- (k) "EPA" means the United States environmental protection agency.
- (l) "EPA-GWDW" means the EPA groundwater drinking water.
- (m) "EPA-LUST trust" means the EPA leaking underground storage tank trust fund.
- (n) "EPA, radon" means the EPA radon grants.
- (o) "EPA-UST" means the EPA underground storage tank.
- (p) "FEMA" means the federal emergency management agency.
- (q) "FTE" means full-time equated.
- (r) "GIS" means geographic information system.
- (s) "IDG" means interdepartmental grant.
- (t) "IDT" means intradepartmental transfer.
- (u) "MDCH" means the Michigan department of community health.
- (v) "MDSP" means the Michigan department of state police.
- (w) "MI" means Michigan.
- (x) "MUSTFA" means the Michigan underground storage tank financial assurance fund.
- (y) "NPL" means the federal national priority list.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

Sec. 205. (1) Beginning October 1, a hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department or to positions that are funded with 80% or more federal or restricted funds.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services. The state budget director shall report by the fifteenth of each month to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the justification for the exception.

Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$30,000,000.00 for federal contingency funds. (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$5,000,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

(4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months.

Sec. 208. The department shall continue to pilot the use of the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on the Internet or legislative Intranet site. The senate and house of representatives appropriations subcommittees and senate and house fiscal agencies shall be notified in writing of the Internet or Intranet site of any such report. Quarterly, the department shall provide a cumulative listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, and a list of those reports expected to be transmitted in the following quarter.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

Sec. 211. (1) From funds appropriated under part 1, the department shall prepare a report that lists all of the following regarding grant or loan or grant and loan programs administered by the department for the fiscal year ending on September 30, 2001:

(a) The name of each program.

(b) The goals of the program, the criteria, eligibility, process, filing fees, nominating procedures, and deadlines for each program.

(c) The maximum and minimum grant and loan available and whether there is a match requirement for each program.

(d) The amount of any required match, and whether in-kind contributions may be used as part or all of a required match.

(e) Information pertaining to the application process, timeline for each program, and the contact people within the department.

(f) The source of funds for each program, including the citation of pertinent authorizing acts.

(g) Information regarding plans for the next fiscal year for the phaseout, expansion, or changes for each program.

(h) A listing of all recipients of grants or loans awarded by the department by type and amount of grant or loan.

(2) The reports required under this section shall be submitted to the senate and house of representatives appropriations committees and senate and house fiscal agencies by January 1, 2001.

Sec. 212. By February 15, 2001, the department shall provide the state budget director, the subcommittees on natural resources and environmental quality of the house and senate appropriations committees, and the senate and house fiscal agencies with an annual report on restricted fund balances, projected revenues, and expenditures for the fiscal years ending September 30, 2000 and September 30, 2001.

Sec. 213. The department shall provide an annual report on the total amount of funds received from responsible parties and legal settlements, and the disposition of these funds. Included in the report shall be a listing of the individual settlement cases, the location of the facilities involved, the type of violation committed, and the amount of funds received.

Sec. 214. The department shall notify the legislature and offer a public meeting and public comment opportunity with respect to any request received by the state of Michigan to divert water from the Great Lakes pursuant to the water resources development act of 1986, Public Law 99-665, 100 Stat. 4082.

Sec. 215. The department shall provide a report prepared by the department's internal auditor on the activities of the internal auditor for the prior fiscal year. This report shall include a listing of each audit or investigation performed by the internal auditor pursuant to sections 486(4) and 487 of the management and budget act, 1984 PA 431, MCL 18.1486 and 18.1487. The report shall identify the proportion of time spent on each of the statutory responsibilities listed in sections 485(4), 486(4), and 487 of the management and budget act, 1984 PA 431, MCL 18.1485, 18.1486, and 18.1487, and the time spent on all other activities performed in the internal audit function. The first report shall be due March 1, 2000, and biennially thereafter beginning on May 1 and shall be submitted to the governor, auditor general, the senate and house appropriations committees, the senate and house fiscal agencies, and the director.

