Conference Agreement on Items of Difference

- | | |
|--|------------|
| 2. Executive Order 2007-3 – Retirement Savings. A portion of Executive Order 2007-3 was based on credits that community colleges would receive by reducing defined benefit contributions to the Michigan Public School Employees' Retirement System through revaluation of the system's assets and a one-year deferral of payments toward the system's unfunded liabilities. This adjustment restores funding related to the one-time reduction. | 16,274,100 |
| 3. Executive Order 2007-3 & 2007 PA 17 – Payment Delays. Executive Order 2007-3 and 2007 PA 17 contained State payment delays for community college operations equal to the August 2007 payment (25,759,800). This adjustment restores funding to the FY 2007-08 base and provides for reimbursement of the FY 2006-07 delayed payment. | 51,519,600 |
| 4. Wayne County Community College. Adjustment related to a \$450,000 reduction incurred in FY 2003-04. Public Act 153 of 2006 restored \$225,000 in FY 2005-06. | 225,000 |
| 5. Renaissance Zones Tax Reimbursements. Funding is decreased from \$3,200,000 to \$3,025,000 based on projected payments pursuant to Public Act 376 of 1996. | (175,000) |
| 6. Inflationary Adjustment. The Governor included a 2.5% General Fund across-the-board increase for community college operations. The House maintained the increase, but distributed the funding through the Performance Indicators Task Force Formula. Based on the Leadership Target Agreement, the Conference Report included a 1.0 % increase allocated pursuant to the Task Force Formula. | 2,889,600 |
| 7. Nursing Program. The House included \$7.0 million for nursing program grants that would be distributed based on FY 2007-08 increases in nursing student enrollments and the number of A.D.N./R.N. awards conferred in 2005-2006. Based on the Leadership Target, the Conference Report did not include funding for this program. | 0 |
| 8. Parity Payment. The House included \$3.2 million based on an equity argument that community colleges did not receive the percentage increase that Higher Education received in FY 2005-06. The Conference Report did not include this item. | 0 |
| 9. Property Tax Base Disparity. The House added funding to three community colleges (Alpena \$125,700; Bay de Noc \$121,400; Gogebic \$258,500) based on districts with property tax bases of less than \$1.4 billion and assess at least 2.5 mills. The Conference Report included adjustments to four community colleges (Alpena \$85,000; Bay de Noc \$85,000; Gogebic, \$130,000; Mid Michigan, \$50,000) based on property tax bases of less than \$1.8 billion and a taxable value per Fiscal-Year-Equated Student below \$900. | 350,000 |

Total Changes.....	\$71,083,300
--------------------	--------------

FY 2007-08 Enacted Gross Appropriation.....	\$318,928,800
---	---------------

Note: Of the total \$71,083,300 increase, \$67,793,700 is due to the restoration of one-time retirement adjustments and funding related to the delayed August 2007 payment (Items 2 and 3 above), leaving a net increase of \$3,289,600.
