" means the Michigan department of consumer and industry
27 services.

HB5589, As Passed House, April 29, 1998

House Bill No. 5589

20

1 (1) "PCB" means polychlorinated biphenyl.

2 Sec. 204. (1) Beginning October 1, 1998, a hiring freeze is imposed
3 on the state classified civil service. State departments and agencies
4 are prohibited from hiring any new full-time state classified civil serv-
5 ice employees or prohibited from filling any vacant state classified
6 civil service positions. This hiring freeze does not apply to internal
7 transfers of classified employees from 1 position to another within a
8 department or to positions that are funded with 80% or more federal or
9 restricted funds.

10 (2) The state budget director shall grant exceptions to this hiring
11 freeze when the director believes that such a hiring freeze will result
12 in rendering a state department or agency unable to deliver basic
13 services. The state budget director shall report by the fifteenth of
14 each month to the chairpersons of the senate and house standing commit-
15 tees on appropriations the number of exclusions to the hiring freeze
16 approved during the previous month and the justification for each
17 exclusion.

18 Sec. 205. The department of civil service shall bill the department
19 at the end of the first fiscal quarter for the 1% charges authorized by
20 section 5 of article XI of the state constitution of 1963. Payments
21 shall be made for the total amount of the billing by the end of the
22 second fiscal quarter.

23 Sec. 206. (1) From funds appropriated under part 1, the department
24 shall prepare a report that lists all of the following regarding grant or
25 loan or grant and loan programs administered by the department for the
26 fiscal year ending on September 30, 1999:

HB5589, As Passed House, April 29, 1998

House Bill No. 5589

21

1 (a) The name of each program.

2 (b) The goals of the program, the criteria, eligibility, process,
3 filing fees, nominating procedures, and deadlines for each program.

4 (c) The maximum and minimum grant and loan available and whether
5 there is a match requirement for each program.

6 (d) The amount of any required match, and whether in-kind contribu-
7 tions may be used as part or all of a required match.

8 (e) Information pertaining to the application process, timeline for
9 each program, and the contact people within the department.

10 (f) The source of funds for each program, including the citation of
11 pertinent authorizing acts.

12 (g) Information regarding plans for the next fiscal year for the
13 phaseout, expansion, or changes for each program.

14 (h) A listing of all recipients of grants or loans awarded by the
15 department by type and amount of grant or loan.

16 (2) The reports required under this section shall be submitted to
17 the senate and house of representatives appropriations committees by
18 January 1, 2000.

19 Sec. 207. Funds appropriated in part 1 shall not be used for the
20 purchase of foreign goods or services, or both, if competitively priced
21 American goods or services, or both, of comparable quality are
22 available. By May 1, 1999, the department shall submit a report to the
23 state budget director, the speaker and minority leader of the house of
24 representatives, the majority and minority leaders of the senate, the
25 chairpersons of the house and senate standing committees on appropria-
26 tions, and the house and senate fiscal agencies on efforts to comply with
27 this section.

HB5589, As Passed House, April 29, 1998

House Bill No. 5589

22

1 Sec. 208. The state budget director shall provide a list of
2 proposed work projects funded, in whole or in part, from appropriations
3 in this act to the house and senate appropriations committees on
4 November 15, 1998. This list shall provide detailed information includ-
5 ing the total work project funding level, spending for the fiscal year
6 ending September 30, 1998, and the amount of budget authority required to
7 complete the project.

8 Sec. 209. (1) Any initiative to privatize state services funded
9 under this act shall not commence until after the completion of a pilot
10 program with a duration of not less than 36 months. At least 30 days
11 before beginning any privatization pilot program, the department shall
12 submit a complete project plan to the appropriate subcommittees of the
13 house and senate standing committees on appropriations and the house and
14 senate fiscal agencies. The submission of the project plan shall contain
15 a complete set of baseline data for comparative evaluation of the pilot
16 program at the end of the program term. The privatization pilot program
17 evaluation shall include the administrative costs of the contract for
18 privatized services.

19 (2) A contract for privatized services shall not be continued beyond
20 the original privatization pilot program term unless the program has con-
21 clusively demonstrated a cost savings of at least 5% and improved quality
22 of service.

