Sponsor: Representative Roger Kahn  
House Committee: Local Government and Urban Policy  
Senate Committee: Local, Urban and State Affairs

Date Completed: 12-8-05

**CONTENT**

The bill would amend Public Act 275 of 1913, which provides for the creation and operation of county boards of auditors, to repeal a section that allows a board of auditors that was operating under a special or local act to continue operating after the special or local act was repealed; and require that the board be abolished.

Under Section 4a of the Act, any board of county auditors operating under a special or local act, upon repeal of the special or local act, must be considered as operating under the provisions of the Act without formal reorganization, and it must function and be governed accordingly.

The bill would repeal Section 4a. Any board of county auditors operating under Section 4a would be abolished and not authorized to continue to operate after the bill's effective date.
