	Restr.	400,000	400,000
i. Detroit Maintenance Garage, Phase II These funds will be used for completing site development of the new Detroit Maintenance Garage that was originally authorized for construction in FY 2001. The total project cost will now be \$4,030,000.	Gross	\$530,000	\$530,000
	Restr.	530,000	530,000
6. STATE BUILDING AUTHORITY FINANCED CONSTRUCTION PROJECTS This provides cost and construction authorizations for the Glen Oaks CC Science Building renovation project. This is a \$3.2 million project with the financing split evenly between the State and College. The College received a planning authorization for this project under PA 193 of 2003. Both the DMB and JCOS have reviewed and approved the planning documents for this project.	Gross	\$100	\$100
	GF/GP	\$100	\$100
Sec. 105. CIVIL RIGHTS			
1. Additional Federal Funds Authorizes the Department to receive additional federal grant funding made available from the United States Department of Housing and Urban Development (\$190,000) and the Equal Employment Opportunity Commission (\$123,700).	Gross	\$313,700	\$313,700
	Federal	313,700	313,700
Sec. 106. COMMUNITY HEALTH			
1. Provider Tax on Specialty Prepaid Health Plans Increases funds for Medicaid Mental Health and Substance Abuse Services by \$25.5 million to reflect a capitation rate increase and offset Executive Order reductions. Anticipating a 6% provider tax on specialty prepaid health plans, effective August 1, 2005, \$14.4 million would be realized in state restricted revenue. Provider tax revenue totaling \$8.4 million would be utilized to draw down \$11.1 million in federal Medicaid revenue. The remaining \$6.0 million in tax revenue would replace Executive Order reductions for mental health and substance abuse services.	Gross	\$25,490,000	\$25,490,000
	Federal	11,052,800	11,052,800
	Restr.	14,437,200	14,437,200
2. Hospital Quality Assurance Assessment Expansion Provides \$82.0 million gross (\$36.2 million Restricted) for FY 2004 payments to hospitals for the Quality Assurance Assessment Program (QAAP). Although this same authorization request was approved by the Legislature in August of 2004, PA 309 of 2004, the hospitals could not be paid because the State Plan amendment for this expansion did not have federal approval by the close of FY 2004. This supplemental request increases the hospital quality assurance assessment program to the 6% maximum allowable amount of \$259.5 million in FY 2004.	Gross	\$82,000,000	\$82,000,000
	Federal	45,829,800	45,829,800
	Restr.	\$36,170,200	\$36,170,200

2004-05 Budgetary Issues:**3. Children's Special Health Care Services & Medicaid Base Adjustments**

Provides an additional \$19.3 million Gross (\$11.1 million GF/GP) for the Children's Special Health Care Services Medical Care and Treatment line along with \$66.3 million (\$28.7 million GF/GP) for Medicaid appropriation lines within the Medical Services unit. These authorization increases reflect continued Medicaid caseload growth above the appropriated level. There are further adjustments between the top ten Medicaid appropriation lines to align funding with anticipated spending.

	<u>Executive</u>	<u>Senate</u>
Gross	\$85,631,400	\$85,631,400
Federal	45,816,500	45,816,500
GF/GP	\$39,814,900	\$39,814,900

4. Additional State Restricted and Local Revenue

An additional \$25.9 million of restricted authorization is requested for the expenditure of Medicaid Benefits Trust Fund revenue within the Medical Services unit. By increasing the monthly payment agreement amount for families receiving services within the Children's Special Health Care Services program, \$450,000 of restricted revenue would become available. This payment agreement change would affect eligible families with incomes over 250% of the federal poverty level. Local revenues have been identified to fund school and community-based adolescent health clinics (teen health centers) in the amount of \$3,665,000. Finally, \$3.0 million of restricted revenue authorization is requested to expend proceeds from an antitrust case settlement with the Bristol-Myers Squibb Company.

Gross	\$33,015,000	\$33,015,000
Local	3,665,000	3,665,000
Restr.	29,350,000	29,350,000

5. University Disproportionate Share Payments

Increases federal, local & private funding authorization within the Special Adjustor Payments appropriation line to provide Medicaid disproportionate share (DSH) payments to the University of Detroit Dental Clinic and the Wayne State University Psychiatric Residency programs. These federal funds will offset GF/GP currently found in the higher education budget which historically has supported dental and mental health care services to low-income populations.

Gross	\$17,903,200	\$17,903,200
Federal	10,152,900	10,152,900
Local	4,279,300	4,279,300
Private	3,471,000	3,471,000

6. Medicaid Modernization Act (MMA) - Education & Outreach Grant

Adds \$722,000 of federal Medicaid Modernization Act funding to the Medical Services Administration appropriation line providing education and outreach for intended beneficiaries of the new Medicare Part D drug benefit program which starts on January 1, 2006. Moneys are available to states with pharmaceutical assistance programs, such as Michigan's Elder Prescription Insurance Coverage (EPIC) program.

