The People of the State of Michigan enact:

Sec. 248. (1) A dealer license shall not be granted under this section until an investigation is made of the applicant's qualifications under this act, except that this subsection does not apply to license renewals. The secretary of state shall make the investigation within 15 days after receiving the application and make a report on the investigation.

(2) An applicant for a new vehicle dealer or a used or secondhand vehicle dealer or broker license shall include a properly executed bond or renewal certificate with the application. If a renewal certificate is used, the bond is considered renewed for each succeeding year in the same amount and with the same effect as an original bond. The bond shall be in the sum of \$10,000.00 with good and sufficient surety to be approved by the secretary of state. The bond shall indemnify or reimburse a purchaser, seller, financing agency, or governmental agency for monetary loss caused through fraud, cheating, or misrepresentation in the conduct of the vehicle business whether the fraud, cheating, or misrepresentation was made by the dealer or by an employee, agent, or salesperson of the dealer. The surety shall make indemnification or reimbursement for a monetary loss only after judgment based on fraud, cheating, or misrepresentation has been entered in a court of record against the licensee. The bond shall also indemnify or reimburse the state for any sales tax deficiency as provided in the general sales tax act, 1933 PA 167, MCL 205.51 to 205.78, or use tax deficiency as provided in the use tax act, 1937 PA 94, MCL 205.91 to 205.111, for the year in which the bond is in force. The surety shall make indemnification or reimbursement only after final judgment has been entered in a court of record against the licensee. A dealer or applicant who has furnished satisfactory proof that a bond similar to the bond required by this subsection is executed and in force is exempt from the bond provisions set forth in this subsection. The aggregate liability of the surety shall not exceed the sum of the bond. The surety on the bond may cancel the bond upon giving

30 days' notice in writing to the secretary of state and thereafter is not liable for a breach of condition occurring after the effective date of the cancellation.

(4) As a condition precedent to the granting of a license, a dealer shall file with the secretary of state an irrevocable written stipulation, authenticated by the applicant, stipulating and agreeing that legal process affecting the dealer, served on the secretary of state or a deputy of the secretary of state, has the same effect as if personally served on the dealer. This appointment remains in force as long as the dealer has any outstanding liability within this state.

(5) A person shall not carry on or conduct the business of buying, selling, brokering, or dealing in vehicles of a type required to be titled under this act unless the person obtains a dealer license from the secretary of state authorizing the carrying on or conducting of that business. A person shall not carry on or conduct the business of buying, selling, brokering, or dealing in distressed, late model vehicles or salvageable parts unless the person obtains a used or secondhand vehicle parts dealer, an automotive recycler, or a salvage pool license from the secretary of state or is an insurance company admitted to conduct business in this state. A person shall not carry on or conduct the business of buying vehicles to process into scrap metal or store or display vehicles as an agent or escrow agent of an insurance company unless the person obtains a dealer license from the secretary of state. A vehicle scrap metal processor who does not purchase vehicles or salvageable parts from unlicensed persons is not required to obtain a dealer license. A person from another state shall not purchase, sell, or otherwise deal in distressed, late model vehicles or salvageable parts unless the person obtains a foreign salvage vehicle dealer license from the secretary of state as prescribed under section 248b. A person, including a dealer, shall not purchase or acquire a distressed, late model vehicle or a salvageable part through a salvage pool, auction, or broker without a license as a salvage vehicle agent. The secretary of state shall investigate and seek prosecution, if necessary, of persons allegedly conducting a business without a license.