Sec. 216. The departments and state agencies receiving appropriations under this act shall receive and retain copies of all reports funded from appropriations in part 1. These departments and state agencies shall follow federal and state guidelines for short-term and long-term retention of these reports and records.

Sec. 217. The state budget director shall provide a list of proposed work projects funded, in whole or in part, from appropriations in this act to the house and senate appropriations committees on November 15, 2000. This list shall provide detailed information including a description of project activities and services, the total work project funding level, spending for the fiscal year ending September 30, 1999, and the amount of budget authority required to complete the project.

Sec. 218. A joint legislative work group on court settlements is established. This work group shall consist of representatives of the house and senate standing committees and the house and senate appropriations subcommittees on natural resources and environmental quality. Members shall be appointed on a bipartisan basis by the speaker of the house of representatives and the senate majority leader. Assistance and staff support to the work group may be provided by the house and senate fiscal agencies. The work group shall issue a report on December 15, 2000 to the members of the legislature that includes a strategy for disbursing settlement revenue to impacted local governmental units in a manner consistent with court settlement agreements.

Sec. 219. (1) The department shall report all of the following information relative to allocations made in part 1 for the environmental cleanup and redevelopment program, state cleanup, emergency actions, superfund cleanup, the revitalization revolving loan program, the brownfield grants and loans program, the leaking underground storage tank cleanup program, the contaminated lake and river sediments cleanup program, and the environmental protection bond projects under section 19508(7) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.19508, to the state budget director, the senate and house of representatives appropriations subcommittees on environmental quality, and the senate and house fiscal agencies:

(a) The name and location of the site for which an allocation is made.

(b) The nature of the problem encountered at the site.

(c) A brief description of how the problem will be resolved if the allocation is made for a response activity.

(d) The estimated date that site closure activities will be completed.

(e) The amount of the allocation, or the anticipated financing for the site.

(f) A summary of the sites and the total amount of funds expended at the sites at the conclusion of the fiscal year.

(g) The number of sites that would qualify as brownfields that were redeveloped.

(2) The report prepared under subsection (1) shall also include all of the following:

(a) The status of all state-owned facilities that are on the list compiled under part 201 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20142.

(b) The report shall include the total amount of funds expended during the fiscal year and the total amount of funds awaiting expenditure.

(c) The total amount of bonds issued for the environmental protection bond program pursuant to part 193 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.19301 to 324.19306, and bonds issued pursuant to the clean Michigan initiative act, 1998 PA 284, MCL 324.95101 to 324.95108.

(3) The report shall be made available by March 31 of each year.

Sec. 220. By September 30, 2001, the department shall make electronically available via the department website, a report of its efforts to implement the recommendations contained in the Michigan environmental science board report entitled "Analysis of the Michigan Department of Environmental Quality Administered Environmental Standard to Protect Children's Health" dated February 2000, which shall include the following efforts to include scientific and risk assessment staff from other state agencies to address children's health issues that cross agency jurisdictional boundaries, initiatives to evaluate exposure concerns resulting from contaminated soils, and data collection and risk assessment development processes for hazardous indoor and outdoor air pollutants.

Sec. 221. Of the money appropriated from the environmental education fund in section 102, \$5,000.00 shall be allocated to Michigan State University Extension Service - 4-H Youth Programs to fund the Michigan Youth Conservation Council.

LAND AND WATER MANAGEMENT

Sec. 301. The department shall collect Great Lakes bottomland permit fees uniformly and fairly from commercial and noncommercial users of the Great Lakes bottomlands.