Gross	\$722,000	\$722,000
Federal	722,000	722,000

7. Replacement of GF/GP

Replaces a proposed Executive Order (EO) GF/GP reduction of \$137,000 for Departmental Administration and Management line item with available Health Professional Regulation Fund revenues. Replaces proposed EO GF/GP reduction of \$500,000 for Immunization Local Agreements line item for vaccine costs with available state restricted interest income from the Pharmaceutical Products Fund, a fund related to the 1999 sale of the Michigan Biologic Products Institute, now known as Bioport.

Gross	\$637,000	\$637,000
Restr.	637,000	637,000

8. CMH Non-Medicaid Services.

Redirects \$1.4 million GF/GP from CMH Non-Medicaid Services to CMHSP, Purchase of State Services Contracts since CMHSPs are not projected to spend mental health risk pool dollars set aside in FY 2004-05.

Gross	\$0	\$0
GF/GP	\$0	\$0

2004-05 Budgetary Issues:**Executive****Senate****Sec. 107. CORRECTIONS****1. New Federal Rape Elimination Grant**

Appropriates monies received from a Department of Justice discretionary grant program developed under the Prison Rape Elimination Act of 2003; funding is offered to prevent, investigate, and prosecute incidents of prison rape. Grant to be used to design, develop, and provide training for custody, investigative, and health care staff, and to provide technical assistance to law enforcement and prosecutors.

Gross	\$1,000,000	\$1,000,000
Federal	1,000,000	1,000,000

2. Restricted Funds to Replace EO GF/GP Reduction

Provides authority to spend additional funds assumed through increased collections of parole and probation oversight fees. Offsets complementary GF/GP reduction done by Executive Order.

Gross	\$1,000,000	\$1,000,000
Restr.	1,000,000	1,000,000

3. Corrections Centers

Assumes partial-year savings through closure of corrections center in Benton Harbor. Associated boilerplate language would forbid expenditure of funds on that center's lease after June 1, 2005.

Gross	(\$271,000)	(\$271,000)
GF/GP	(\$271,000)	(\$271,000)

Sec. 108. EDUCATION**1. Michigan After-School Partnership**

Appropriates \$75,000 in private funds from the Mott Foundation and \$33,000 from the Robert Wood Johnson foundation to the Early Childhood Education and Family Services unit. The funds would support a full-time coordinator, required travel, and miscellaneous support costs of administering the Michigan After-School Partnership.

Gross	\$108,000	\$108,000
Private	108,000	108,000

2. New Federal Migrant Education Program

Appropriates funds to the School Improvement Services unit to administer the Migrant Education Program Consortium Grant Program. This program would coordinate efforts between states to provide professional development to teachers of migrant children, especially in the subject of mathematics.

Gross	\$20,000	\$20,000
Federal	20,000	20,000

3. New Federal Safe and Drug-Free School Program

Appropriates funds to the Grants Administration and School Support Services unit to administer a federal grant to enhance the ability to collect, analyze, and use data to improve the quality of drug and violence prevention programs. The grant would provide funding for the Center for Educational Performance and Information (CEPI) to oversee the development and implementation of an integrated data support system.

FTE	1.5	1.5
Gross	\$717,200	\$717,200
Federal	717,200	717,200

4. Federal Community Services Grant

Appropriates funds to administer a grant awarded from the Title IV Safe and Drug-Free Schools and Community Program. These formula grants go to local education agencies to provide programs under which expelled or suspended students are required to perform community service.

Gross	\$1,750,000	\$1,750,000
Federal	1,750,000	1,750,000

5. Early Childhood Education Office

Replaces General Funds reduced by Executive Order with restricted revenues from teacher certification fees.

Gross	\$165,000	\$165,000
Restr.	165,000	165,000

6. Office of School Finance and School

Replaces General Funds reduced by Executive Order with federal funds. The federal funds would be used to support the Department's federal liaison within the office.

Gross	\$21,000	\$21,000
Federal	21,000	21,000

Sec. 109. ENVIRONMENTAL QUALITY**1. Office of the Great Lakes**

Federal grant funds would be authorized for the aquatic nuisance species management plan.

Gross	\$20,000	\$20,000
Restr.	20,000	20,000

2004-05 Budgetary Issues:**2. Executive Direction**

Federal grant funds would support the Co-chair of the technical resources group for the National Environmental Information Exchange Network (NEIEN). Matching funds are included in the FY 2004-05 appropriation.

	<u>Executive</u>	<u>Senate</u>
Gross	\$85,000	\$85,000
Federal	85,000	85,000

3. Department Support Services

2004-05 Budgetary Issues:**Executive****Senate****Sec. 120. TRANSPORTATION****Administrative Reductions and Efficiencies**

The Executive proposes reductions totaling \$4.9 million from several FY 2004-05 administrative line items. The reductions would be made from the following fund sources: State Trunkline Fund (STF), \$4.0 million; Michigan Transportation Fund (MTF), \$202,500; and State Aeronautics Fund, \$50,000. The \$3.9 million of the STF reductions reflects the STF share of a proposed redirection of MTF revenue to the Department of State Transportation Administration Collection Fund. Detail of the proposed reductions is shown below.

1. Executive Direction – Office of Commission Audits

The Office of Commission Audits is the internal audit function of the State Transportation Commission. Reductions taken primarily from salaries and wages, STF funding.
