THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 8. (1) After receipt of an application, the authority may
2 enter into an agreement with an eligible business for a tax credit
3 under section 9 if the authority determines that all of the
4 following are met:

5 (a) Except as provided in subsection (5), the eligible
6 business creates 1 or more of the following within 12 months of the
7 expansion or location as determined by the authority:

8 (i) A minimum of 50 qualified new jobs at the facility if

1 expanding in this state.

2 (ii) A minimum of 100 qualified new jobs at the facility if
3 locating in this state.

4 (iii) A minimum of 25 qualified new jobs at the facility if the
5 facility is located in a neighborhood enterprise zone as determined
6 under the neighborhood enterprise zone act, 1992 PA 147, MCL
7 207.771 to 207.786, is located in a renaissance zone under the
8 Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to
9 125.2696, or is located in a federally designated empowerment zone,
10 rural enterprise community, or enterprise community.

11 (iv) A minimum of 5 qualified new jobs at the facility if the
12 eligible business is a qualified high-technology business.

13 (v) A minimum of 5 qualified new jobs at the facility if the
14 eligible business is a rural business.

15 (b) Except as provided in subsection (5), the eligible
16 business agrees to maintain 1 or more of the following for each
17 year that a credit is authorized under this act:

18 (i) A minimum of 50 qualified new jobs at the facility if
19 expanding in this state.

20 (ii) A minimum of 100 qualified new jobs at the facility if
21 locating in this state.

22 (iii) A minimum of 25 qualified new jobs at the facility if the
23 facility is located in a neighborhood enterprise zone as determined
24 under the neighborhood enterprise zone act, 1992 PA 147, MCL
25 207.771 to 207.786, is located in a renaissance zone under the
26 Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to
27 125.2696, or is located in a federally designated empowerment zone,

1 rural enterprise community, or enterprise community.

2 (iv) If the eligible business is a qualified high-technology
3 business, all of the following apply:

4 (A) A minimum of 5 qualified new jobs at the facility.

5 (B) A minimum of 25 qualified new jobs at the facility within
6 5 years after the date of the expansion or location as determined
7 by the authority and a minimum of 25 qualified new jobs at the
8 facility each year thereafter for which a credit is authorized
9 under this act.

10 (v) If the eligible business is a rural business, all of the
11 following apply:

12 (A) A minimum of 5 qualified new jobs at the facility.

13 (B) A minimum of 25 qualified new jobs at the facility within
14 5 years after the date of the expansion or location as determined
15 by the authority.

16 (c) Except as provided in subsection (5) and as otherwise
17 provided in this subdivision, in addition to the jobs specified in
18 subdivision (b), the eligible business, if already located within
19 this state, agrees to maintain a number of full-time jobs equal to
20 or greater than the number of full-time jobs it maintained in this
21 state prior to the expansion, as determined by the authority. After
22 an eligible business has entered into a written agreement as
23 provided in subsection (2), the authority may adjust the number of
24 full-time jobs required to be maintained by the authorized business
25 under this subdivision, in order to adjust for decreases in full-
26 time jobs in the authorized business in this state due to the
27 divestiture of operations, provided a single other person continues

1 to maintain those full-time jobs in this state. The authority shall
2 not approve a reduction in the number of full-time jobs to be
3 maintained unless the authority has determined that it can monitor
4 the maintenance of the full-time jobs in this state by the other
5 person, and the authorized business agrees in writing that the
6 continued maintenance of the full-time jobs in this state by the
7 other person, as determined by the authority, is a condition of
8 receiving tax credits under the written agreement. A full-time job
9 maintained by another person under this subdivision, that otherwise
10 meets the requirements of section 3(i), shall be considered a full-
11 time job, notwithstanding the requirement that a full-time job be
12 performed by an individual employed by an authorized business, or
13 an employee leasing company or professional employer organization
14 on behalf of an authorized business.

15 (d) Except as otherwise provided in this subdivision, the
16 average wage paid for all retained jobs and qualified new jobs is
17 equal to or greater than 150% of the federal minimum wage. However,
18 if the eligible business is a qualified high-technology business,
19 then the average wage paid for all qualified new jobs is equal to
20 or greater than 300% of the federal minimum wage.

21 (e) Except for a qualified high-technology business, the
22 expansion, retention, or location of the eligible business will not
23 occur in this state without the tax credits offered under this act.

