PART 2

PROVISIONS CONCERNING APPROPRIATIONS

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state resources under part 1 for fiscal year 2002-2003 is \$77,749,800.00 and state spending from state resources to be paid to local units of government for fiscal year 2002-2003 is \$3,315,800.00. The itemized statement below identifies appropriations from which spending to units of local government will occur:

DEPARTMENT OF AGRICULTURE

Groundwater and freshwater protection program	\$ 1,800,000
Local conservation districts	1,465,800
Open space development rights easements payments	50,000
TOTAL	\$ 3,315,800

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in this act:

- (a) "DAG" means the United States department of agriculture.
- (b) "DAG-NRCS" means the United States department of agriculture natural resources conservation service.
- (c) "Department" means the department of agriculture.
- (d) "Director" means the director of the department.
- (e) "EPA" means the United States environmental protection agency.
- (f) "FTE" means full-time equated.
- (g) "HHS-FDA" means the United States department of health and human services food and drug administration.
- (h) "IDG" means interdepartmental grant.
- (i) "MDCH" means the Michigan department of community health.
- (j) "MDCIS (LCC)" means the Michigan department of consumer and industry services liquor control commission.
- (k) "MDEQ" means the Michigan department of environmental quality.
- (1) "MDNR" means the Michigan department of natural resources.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

- Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.
- (2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause a loss of revenue to the state, result in the inability of the state to receive federal funds, or would necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report quarterly to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous quarter and the reasons to justify the exception.
 - (3) The hiring freeze does not apply to the animal industry program.
- Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$5,000,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$6,000,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months.

Sec. 208. Unless otherwise specified, the department shall use the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site. Quarterly, the department shall provide to the appropriations subcommittees members, the fiscal agencies, and the state budget office an electronic and paper copy listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, if any.

- Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.
- Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.
- Sec. 211. (1) The unexpended and unobligated balance of any state restricted fund or account remaining at the end of the fiscal year shall revert back to the state restricted fund or account from which appropriated and be available for appropriation for the next fiscal year. Appropriations that revert to a state restricted fund or account pursuant to this section shall not revert to the general fund of this state.
- (2) A state restricted revenue fund or account that receives revenues in excess of expenditures made from that state restricted revenue fund or account shall not have the excess revenue revert to the general fund of this state.
- (3) The revenues collected in the agriculture equine industry development fund in fiscal year 2001-2002 shall not lapse but shall be carried forward to fund appropriations made pursuant to this act and subsequent acts.
- Sec. 212. (1) Of the funds appropriated in part 1, the department may provide for indemnity as provided for pursuant to the animal industry act of 1987, 1988 PA 466, MCL 287.701 to 287.747, not to exceed \$100,000.00 per order from any line item for the fiscal year ending September 30, 2003. Before the department provides for an indemnification under this section, the department shall report the reason for the indemnification, the amount of the indemnification, and to whom the indemnification is to be paid. The report shall be given to each member of the house and senate appropriations subcommittees on agriculture and to the senate and house fiscal agencies and the state budget director.
- (2) The department of agriculture shall make an indemnification payment for the fair market value of livestock that is killed by a wolf or coyote, if the kill is verified by the department of natural resources. The fair market value of the livestock shall be determined pursuant to the indemnification procedures prescribed in the animal industry act, 1988 PA 466, MCL 287.701 to 287.747. In addition to the funds appropriated in part 1, the department of agriculture is authorized to expend the funds received from the department of natural resources to reimburse the department of agriculture for all indemnification payments made pursuant to this subsection.
- (3) All indemnification payments for individual livestock or domestic animals within a herd, flock, or school shall be made pursuant to section 14 of the animal industry act, 1988 PA 466, MCL 287.714, based on 100% of the fair market value of that type of livestock or domestic animal, not to exceed \$4,000.00.
- (4) For those payments made from January 1, 1998, through October 31, 2000, the department shall calculate the difference between what was paid for every herd, flock, or school and the rate paid subsequent to October 31, 2000.
 - (5) The department shall use bovine TB work project revenue to implement this section.
- Sec. 213. When the department applies to the department of management and budget with a request for a transfer of appropriations or for a supplemental appropriation, the department shall provide the senate and house fiscal agencies with the same information that the department provides the department of management and budget relative to the request for transfer or supplemental.
- Sec. 214. Of the funds appropriated in part 1 that are other than line-item grants, the department shall not provide grants to local government agencies, institutions of higher education, or nonprofit organizations unless the department provides notice of the grant to the house and senate appropriations subcommittees on agriculture at least 10 days before the grant is issued. The grants shall be used to support research or other related activities for the purpose of enhancing the agricultural industries in this state.
- Sec. 215. The legislature will not fund nonfair or nonhorse racing grants or projects from revenues from simulcasting in fiscal year 2002-2003.
- Sec. 216. The unexpended and unencumbered balance of revenue deposited pursuant to section 20 of the horse racing law of 1995, 1995 PA 279, MCL 431.320, for the fiscal year ending September 30, 2003, shall be appropriated to the Michigan agriculture equine industry development fund for distribution as set forth in section 20 of the horse racing law of 1995, 1995 PA 279, MCL 431.320.
- Sec. 219. From the funds appropriated in part 1 for information technology, the department shall pay user fees to the department of information technology for technology-related services and projects. Such user fees shall be subject to provisions of an interagency agreement between the department and the department of information technology.

