SEWER AND WATER CONTRACTS

Bill/Sponsor **SENATE BILL 195 H-2**, Sen. Laura M. Toy

House Committee Government Operations

Analysis **Summary**
This bill would create a regional water and sewer authority, and establish procedures governing the review of services contracts for Detroit's water and sewer systems. Any contract exceeding \$50,000 or contract overrun would be subject to authority approval.

Fiscal Impact
These bills would have an indeterminate fiscal impact on the City of Detroit. The actual impact would depend on the administrative costs of the required contract reviews, and on the number and nature of contracts and contract overruns reviewed by the authority.

There would be no fiscal impact on State Government
