State Fiscal Impact

Cost	Indeterminate/Increase
Revenues	Indeterminate/Increase

Local Fiscal Impact

Cost	None
Revenues	None

The bill would require respiratory therapists to be registered with the State and would create a 7-member Michigan Board of Respiratory Care to establish and registration requirements. These provisions would increase costs to the state by an amount dependent upon the number of applicants for registration. To at least partially offset these costs, the bill would assess a \$20 application processing fee and a \$75 annual registration fee on individuals registering or seeking registration as a respiratory therapist, thus increasing state revenue.