- Sec. 220. Amounts appropriated in part 1 for information technology may be designated as work projects and carried forward to support technology projects under the direction of the department of information technology. Funds designated in this manner are not available for expenditure until approved as work projects under section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a.
- Sec. 224. (1) The negative appropriation for early retirement savings in part 1 shall be satisfied by savings realized from not filling all of the positions lost due to the early retirement plan for state employees enacted in 2002 PA 93 amendments to the state employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69.
- (2) The negative appropriation for budgetary savings in part 1 shall be satisfied by savings from the hiring freeze imposed under section 205, efficiencies, and other savings identified by the director and approved by the state budget director.
- (3) Appropriation authorization adjustments required to implement the negative appropriations for early retirement savings and budgetary savings shall be made only after the approval of transfers by the legislature under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- Sec. 225. (1) Subject to subsection (2), in addition to the amounts appropriated in part 1, the following amounts are appropriated for the fiscal year ending September 30, 2003:
 - (a) \$488,600.00 is appropriated to local conservation districts from the state general fund.
 - (b) \$158,200.00 is appropriated to the food bank council of Michigan from the state general fund.
 - (c) \$23,300.00 is appropriated to horse shows from the state general fund.
- (2) The appropriations in subsection (1) shall become effective only if the tax on cigarettes under the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, is increased by 30 cents or more per pack of cigarettes on or before September 30, 2002.

EXECUTIVE

Sec. 301. The appropriations in section 102 may be used for per diem payments to members of boards, committees, and commissions for a full day's board, committee, or commission work at which a quorum is present; for attending a hearing as authorized by the respective board, committee, or commission; or for performing official business as authorized by the respective board, committee, or commission. The per diem payments shall be at a rate as follows:

(a) Commission of agriculture	\$ 75.00 per day
(b) Upper Peninsula state fair board	50.00 per day
(c) Agricultural marketing and bargaining board	35.00 per day
(d) Michigan state fair council	50.00 per day
(e) Grape and wine industry council	50.00 per day

Sec. 302. The department may receive and expend revenue and use that revenue to cover necessary expenses related to publications, audit and licensing functions, livestock sales, certification of nursery stock, bean inspection services, and laboratory analyses as specified in the following:

- (a) Management services publications.
- (b) Management services audit and licensing functions.
- (c) Upper Peninsula state fair livestock sales.
- (d) Pesticide and plant pest management propagation and certification of virus free foundation stock.
- (e) Pesticide and plant pest management bean inspection and grading services.
- (f) Laboratory support testing for testing horses in draft horse pulling contests at county fairs when local jurisdictions request state assistance.
- (g) Laboratory support analyses to determine foreign substances in horses engaged in racing or pulling contests at tracks.
- (h) Laboratory support analysis of food, livestock, and agricultural products for disease, foreign products for disease, toxic materials, foreign substances, and quality standards.
 - (i) Laboratory support test samples for other agencies and organizations.
 - (j) Fruit and vegetable inspection at shipping and termination points and processing plants.

