REGIONAL SEWER AND WATER CONTRACTS

Bill/Sponsor **HOUSE BILL 4206 H-2, Rep. Leon Drolet**

House Committee **Government Operations**

Analysis

Summary

This bill requires the City of Detroit to establish a regional authority to review and provide oversight of the contract process related to city water supply and sewerage treatment systems. The City would be required to establish an ethics manual for system business.

Fiscal Impact

This bill would have an indeterminate fiscal impact on the City of Detroit. The actual impact would depend on the administrative costs of the authority created pursuant to this legislation, and the nature and number of contracts reviewed by the authority.

There would be no fiscal impact on State Government..