23 Sec. 210. (1) The department shall submit to the department of man-
24 agement and budget, the house and senate standing committees on appropri-
25 ations, the house and senate fiscal agencies, and the house and senate
26 standing committees having jurisdiction over technology issues quarterly
27 reports on the department's efforts to change the department's computer

23

1 software and hardware as necessary to perform properly in the year 2000
2 and beyond. These reports shall identify actual progress in comparison
3 to the department's approved work plan for these efforts.

4 (2) The department may present progress billings to the department
5 of management and budget for the costs incurred in changing computer
6 software and hardware as necessary to perform properly in the year 2000
7 and beyond. When progress billings are presented for reimbursement, the
8 department of management and budget shall identify and forward as appro-
9 priate the funding sources that should support the work performed.

10 Sec. 211. (1) In the expenditure of funds appropriated under this
11 act, the director of the department shall take all reasonable steps to
12 ensure that businesses in deprived and depressed communities compete for
13 and perform contracts to provide services or supplies, or both, for the
14 department.

15 (2) The director of the department shall strongly encourage firms
16 with which the department contracts to subcontract with businesses certi-
17 fied by the department of civil rights in depressed and deprived communi-
18 ties for services or supplies, or both.

19 Sec. 212. The department may enter into consent agreements to
20 resolve environmental contamination and natural resource damage
21 conflicts. The department shall not agree to any consent agreement that
22 does not recognize and address the interests of all harmed parties, or
23 that does not seek to redress on-site or specific environmental damage.
24 A voluntary mediation process designed to protect the interests of all
25 involved parties shall be pursued, whenever possible.

26 Sec. 213. The department shall provide the state budget director,
27 the subcommittees on natural resources and environmental quality of the

24

1 house and senate standing committees on appropriations, and the senate
2 and house fiscal agencies with a report twice a year on restricted fund
3 balances, projected revenues, and expenditures.

4 Sec. 214. (1) The department of management and budget and each
5 principal executive department and agency receiving funds under this act
6 shall provide to the house and senate appropriations committees and the
7 house and senate fiscal agencies a monthly report on all sole source con-
8 tracts and personal service contracts awarded that month without competi-
9 tive bidding, pricing, or rate setting. The monthly report shall include
10 at least all of the following:

11 (a) The total dollar amount of the contract.

12 (b) The duration of the contract.

13 (c) The name of the vendor.

14 (d) The type of service to be provided.

15 (2) At least quarterly, the appointing authority of each department
16 receiving funds under this act shall transmit to the house and senate
17 appropriations committees, the house and senate fiscal agencies, and the
18 department of management and budget a report including all of the follow-
19 ing for each personal service contract awarded that quarter:

20 (a) A description of the personal service contract.

21 (b) A copy of the approved CS-138 form.

22 (c) The purpose and type of service to be provided.

23 (d) The name of the person or entity that was awarded the contract.

24 (e) The estimated cost or financial obligation for the contract.

25 (f) The cost savings to the state from awarding the contract. This
26 cost savings shall be calculated as the difference between the cost the
27 personal service contract and the estimated cost if that product or

25

1 service were provided through the classified civil service by permanent
2 civil service employees.

3 (3) The internal auditor of each department receiving funds under
4 this act shall prepare an annual report concerning personal service con-
5 tracts that explicitly identifies exceptions between the authorized pur-
6 pose and level of expenditures and the actual product or service and
7 level of expenditures. This report shall be submitted to the legislative
8 auditor general, the house and senate fiscal agencies, and the department
9 of management and budget not later than 90 days after the books are
10 closed at the conclusion of the fiscal year.

11 (4) Each department receiving funds under this act shall provide to
12 the department of management and budget a monthly listing of all bid
13 requests or requests for proposal that were issued for personal service
14 contracts during that month. The department of management and budget
15 shall provide this monthly listing to the house and senate appropriations
16 committees and house and senate fiscal agencies.

17 (5) Each principal executive department and agency receiving funds
18 under this act shall provide to the department of management and budget a
19 monthly summary listing that identifies any authorizations for personal
20 service contracts that are provided to the department of civil service
21 pursuant to delegated authority granted to each principal executive
22 department and agency related to personal service contracts. The depart-
23 ment of management and budget shall provide this monthly listing to the
24 house and senate appropriations committees and the house and senate
25 fiscal agencies.

HB5589, As Passed House, April 29, 1998

Sub. H.B. 5589 (H-1) as amended April 29, 1998

26

1 (6) All reporting and provision of information by the department of
2 management and budget referred to in this section shall be as provided in
3 House Bill No. 5595 of the 89th Legislature.