Sec. 303. Of the funds appropriated in part 1 for statistical reporting service, \$90,000.00 shall be used for surveys which include, but are not limited to, fruit, vegetables, and nursery stock, which encompasses Christmas trees and ornamental plants. The director of the Michigan department of agriculture is given authority to include other agricultural surveys such as turfgrass in the 3- to 5-year rotation. The survey shall include information such as existing plantings/acreage, new plantings/acreage, production, and number of growers.

FOOD AND DAIRY

Sec. 401. (1) The department shall monitor restaurant inspection and licensing functions carried out by local health departments to ensure uniform application and enforcement of minimum program requirements. On or before April 1, 2003, the department shall report to the senate and house appropriations subcommittees on agriculture, the senate and house fiscal agencies, and the state budget director on local health department conformance with minimum program requirements.

(2) If a local unit of government incurs additional costs resulting from its efforts to control a significant food-borne outbreak, the director shall seek additional resources to reimburse the local unit of government for these additional costs. The director shall involve the local health officer of the jurisdiction affected in all aspects of the control of any food-borne outbreak.

Sec. 402. Not later than April 1, 2003, the department shall provide a report to the house and senate appropriations subcommittees on agriculture and the house and senate fiscal agencies describing significant food-borne outbreaks and emergencies including any enforcement actions taken related to food safety during the 2001-2002 fiscal year.

Sec. 403. The department, in conjunction with the department of community health, shall assure that a process is in place that requires a local unit of government to obtain prior approval from the department before any reallocation or redistribution of program funds appropriated in section 104.

ANIMAL INDUSTRY

Sec. 450. From the funds appropriated in section 105 for the bovine tuberculosis program, the department of agriculture shall reimburse the department of natural resources for those costs associated with monitoring and testing wildlife for bovine tuberculosis that are necessary to support the department of agriculture goals and are jointly agreed to by the department of agriculture and the department of natural resources to be in excess of efforts necessary to effectively plan and execute the eradication of bovine tuberculosis from Michigan's wild free-ranging deer herd.

Sec. 451. From the funds appropriated in section 101 for bovine tuberculosis, the department shall pay for all whole herd testing costs to achieve and maintain split-state status requirements. These costs include producer assistance, indemnity, and compensation for injury causing death or downer to animals.

PESTICIDE AND PLANT PEST MANAGEMENT

Sec. 501. Of the funds appropriated in section 106 to the pesticide and plant pest management division, up to \$100,000.00 may be made available to the Michigan cooperative extension service for the purpose of training of applicators. Reimbursement shall be based on actual expenditures and revenue availability.

Sec. 503. The department is authorized to enter into a cooperative agreement with a nonprofit foundation or agency associated with the gypsy moth slow-the-spread program in order to receive funds for managing plant pests.

ENVIRONMENTAL STEWARDSHIP

Sec. 601. The funds appropriated in section 107 for the energy conservation program shall be distributed on a competitive basis that will be based on statewide energy conservation criteria.

Sec. 602. The department may expend the amount appropriated for migrant labor housing grants for construction of new migrant labor housing. Beginning October 1, 2002, project grants shall not exceed \$5,000.00 per unit. Beginning October 1, 2002, an applicant is not eligible for more than a \$20,000.00 grant in any fiscal year.

Sec. 603. The department shall apply for all federal funds for which it is eligible that can be used to support the migrant labor housing program.

Sec. 604. The appropriation in section 107 for local conservation districts shall be allocated in the following manner:

- (a) Of the total appropriation, \$130,000.00 shall be allocated for local conservation district training.
- (b) Of the total appropriation, each local conservation district meeting the minimum grant requirements shall receive a grant of \$20,000.00 to support basic operations, unless the district resides in a county consisting of multiple districts, in which case a \$20,000.00 grant shall be divided equally among the districts in that county. The amount of money allocated under this subdivision shall not be used by local conservation districts to replace any money received from local sources.
- (c) Of the remaining appropriation after distributions under subdivisions (a) and (b), additional grants, not to exceed \$20,000.00 per local conservation district, may be provided based on a formula approved by the commission of agriculture. Grants under this subdivision shall require at least a 100% cash or in-kind local match. Criteria used to distribute grants under this subdivision shall include, but are not limited to, the natural resources need, the size, and the population of the area served by each local conservation district.

