A SUMMARY OF HOUSE BILL 5222 AS INTRODUCED 1-19-00

Public Act 363 of 1998 conveyed a parcel of land that once encompassed the site of the former Boys Training School in the City of Lansing to the city. The act specified that, if the property were not sold to the City of Lansing within one year of the act's effective date, the Department of Management and Budget would have to offer it for sale on the open market. House Bill 5222 would amend the act to specify that the city would have until one year after the bill's effective date, or until March 31, 2001, whichever occurred sooner, to purchase the property.