4 Sec. 215. The negative appropriation in part 1 for early retirement
5 compensation savings represents general fund savings from the state's
6 1997 early retirement program. Not later than October 15, 1998, the
7 department and the state budget director shall request legislative trans-
8 fers under section 393(2) of the management and budget act, 1984 PA 431,
9 MCL 18.1393, to apply the retirement costs and salary and fringe benefits
10 savings to the appropriated line items affected by the early retirement

HB5589, As Passed House, April 29, 1998

Sub. H. B. 5589 (H-1) as amended April 29, 1998 27 (1 of 2)

1 Sec. 217. The department shall provide an annual report on the
2 total amount of funds received from responsible parties and legal
3 settlements, and the disposition of these funds.

4 Sec. 218. Within 10 working days after the formal presentation of
5 the executive budget for the state fiscal year ending September 30, 2000,
6 each principal department or agency receiving funds under this act shall
7 identify and report to the house and senate standing committees on appro-
8 priations and to the house and senate fiscal agencies the source of all
9 federal funds and restricted funds that the principal department or
10 agency proposes to receive as a grant or proposes to transfer to another
11 principal department or agency during that fiscal year.

12 Sec. 219. The department shall receive and retain copies of all
13 reports funded from part 1 appropriations.

14 Sec. 220. With money appropriated in part 1, the department shall
15 maintain a centralized information tracking system for environmental
16 audit voluntary disclosure reports, oil and gas complaints and viola-
17 tions, and wetlands complaints and violations.

18 Sec. 221. (1) The department shall, by April 1, 1998, report to the
19 senate and house of representatives appropriations subcommittees on natu-
20 ral resources and environmental quality regarding the number of freedom
21 of information act requests received and fulfilled, the time period for
22 response to freedom of information act requests, and the reasons for
23 denials of freedom of information act requests.

24 (2) As used in this section, "freedom of information act" means the
25 freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

[Sec. 222. (1) With the funds appropriated in part 1, the department shall convene a task force on environmental equity and justice. The task force shall consist of 17 members representing the house standing committee on constitutional and civil rights, the black caucus of the house of representatives, nonprofit environmental advocacy organizations, the medical community, nonprofit civil rights organizations, urban and rural communities, higher educational institutions, residents of predominantly minority counties, and a representative of department permitting programs. Staff support for this task force is to be provided by the department. Task force members shall serve without compensation, but shall be reimbursed for travel and per diem expenses.

(2) The task force shall determine whether economically disadvantaged or low-income populations and communities have experienced or are likely to experience disproportionate adverse environmental or human health impacts as a result of state government environmental policies, permits or other actions. The task force shall also recommend ways to prevent, minimize and mitigate any such impacts. The task force on environmental equity and justice shall examine the issue of environmental equity and justice in Michigan and make appropriate recommendations in a report to the speaker of the house of representatives and to state and local government units not later than June 1, 1999.

Sec. 223. (1) In addition to the funds appropriated for the environmental cleanup and redevelopment program listed in section 101, the department of environmental quality is authorized to

expend amounts remaining from prior fiscal year appropriations to meet funding needs of legislatively approved sites.

(2) Unexpended and unencumbered amounts remaining from appropriations for the environmental response program contained in 1989 PA 180, 1990 PA 55, 1990 PA 194, 1991 PA 31, 1991 PA 160, 1993 PA 74, 1993 PA 353, 1994 PA 442, and 1996 PA 353 are appropriated for expenditure for any site listed in this act and any site listed in the public acts referenced in this subsection.

(3) Unexpended and unencumbered amounts remaining from appropriations for the environmental cleanup and pollution prevention program contained in 1996 PA 319, 1997 PA 113, and 1997 PA 114 are appropriated for expenditure for any site listed in this act and any site listed in the public acts referenced in this subsection.

(4) Unexpended and unencumbered amounts remaining from appropriations for the leaking underground storage tank cleanup program contained in 1997 PA 113 and 1997 PA 114 are appropriated for expenditure for any site listed in this act and any site listed in the public acts referenced in this subsection.

(5) The department of environmental quality shall provide an annual report by April 1, 1999 to the state budget director, the house and senate standing committees on natural resources and environmental quality, and the house and senate fiscal agencies that separately identifies the expenditures authorized by this section from the revenues available from the environmental bond fund, the unclaimed bottle deposit fund, and the cleanup and redevelopment fund.]