Sec. 605. The appropriation in part 1 for open space development rights easement payments shall be used by the department only to reimburse local units of government for lost revenues associated with open space development rights easements under section 36105(2)(e) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.36105.

MARKET DEVELOPMENT

Sec. 701. Within the appropriations in part 1 for market development, \$603,000.00 is for the grape and wine industry council, from which the department may provide grants for the purposes as described in section 303 of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1303.

Sec. 702. In any given year when insufficient amounts of Michigan surplus products are offered to the food bank council and accepted for distribution, unused funds may be applied by the food bank council for the direct purchase of foods from Michigan growers, manufacturers, or wholesalers.

Sec. 704. Indirect costs may not be charged against the future farmers of America grant in section 109 by any administering agency.

Sec. 705. The appropriation in section 109 for the export market development program shall be used to coordinate state participation in the federal market access program and to leverage federal funds for the purpose of developing new and enhancing existing export markets for Michigan agricultural products.

Sec. 707. The department is authorized to receive and expend up to \$5,000,000.00 of utility company uncollectible allowance recovery fund resources which may be deposited into the agricultural development fund for the support of grants for value-added agricultural processing and agricultural production ventures in accordance with the Julian-Stille value-added act, 2000 PA 322, MCL 285.301 to 285.304. The agriculture development fund resources when certified as available by the department of treasury shall remain unallotted until such time as the state budget director has reviewed and approved a department submitted allotment schedule. Expenditures for support of agricultural processing and production ventures shall not exceed revenues received. Unexpended resources remaining in the fund at the end of the fiscal year shall remain in the fund and not lapse to the general fund.

FAIRS AND EXPOSITIONS

Sec. 801. The department shall submit a report each month to the state budget director, the senate and house appropriations subcommittees on agriculture, and the senate and house fiscal agencies that states the simulcasting revenues generated in the preceding month by each licensed track and the amount received from license fees.

Sec. 802. (1) The appropriation of \$297,100.00 in part 1 for standardbred purses and supplements - licensed tracks is intended to provide state purse supplements for 4 races at state licensed pari-mutuel horse racing tracks. The purse supplements are to be used for races comprised only of Michigan-bred horses segregated into a 4-year-old colt trot division, a 4-year-old filly trot division, a 4-year-old colt pace division, and a 4-year-old filly pace division.

(2) The appropriation in part 1 for licensed tracks - light horse racing shall be allocated as follows:

Arabian and Appaloosa horse racing	\$ 23,400
Quarter horse racing	70,100

Sec. 803. Included in the appropriation made in part 1 for the thoroughbred program is \$30,500.00 for the Michigan united thoroughbred breeders and owners association to conduct a thoroughbred yearling show. The Michigan united thoroughbred breeders and owners association shall submit to the department an itemized list of expenses showing that the expenses of the yearling show were paid.

Sec. 804. From the funds appropriated in section 110 for thoroughbred owners' awards, the department shall develop a program to provide for thoroughbred owners' awards that will be given to owners of Michigan-bred horses finishing first in nonrestricted races at licensed pari-mutuel tracks in Michigan.

Sec. 805. The department shall notify the senate and house appropriations subcommittees on agriculture and the senate and house fiscal agencies of any planned reductions in appropriations, allocations, or expenditures from the agriculture equine industry development fund no less than 10 days before such reductions are implemented.

