ENROLLED HOUSE BILL No. 4013

AN ACT to amend 1980 PA 450, entitled "An act to prevent urban deterioration and encourage economic development and activity and to encourage neighborhood revitalization and historic preservation; to provide for the establishment of tax increment finance authorities and to prescribe their powers and duties; to authorize the acquisition and disposal of interests in real and personal property; to provide for the creation and implementation of development plans; to provide for the creation of a board to govern an authority and to prescribe its powers and duties; to permit the issuance of bonds and other evidences of indebtedness by an authority; to permit the use of tax increment financing; to reimburse authorities for certain losses of tax increment revenues; and to prescribe the powers and duties of certain state agencies and officers," by amending sections 3 and 17 (MCL 125.1803 and 125.1817), section 3 as amended by 1983 PA 148.

The People of the State of Michigan enact:

Sec. 3. (1) If the governing body of a municipality determines that it is in the best interests of the public to halt a decline in property values, increase property tax valuation, eliminate the causes of the decline in property values, and to promote growth in an area in the municipality, the governing body of that municipality may declare by resolution its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body shall set a date for the holding of a public hearing on the adoption of a proposed resolution creating the authority and designating the boundaries of the authority district. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 nor more than 40 days before the date of the hearing. Notice shall also be mailed to the property taxpayers of record in the proposed authority district not less than 20 days before the hearing. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure to receive the notice shall not invalidate these proceedings. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed authority district. At that hearing, a citizen, taxpayer, or property owner of the municipality has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed authority district. The governing body of the municipality shall not incorporate land into the authority district not included in the description contained in the notice of public hearing, but it may eliminate described lands from the authority district in the final determination of the boundaries.

(3) After the public hearing, if the governing body intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members, a resolution establishing the authority and designating the boundaries of the authority district within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions with respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(4) The governing body may alter or amend the boundaries of the authority district to include or exclude lands from the authority district in accordance with the same requirements prescribed for adopting the resolution creating the authority.

(5) The validity of the proceedings establishing an authority shall be conclusive unless contested in a court of competent jurisdiction within 60 days after the last of the following takes place:

- (a) Publication of the resolution as adopted.
- (b) Filing of the resolution with the secretary of state.

Sec. 17. (1) The governing body, before adoption of a resolution approving or amending a development plan or approving or amending a tax increment financing plan, shall hold a public hearing on the development plan. Notice of the time and place of the hearing shall be given by publication twice in a newspaper of general circulation designated by the municipality, the first of which shall not be less than 20 days before the date set for the hearing. Notice shall also be mailed to all property taxpayers of record in the development area not less than 20 days before the hearing. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the development plan or the tax increment financing plan is approved or amended.

(2) Notice of the time and place of hearing on a development plan shall contain the following:

- (a) A description of the proposed development area in relation to highways, streets, streams, or otherwise.
- (b) A statement that maps, plats, and a description of the development plan, including the method of relocating families and individuals who may be displaced from the area, are available for public inspection at a place designated in the notice, and that all aspects of the development plan will be open for discussion at the public hearing.
- (c) Other information that the governing body considers appropriate.

(3) At the time set for hearing, the governing body shall provide an opportunity for interested persons to be heard and shall receive and consider communications in writing with reference thereto. The hearing shall provide the fullest opportunity for expression of opinion, for argument on the merits, and for introduction of documentary evidence pertinent to the development plan. The governing body shall make and preserve a record of the public hearing, including all data presented at that time.

This act is ordered to take immediate effect.