Sec. 303. By July 1, 2001, the department shall make or cause to be made a grant request to the Michigan Great Lakes protection fund for the purpose of an inventory of Michigan wetlands in counties contiguous to the Great Lakes and their connecting waters. The grant request may also include plans for the inventory of all remaining wetlands in this state on a county-by-county basis. Upon completion, the inventory shall be filed with the agricultural extension office, register of deeds, and county clerk as required by section 30321 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.30321.

AIR QUALITY

Sec. 401. The department shall report quarterly, via the department's Internet website, on air quality program expenditures and revenues. The report shall include expenditures and revenues by fund source, and by program function.

SURFACE WATER QUALITY

Sec. 501. Of the funds appropriated in section 108 for surface water surveillance, a minimum of \$250,000.00 shall be designated for grants to local organizations for water quality monitoring activities.

Sec. 502. (1) The department, in conjunction with the department of natural resources, shall provide a report on the impact of non-native, aquatic nuisance species and other non-native species on the natural resources and environment of the state. The report shall include recommendations for reducing or eliminating the negative impacts of such species on the natural resources and the environment of the state, and recommendations on how to prohibit new introductions of non-native aquatic nuisance species and other non-native species.

(2) The report required in subsection (1) may be included as a part of any report the department is required to prepare that assesses the status of and trends related to the overall state of the natural environment in the state. The report shall be submitted to the governor, to the standing committees of the legislature with jurisdiction over issues primarily related to natural resources and the environment, and to the senate and house appropriations subcommittees on environmental quality and natural resources. The report shall be submitted not later than October 1, 2001.

DRINKING WATER

Sec. 601. The department shall provide quarterly reports to the legislature on the revenues received and expenditures made by the drinking water and environmental units within the laboratory services appropriation line. The information shall include the types of tests conducted, the number of tests conducted at no charge, and the allocation of the general fund appropriation for each unit.

Sec. 602. The appropriation in part 1 for groundwater use reporting shall support the cost of developing a groundwater database needed to model the demands of irrigation wells on groundwater aquifers and the impacts of irrigation well systems on domestic water supplies.

ENVIRONMENTAL RESPONSE

Sec. 701. From the appropriations in part 1 for the environmental cleanup and redevelopment program under part 201 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20142, the department shall continue to make authorizations for response activities at environmental contamination sites and for the administration of the environmental cleanup and redevelopment program.

Sec. 702. The unexpended portion of the appropriation in part 1 for the state cleanup program, environmental cleanup and redevelopment program, emergency cleanup action, NPL - municipal landfill match grants, state cleanup, and superfund cleanup projects is considered work project appropriations and any unencumbered or unallotted funds are carried forward into the succeeding fiscal year. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

- (a) The purpose of the projects to be carried forward is to provide contaminated site cleanup.
- (b) The projects will be accomplished by contract.
- (c) The total estimated cost of all projects is identified in each line-item appropriation.
- (d) The tentative completion date is September 30, 2005.

Sec. 703. Of the funds appropriated in section 111 as state match for the superfund cleanup program, an amount not to exceed \$250,000.00 shall be expended as state match for the hazardous substance research center.

Sec. 705. The funds appropriated in section 111 for the environmental cleanup and redevelopment program shall be used to fund redevelopment and cleanup activities on the following sites:

STORAGE TANKS

Sec. 801. (1) The funds appropriated in part 1 from the Michigan underground storage tank financial assurance fund for the purpose of carrying out the duties and responsibilities as specified in part 215 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.21501 to 324.21551, are considered work project appropriations and any unencumbered funds are carried forward into the succeeding fiscal year. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the projects to be carried forward is to carry out the responsibilities of part 215 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.21501 to 324.21551.

(b) The projects will be accomplished by contract and state employees.

(c) The total estimated cost is identified in a line-item appropriation.

(d) The tentative completion date is September 30, 2005.

(2) The Michigan underground storage tank financial assurance policy board shall allocate the amount of the underground storage tank financial assurance fund to be distributed to the department. If the amount recommended by the board is less than that appropriated in section 112, expenditures shall be adjusted accordingly.

