14 examination and approved guidelines and criteria for use in the
15 development or selection of subject area examinations.

16 (8) For the purposes of this section, the state board, based
17 upon criteria recommended pursuant to subsection (9), shall
18 develop, select, or develop and select 1 or more basic skills
19 examinations and subject area examinations. In addition, the
20 state board, based upon criteria recommended pursuant to subsec-

22 and a reading subject area examination.

23 (9) The state board shall appoint an 11-member teacher exam-

12 tion (7), may develop an examination at its own expense for
13 approval by the state board. An approved teacher education
14 institution that develops its own examination is liable for any
15 litigation that results from the use of its examination.

16 (10) The state board shall appoint a 7-member standing tech-

6 this section may be taken at different times during an approved
7 teacher preparation program, but the basic skills examination
8 must be passed before a person is enrolled for student teaching
9 and the elementary certification examination and the subject area
10 examinations, as applicable, must be passed before a person is
11 recommended for certification.

12 (13) The department, or if approved by the state board, a
13 private testing service, may assess fees for taking the basic
14 skills examination, elementary certification examination, and the

18 subject area examination. However, if a subject area examination
19 for vocational education includes a performance examination, an
20 additional fee may be assessed for taking the performance exami-
21 nation, not to exceed the actual cost of administering the per-
22 formance examination. Fees received by the department shall be
23 expended solely for administrative expenses that it incurs in
24 implementing this section.

25 (14) If a person holding a teaching certificate from another
26 state applies for a Michigan teaching certificate and meets all
27 requirements for the Michigan teaching certificate except passage

1 of the appropriate examinations under subsection (3), the state
2 board shall issue a nonrenewable temporary teaching certificate,
