Senate Bill 266 (S-1, Draft 1 as reported)

Committee: Appropriations

FY 2004-05 Year-to-Date Gross Appropriation	\$280,827,400
--	----------------------

Changes from FY 2004-05 Year-to-Date:

1. **Operations.** The Governor recommended continuation level support for college operations from the current FY 2004-05 base amount which includes the 1.8% across the board reduction to college operations approved in Executive Order 2005-07. The Senate Subcommittee recommendation makes across-the-board reductions to each college's appropriation of 0.9%, or \$2,554,800, in order to meet overall budget targets. In addition, General Fund support of \$18,282,200 is replaced by the same amount from the School Aid Fund. (2,554,800)
2. **Renaissance Zone Reimbursements.** The Governor recommended a 21% increase in program funds in anticipation of increased reimbursements to local units of government that have designated Renaissance Zones within their taxing districts. The Senate Subcommittee concurs. 500,000
3. **At Risk Student Success Program.** The Governor recommended continuation level funding of \$3,322,700 for this categorical grant program designed to address the special needs of at risk students. Funds are distributed based on the proportion of developmental and preparatory contact hours provided by each college. The Senate Subcommittee concurs. 0
4. **Comparison to Governor's Recommendation.** The Senate Subcommittee recommendation is \$2,554,800 Gross and \$20,837,000 GF/GP below the Governor's recommendation.

Total Changes.....	(2,054,800)
---------------------------	--------------------

FY 2005-06 Senate Appropriations Subcommittee Gross Appropriation	\$278,772,600
--	----------------------

Changes from FY 2004-05 Year to Date: Assumes House Subcommittee boilerplate decisions are adopted.

1. **Tuition Restraint.** The Governor did not recommend any form of tuition restraint for community colleges for FY 2005-06. Consequently, current-year language that describes the program's parameters was removed. The House and Senate Subcommittee concurs. (Sec. 207).
2. **Entrepreneurship Curriculum.** The Governor retains existing language encouraging the Department of Labor and Economic Growth to work with colleges to develop an accelerated entrepreneurship curriculum. The House adds a reporting section. The Senate Subcommittee concurs. (Sec. 208).
3. **Buy American/Buy Michigan.** The Governor recommends current year language encouraging colleges to buy Michigan and American made products where available, with minor edits to make the language standard with other similar boilerplate. The House and Senate Subcommittee concurs. (Sec. 209).
4. **At Risk Payment Schedule.** The Governor recommends changing the current distribution of these funds from a single payment on November 1 to 11 equal payments throughout the year similar to the operations payment schedule. The House retains current schedule, which is payment in full by November 1. The Senate Subcommittee concurs. (Sec 211).
5. **Abortion Coverage in Employee Health Insurance.** The Governor deletes language that prohibits the use of State funds for health insurance that includes abortion services for college employees. The House and Senate Subcommittee retain current language. (Sec. 230)
6. **Benefits for Unmarried Partners.** The Governor deletes language that prohibits the use of State appropriations to provide benefits to unmarried partners of college employees. The House and Senate Subcommittee retain current language. (Sec. 231).
7. **Tuition Reciprocity Agreements.** The Governor deletes current language that states legislative intent that new and existing agreements be limited to 3 years, and that out-of-state students pay the out-of-district tuition. The House and Senate Subcommittee retain current language. (Sec. 236).
8. **Payments in Lieu of Taxes.** The Governor deletes current language that creates a workgroup to evaluate and make recommendations regarding the possibility of state payments in lieu of taxes to community colleges whose districts contain state-owned land. The House includes federal, local, or otherwise nontaxable land, and adds a reporting requirement due by March 1. The Senate Subcommittee concurs. (Sec. 237).
9. **Optional Retirement Plan.** The Governor deletes current language that creates a workgroup to evaluate and make recommendations regarding the impact of expanding eligibility for the optional retirement plan to include part-time faculty. The House includes a reporting requirement due March 1. The Senate Subcommittee concurs. (Sec. 238).
10. **Performance Indicators Task Force.** The House adds new language that creates a 13-member workgroup to develop performance indicators that will be used to determine all, or part, of future budgets for community colleges. The Senate Subcommittee does not include this language.
11. **Gast-Mathieu Funding Formula.** The Governor deletes current language that states legislative intent to achieve full funding of the funding formula. The House and Senate Subcommittee retains current language. (Sec. 304).
12. **At-Risk Equipment Funds.** The Governor eliminates the use of At-Risk funding for equipment or information technology upgrades. The House and Senate Subcommittee retain current-year language. (Sec. 401).
13. **Audits.** The House increases the number of random audits conducted by the Auditor General of Activities Classification Structure (ACS) data, from 7, to 7-10. The Senate Subcommittee retains 7.
14. **TIFA Revenue Loss Report.** The Governor deletes current language that requires the Department of Treasury to issue a report on the revenue loss by college resulting from tax increment financing authorities and tax abatements. The House retains the language and adds a March 1 reporting deadline. The Senate Subcommittee concurs. (Sec. 513).

Date Completed: 6-02-05