05374'98 (H-1)

HB5589, As Passed House, April 29, 1998

3 senate and house of representatives appropriations committees and to the
4 senate and house fiscal agencies. The report shall include both of the
5 following:

6 (a) The amount of contributions, gifts, bequests, grants, and dona-
7 tions received by the department for the fiscal year ending September 30,
8 1998.

9 (b) A listing of the expenditures made from the amounts received as
10 reported in subdivision (a).

11 GEOLOGICAL SURVEY

12 Sec. 401. The total appropriation in section 105 from oil and gas
13 privilege fee revenue for fiscal year 1998-99 is \$8,648,100.00 in the
14 geological survey division. If total estimated revenue for fiscal year
15 1998-99 is expected to be less than the total appropriation, programs
16 shall be reduced on an equal basis throughout the division.

17 Sec. 402. From the funds appropriated in section 105 for services
18 to oil and gas programs, \$180,000.00 may be transferred to the department
19 of agriculture to establish a program for monitoring oil and gas produc-
20 tion meters pending enactment of House Bill Nos. 5294 and 5399 of the
21 89th Legislature.

22 Sec. 403. From the increase of oil and gas surveillance fees, as a
23 result of enactment of House Bill Nos. 5294 and 5399 of the 89th
24 Legislature, the department shall provide the necessary technology and
25 assistance to the public service commission, the department of natural

1 resources, and the department of treasury to implement the uniform
2 reporting requirements relating to oil and gas volumes and values pursu-
3 ant to recommendations of the state auditor general's performance audit
4 of oil and natural gas production reporting.

5 **LAND AND WATER MANAGEMENT**

6 Sec. 501. It is the intent of the legislature that ongoing program
7 activities of the land and water management division, except for the
8 accelerated land and water permit process, not receive land water manage-
9 ment and permit fee revenue to address potential funding shortfalls in
10 those programs.

11 Sec. 502. If wetland fees are not enacted into law in an amount
12 that equals \$225,000.00, adjustments to balances, revenues, and appropri-
13 ations shall be made in proportion to the actual revenue realized under
14 enacted legislation.

15 Sec. 503. The \$100,000.00 appropriation in section 106 for volun-
16 teer river, stream, and creek cleanup programs shall be distributed on a
17 statewide basis to volunteer organizations for stream, river, and creek
18 cleanup projects. Funds shall be distributed through a simplified appli-
19 cation process providing up to \$5,000.00 to organizations that provide a
20 50% match. Priority shall be given to existing volunteer organizations
21 and targeted to those watersheds with documented pollution problems.

[Sec. 504. The \$156,900.00 appropriation in section 106 for the Rouge education project shall be distributed to the Friends of the Rouge to develop and implement education programs and citizen involvement activities in Highland Park and Detroit. This 2 year effort shall establish a Rouge education program at Highland Park high school, Highland Park junior high school, and the Barber focus school for math/science/technology. Workshops shall be conducted to facilitate community awareness of environmental problems, and a vacant lot reclamation program shall be created to demonstrate how community action can improve its physical environment and provide youth learning opportunities.]

1 AIR QUALITY

2 Sec. 601. From the funds appropriated in section 107, the depart-
3 ment shall report on the status of implementation planning and permit
4 backlog reduction activities under part 55 of the natural resources and
5 environmental protection act, 1994 PA 451, MCL 324.5501 to 324.5542,
6 including status of revenue collections, on an annual basis. The report
7 shall be provided to the house of representatives and senate appropria-
8 tions subcommittees on natural resources and environmental quality, the
9 standing committees of the house of representatives and the senate that
10 are responsible for issues pertaining to air quality, and the governor on
11 or before March 1, 1999.

12 SURFACE WATER QUALITY

13 Sec. 701. The appropriation in section 108 for the surface water
14 permits program includes \$1,500,000.00 to reduce the backlog of discharge
15 permits. The department shall prioritize its use of funds to ensure the
16 elimination of the backlog of those permits that result in discharges
17 into surface waters where public health problems have arisen and recrea-
18 tional use of the surface water curtailed. This backlog shall be elimi-
19 nated by September 30, 1999.

20 Sec. 702. Of the funds appropriated in section 108 for surface
21 water surveillance, a minimum of \$250,000.00 shall be designated for
22 grants to local organizations for water quality monitoring activities.