(3) Included in the amounts appropriated in part 1 from the Michigan underground storage tank financial assurance fund are amounts sufficient to pay debt service costs on the bonds or notes issued pursuant to part 215 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.21501 to 324.21551.

Sec. 802. The department shall report to the state budget director, the senate and house of representatives appropriations subcommittees on environmental quality, and the senate and house fiscal agencies no later than October 31, 2001 on the Michigan underground storage tank financial assurance fund. The report shall include the fund balance, estimate of available revenues, number and dollar value of claims processed through September 30, 2000, and total estimated claims liability through December 22, 2002.

Sec. 803. The unexpended portion of the appropriation in part 1 for the leaking underground storage tank cleanup program is considered work project appropriations and any unencumbered or unallotted funds are carried over into the succeeding fiscal year. The following is in compliance with section 451a(1) of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the projects to be carried over is to provide for redevelopment and contaminated site cleanup.

(b) These projects will be accomplished by contract.

(c) The total estimated costs of all projects is identified in each line-item appropriation.

(d) The tentative completion date for these projects is September 30, 2005.

WASTE MANAGEMENT

Sec. 901. The appropriation in part 1 for pollution prevention includes authorization for 1.0 FTE position and \$60,000.00 to provide technical assistance to organizations and businesses involved in recycling and composting.

Sec. 902. The department shall provide a report by September 30, 2001 to the house and senate appropriations subcommittees on environmental quality, and the house and senate fiscal agencies that summarizes the projects awarded, and related expenditures under the solid wastes alternatives program portion of the environmental protection bond implementation, of the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106. The report shall include an assessment of the accomplishments of the solid wastes alternatives program and its components.

ENVIRONMENTAL ASSISTANCE

Sec. 1001. With funds appropriated in part 1, the department shall continue to implement a community right-to-know project to facilitate convenient public access to information about the performance of individual facilities in complying with requirements of air, surface water, waste management, storage tank, and environmental response programs, and with any permits issued pursuant to these programs. The project shall also facilitate convenient public access to information about the overall quality of Michigan's air, water, groundwater, and drinking water and the generation of municipal solid waste and regulated hazardous waste. In implementing this section, the department shall

consult with interested stakeholders on a periodic basis, including, but not limited to, industrial and environmental group representatives.

Sec. 1002. The appropriation in part 1 for low-income community wastewater assistance shall be provided to the Michigan community action agency association. This appropriation enables the association to expand and maintain rural community assistance program services to all Michigan counties.

Sec. 1003. The department shall develop a strategy to expand the use of tire-derived fuels by public utilities, governmental units, and private industry as a means of eliminating accumulated scrap tires. The tire-derived fuel strategy shall be submitted to the house and senate appropriations subcommittees on environmental quality on or before March 1, 2001.

CRIMINAL INVESTIGATIONS

Sec. 1101. The department shall provide training in support of local efforts to regulate solid waste disposal. Department environmental conservation officers shall be directed to help train law enforcement officers and other enforcement personnel to develop community partnerships to combat illegal dumping at the local level.

GRANTS

Sec. 1201. If a certified health department does not exist in a city, county, or district or does not fulfill its responsibilities under part 117 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.11701 to 324.11719, then the department may spend funds appropriated in part 1 under the septage waste compliance program in accordance with section 11716 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.11716.

Sec. 1202. Loans provided by the water pollution control revolving fund pursuant to the appropriation in part 1 are to be repaid on schedule, and penalties shall be assigned for delinquent repayment as provided in part 53 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.5301 to 324.5316.

Sec. 1203. Of the amount of money appropriated in part 1 for scrap tire grants, \$100,000.00 shall be available for grants to communities to cover scrap tire fire suppression costs, provided owner liability bonds and other available funding sources have been exhausted.

This act is ordered to take immediate effect.

Clerk of the House of Representatives.

Secretary of the Senate.