Sec. 806. A county fair, district fair, 4-H fair, or state fair receiving funds in section 110 to be used for prizes or awards, in whole or in part, as a condition precedent to the receiving of the funds for those purposes, shall publish the rules relative to the prizes, awards, and deadlines for entries eligible for the funds in their official premium books or lists relative to the prizes or awards. An aggrieved exhibitor may make a written complaint to the fair within 10 days after the fair ends. If the fair has not satisfactorily settled the grievance within 45 days after it is submitted to the fair, the aggrieved person may file the complaint with the department and the department shall investigate the complaint and make a finding of fact regarding the complaint and take appropriate action regarding the complaint.

Sec. 807. Of the amount appropriated in section 110 for purses and supplements - fairs/licensed tracks, a sufficient amount is appropriated to provide for overnight purse supplements pursuant to the horse racing law of 1995, 1995 PA 279, MCL 431.301 to 431.336.

Sec. 808. Of the amount appropriated in section 110 for premiums, \$11,400.00 shall be expended as a grant for the Michigan horse show association - fall youth show.

Sec. 809. From the appropriations for premiums - county and state fairs in section 110, \$120,000.00 shall be awarded through a competitive grant program to local, regional, or state fairs or expositions to promote youth involvement and adult exhibitions in the animal agriculture industry. Appropriate exhibition classes for youth shall be developed that encourage a production exhibit for which premium awards may be paid. The age for youth exhibitors shall be determined by the standards of the association requesting the grant or, if standards do not exist, the age for youth exhibitors shall be ages 9 through 21. Implementation of the latest technologies into the evaluation of the animals shall be encouraged in the production exhibit. Adult exhibitions should focus on the performance or end product, or both, with the appropriate technologies used to enhance placings and the awarding of premiums.

Sec. 811. The funds appropriated in section 110 for distribution of outstanding winning tickets are not available for expenditure until they are deposited in the agriculture equine industry development fund pursuant to section 2 of 1951 PA 90, MCL 431.252. These funds shall be expended in accordance with section 2 of 1951 PA 90, MCL 431.252, and only after they have been transferred to another line item in this act under section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

Sec. 812. An individual or other entity that leases land, a building, or other property under the Michigan exposition and fairgrounds act, 1978 PA 361, MCL 285.161 to 285.176, is not eligible for a state grant, loan, appropriation, or other state subsidy related to the leased land, building, or other property.

Sec. 813. (1) On or before January 29, 2003, the department, together with the senate and house fiscal agencies and the department of management and budget, shall estimate the unreserved and unencumbered closing balance of the agriculture equine industry development fund for the fiscal year ending September 30, 2002. The estimate shall consider lapsed appropriations from the fund and any carryforward amounts designated for appropriation in the fiscal year ending September 30, 2003.

(2) On or before February 5, 2003, the department shall request a legislative transfer in accordance with section 393 of the management and budget act, 1984 PA 431, MCL 18.1393, to appropriate any estimated unreserved and unencumbered agriculture equine industry development fund balance in excess of \$250,000.00. The appropriations included in the transfer request shall be in accordance with the requirements of section 20 of the horse racing law of 1995, 1995 PA 279, MCL 431.320. At the same time the department forwards its transfer request to the department of management and budget, the department shall submit copies of the transfer request to the senate and house appropriations subcommittees on agriculture and the senate and house fiscal agencies.

Sec. 815. From the appropriation in section 110 for building and track improvement - county and state fairs, \$49,000.00 shall be awarded to licensed race meet operators for promotions, capital improvements, or operations at race meets which are conducted on facilities leased from county fairs. On or before December 31, 2002, the department shall report to the senate and house appropriations subcommittees on agriculture and the senate and house fiscal agencies on the distribution of these funds.

Sec. 816. The appropriation in section 110 for fairs and festivals promotion shall be used by the department to provide grants to the industry for statewide volunteer staff education and promotion of commodities.

OFFICE OF RACING COMMISSIONER

Sec. 901. The racing commissioner may pay rewards of not more than \$5,800.00 to a person who provides information that results in the arrest and conviction on a felony or misdemeanor charge for a crime that involves the horse racing industry. A reward paid pursuant to this section shall be paid out of the office of racing commissioner line item.

This act is ordered to take immediate effect.	Sany Exampal
	Clerk of the House of Representatives.
	Carol Morey Viventi
	Secretary of the Senate.