23 Sec. 703. From the appropriation in section 108 for surface water
24 quality monitoring, not more than \$50,000.00 shall be expended to create
25 a combined sewer overflow data base. Public access to this data base and

1 testing protocols to assess the impact of combined sewer overflows shall
2 be provided within 6 months after the effective date of this act.

3 DRINKING WATER

4 Sec. 801. Of the total funds appropriated in section 109 for the
5 office of groundwater planning and special services, the department shall
6 assign 1.0 FTE position and \$103,500.00 from water use reporting fees or
7 state general fund/general purpose to continue implementation of 1990
8 PA 326 and 1990 PA 327. The department will report to the house of rep-
9 resentatives and senate appropriations subcommittees on natural resources
10 and environmental quality by September 30, 1999, regarding the progress
11 in implementation of these acts.

12 Sec. 802. Of the settlement funds appropriated in section 109,
13 \$275,000.00 shall be designated for the center for applied environmental
14 research and outreach at the University of Michigan - Flint to address
15 land use, watershed, brownfield, and groundwater issues in the Genesee
16 valley region. Funds shall not be expended for this project until all
17 previous appropriations and settlement funds in 1997 PA 113 have received
18 revenues.

[Sec. 803 The appropriation in section 109 for drinking water rate assessment shall be used to hire an engineering service to audit the financial condition of the Highland Park water department, and determine the appropriate rate for residential and commercial water users to assure the financial integrity of the public water supply bond program.]

19 LOW LEVEL RADIOACTIVE WASTE AUTHORITY

20 Sec. 901. Of the funds appropriated in section 101 for low level
21 radioactive waste authority, the department shall work with the public
22 service commission in preparing a study to evaluate the effects that
23 utility deregulation will have on the generation of high and low level

HB5589, As Passed House, April 29, 1998

House Bill No. 5589

3 ENVIRONMENTAL ASSISTANCE

- 4 Sec. 1201. The funds appropriated in section 114 for community

HB5589, As Passed House, April 29, 1998

5 right-to-know information shall be used to provide reports for metropoli-
6 tan areas and counties in support of the department's efforts to estab-
7 lish and provide public access to the centralized database for the sur-
8 face water, air quality, environmental response, waste management, and
9 underground storage tank divisions. The community environmental aware-
10 ness project shall be guided by the general public, affected communities,
11 businesses, and environmental organizations.

12 CRIMINAL INVESTIGATIONS

13 Sec. 1301. The department shall provide training in support of
14 local efforts to regulate solid waste disposal. Department environmental
15 conservation officers shall be directed to help train law enforcement
16 officers and other enforcement personnel to develop community partner-
17 ships to combat illegal dumping at the local level.

18 GRANTS

19 Sec. 1401. If a certified health department does not exist in a
20 city, county, or district or does not fulfill its responsibilities under
21 part 117 of the natural resources and environmental protection act, 1994

House Bill No. 5589

38

1 PA 451, MCL 324.11701 to 324.11719, then the department may spend funds
2 appropriated in section 116 under the septage waste compliance program in
3 accordance with section 11716 of part 117 of the natural resources and
4 environmental protection act, 1994 PA 451, MCL 324.11716.

5 Sec. 1402. Of the funds appropriated in section 116 for Great Lakes
6 research and protection fund grants, the department shall designate
7 \$100,000.00 for research on the adequacy of department standards to pro-
8 tect children's health. The department shall recommend changes in air,
9 water, and waste standards in a report to the legislature to promote the
10 protection of Michigan children from environmental pollution. This
11 report shall be provided to the house and senate standing committees on
12 appropriations by September 30, 1999.

13 Sec. 1403. The appropriations in section 116 for water pollution
14 control and drinking water revolving fund shall not be encumbered or
15 expended until the department has reported to the house and senate appro-
16 priations subcommittees on natural resources and environmental quality
17 those projects that have been approved for expenditure under this
18 program.

19 Sec. 1404. Loans provided by the water pollution control revolving
20 fund pursuant to the appropriation in section 116 are to be repaid on
21 schedule and penalties shall be assigned for delinquent repayment as pro-
22 vided in part 53 of the natural resources and environmental protection
23 act, 1994 PA 451, MCL 324.5301 to 324.5316.

24 Sec. 1405. From funds appropriated in section 116, the department
25 shall make available training programs to help businesses correct unper-
26 mitted groundwater discharges. The department shall report by
27 September 30, 1999 to the house of representatives and senate
