6 flag desecration. The council shall seek to award grants on an  
7 equitable geographic basis to the extent possible given the quality of  
8 grant applications received. Priority shall be given to projects that

5 paid and received by each awardee receiving grants under this  
6 section. The dollar-for-dollar match may include the reasonable value  
7 of services, materials, and equipment as allowed under the federal  
8 internal revenue code for charitable contributions subject also to the  
9 preapproval of such a match by the Michigan council for arts and

11 amount of the matching funds, services, materials, or equipment by the  
12 end of the award period.

13 (3) Before any amount appropriated for arts and cultural grants in  
14 part 1 may be expended for a grant to eligible applicants for the  
15 purposes in this section, the department shall execute a grant  
16 agreement with each grantee. The grant agreement shall specify the  
17 criteria included in this section with which the application  
18 complies. The grant agreement shall include a list of the projects

7 charged a nonrefundable application fee of \$300.00 or 3% of the grant,  
8 whichever is less. The application fee may be used by the department  
9 to recover direct and indirect costs as appropriated in part 1.

10 (6) It is the intent of the legislature that the Michigan council  
11 for arts and cultural affairs continue to take appropriate steps to  
12 ensure that all organizations receiving state arts anchor organization  
13 grants have combined grant awards, as defined in subsection (8), of no  
14 more than 15.0% of operating revenue for the fiscal year ending  
15 September 30, 2005 and beyond. As used in this subsection, "operating  
16 revenue" is defined in the same manner as it was defined during the  
17 fiscal year 2000 state arts anchor organization application process.

18 (7) The council shall continue and expand its efforts to encourage  
19 and support nonprofit arts and cultural organizations transitioning  
20 from solely volunteer-based organizations to professional directed

23 organization, and regional regranting programs as well as the rural  
24 arts and culture initiative to support professional development within  
25 these organizations. Criteria for support include the requirement of  
26 collaboration between these organizations and other community  
27 organizations.

1       (8) Any organizations receiving grants within the anchor  
2 organization program category in excess of 10.0% of their operating  
3 revenue, as defined in subsection (6), for the fiscal year ending  
4 September 30, 2003, shall not receive a combined grant award from all  
5 grant categories, except the partnership program, that is greater than  
6 the combined grant award from these categories that the organization  
7 received for the fiscal year ending September 30, 2003.

8       (9) The council shall provide for fair, equitable, and efficient  
9 distribution of funds granted through the regional regranting  
10 program. The council shall provide for an annual assessment of grant  
11 management and distribution of mini-grant awards by designated  
12 regional regranting agencies and review the methodology employed.

13       (10) The council shall make every effort to provide total grant  
14 awards in the anchor organization program at a level not to exceed 70%  
15 of the total amount appropriated for arts and cultural grants.

16       (11) The department shall submit 2 annual reports to the  
17 appropriations subcommittees, the state budget office, and the fiscal  
18 agencies as follows:

2 (viii) The amount of matching funds proposed by an applicant.

3 (ix) The review score for each application.

4 (x) A listing containing the information in subparagraphs (i) to  
5 (iii) for any regranted funds in the preceding fiscal year.

6 (b) The second report is due when materials are first distributed  
7 by the council seeking grant applications for the subsequent fiscal  
8 year. The report shall contain the following:

9 (i) The guidelines by which the council awards grants.

10 (ii) A summary of any changes in the program guidelines from the  
11 previous fiscal year.

12 (iii) A summary of any initiatives the council is taking to  
13 improve public access to the arts and culture, including, but not  
14 limited to, the use of technology applications.

15 (12) Within 1 day following the final council vote, the department  
16 shall notify each legislator electronically regarding the website  
17 location of the list of grant awardees by county receiving a grant  
18 from arts and cultural grant funds appropriated in part 1.

19 (13) No organization receiving an award under the anchor  
20 organization program shall receive a grant that exceeds 10% of the  
21 total appropriation for arts and cultural grants funds appropriated in  
22 part 1.

#### 8 LIBRARY OF MICHIGAN

9       Sec. 601. In order to receive subregional state aid as  
10 appropriated in part 1 to the library of Michigan, a subregional  
11 library's fiscal agency must agree to maintain local funding support  
12 at the same level in the current fiscal year as in the fiscal agency's  
13 preceding fiscal year. If a reduction in expenditures equally affects  
14 all agencies in a local unit of government that is the subregional  
15 library's fiscal agency, that reduction shall not be interpreted as a

18 income affects a library cooperative or district library that is a  
19 subregional library's fiscal agency or a reduction in expenditures for  
20 the subregional library's fiscal agency, a reduction in expenditures  
21 for the subregional library shall not be interpreted as a reduction in

23 receiving state aid under part 1.

24       Sec. 602. The funds appropriated in part 1 for a subregional  
25 library shall not be released until a budget for that subregional

8 the libraries of Michigan. Only those libraries that qualify under  
9 the federal library services and technology act, subtitle B of title

17 unemployment agency websites.

18       Sec. 605. Instead of the purposes described in former section  
19 520 of 2002 PA 530, the work project account created in that section,  
20 account no. 2316, shall be used as a work project account to award  
21 grants on a competitive basis to all eligible libraries for the  
22 purpose of providing libraries with computers and to train library  
23 staff to assist claimants in accessing unemployment agency websites.