24 (f) Except for an eligible business described in subsection
25 (5)(b)(ii), the local governmental unit in which the eligible
26 business will expand, be located, or maintain retained jobs, or a
27 local economic development corporation or similar entity, will make

1 a staff, financial, or economic commitment to the eligible business
2 for the expansion, retention, or location.

3 (g) The financial statements of the eligible business
4 indicated that it is financially sound or has submitted a chapter
5 11 plan of reorganization to the bankruptcy court and that its
6 plans for the expansion, retention, or location are economically
7 sound.

8 (h) Except for an eligible business described in subsection
9 (5)(c), the eligible business has not begun construction of the
10 facility.

11 (i) The expansion, retention, or location of the eligible
12 business will benefit the people of this state by increasing
13 opportunities for employment and by strengthening the economy of
14 this state.

15 (j) The tax credits offered under this act are an incentive to
16 expand, retain, or locate the eligible business in Michigan and
17 address the competitive disadvantages with sites outside this
18 state.

19 (k) A cost/benefit analysis reveals that authorizing the
20 eligible business to receive tax credits under this act will result
21 in an overall positive fiscal impact to the state.

22 (l) If feasible, as determined by the authority, in locating
23 the facility, the authorized business reuses or redevelops property
24 that was previously used for an industrial or commercial purpose.

25 (m) If the eligible business is a qualified high-technology
26 business described in section 3(m)(i), the eligible business agrees
27 that not less than 25% of the total operating expenses of the

1 business will be maintained for research and development for the
2 first 3 years of the written agreement.

3 (2) If the authority determines that the requirements of
4 subsection (1) or (5) have been met, the authority shall determine
5 the amount and duration of tax credits to be authorized under
6 section 9, and shall enter into a written agreement as provided in
7 this section. The duration of the tax credits shall not exceed 20
8 years or for an authorized business that is a distressed business,
9 3 years. In determining the amount and duration of tax credits
10 authorized, the authority shall consider the following factors:

11 (a) The number of qualified new jobs to be created or retained
12 jobs to be maintained.

13 (b) The average wage level of the qualified new jobs or
14 retained jobs relative to the average wage paid by private entities
15 in the county in which the facility is located.

16 (c) The total capital investment or new capital investment the
17 eligible business will make.

18 (d) The cost differential to the business between expanding,
19 locating, or retaining new jobs in Michigan and a site outside of
20 Michigan.

21 (e) The potential impact of the expansion, retention, or
22 location on the economy of Michigan.

23 (f) The cost of the credit under section 9, the staff,
24 financial, or economic assistance provided by the local government
25 unit, or local economic development corporation or similar entity,
26 and the value of assistance otherwise provided by this state.

27 (3) A written agreement between an eligible business and the

1 authority shall include, but need not be limited to, all of the
2 following:

3 (a) A description of the business expansion, retention, or
4 location that is the subject of the agreement.

5 (b) Conditions upon which the authorized business designation
6 is made.

7 (c) A statement by the eligible business that a violation of
8 the written agreement may result in the revocation of the
9 designation as an authorized business and the loss or reduction of
10 future credits under section 9.

11 (d) A statement by the eligible business that a
12 misrepresentation in the application may result in the revocation
13 of the designation as an authorized business and the refund of
14 credits received under section 9.

15 (e) A method for measuring full-time jobs before and after an
16 expansion, retention, or location of an authorized business in this
17 state.

18 (f) A written certification from the eligible business
19 regarding all of the following:

20 (i) The eligible business will follow a competitive bid process
21 for the construction, rehabilitation, development, or renovation of
22 the facility, and that this process will be open to all Michigan
23 residents and firms. The eligible business may not discriminate
24 against any contractor on the basis of its affiliation or
25 nonaffiliation with any collective bargaining organization.

26 (ii) The eligible business will make a good faith effort to
27 employ, if qualified, Michigan residents at the facility.

1 (iii) The eligible business will make a good faith effort to
2 employ or contract with Michigan residents and firms to construct,
3 rehabilitate, develop, or renovate the facility.

4 (iv) The eligible business is encouraged to make a good faith
5 effort to utilize Michigan-based suppliers and vendors when
6 purchasing goods and services.

7 (g) A condition that if the eligible business qualified under
8 subsection (5)(b)(ii) and met the subsection (1)(g) requirement by
9 filing a chapter 11 plan of reorganization, the plan must be
10 approved by the bankruptcy court within 2 years of the date of the
11 agreement or the agreement is rescinded.
