21 of the plan. The plan may provide for the use of part or all of the
22 captured assessed value or, subject to subsection (3), of the tax
23 increment revenues attributable to the levy of any taxing
24 jurisdiction, but the portion intended to be used shall be clearly
25 stated in the plan. The board or the municipality creating the
26 authority may exclude from captured assessed value a percentage of
27 captured assessed value as specified in the plan or growth in

1 property value resulting solely from inflation. If excluded, the
2 plan shall set forth the method for excluding growth in property
3 value resulting solely from inflation.

4 (c) The estimated tax increment revenues for each year of the
5 plan.

6 (d) A detailed explanation of the tax increment procedure.

10 authority and municipality, the amount of advances extended by or
11 indebtedness incurred by the municipality, and the amount of

14 increment revenues as received.

15 (h) The duration of the development plan and the tax increment

5 (2) Except as provided in subsection (7), a tax increment
6 financing plan shall provide for the use of tax increment revenues
7 for public facilities for eligible property whose captured assessed
8 value produces the tax increment revenues or, to the extent the
9 eligible property is located within a business development area,
10 for other eligible property located in the business development
11 area. Public facilities for eligible property include the
12 development or improvement of access to and around, or within the
13 eligible property, of road facilities reasonably required by
14 traffic flow to be generated by the eligible property, and the
15 development or improvement of public facilities that are necessary
16 to service the eligible property, whether or not located on that
17 eligible property. If the eligible property identified in the tax

20 use of tax increment revenues for public facilities other than
21 those described in the development plan as of April 1, 1991.

22 Whether or not provided in the tax increment financing plan, if the
23 eligible property identified in the tax increment financing plan is
24 property to which section 2(p)(iv) applies, then to the extent that
25 captured tax increment revenues are utilized for the costs of
26 cleanup of identified soil and groundwater contamination, the
27 captured tax increment revenues shall be first credited against the

1 shares of responsibility for the total costs of cleanup of
2 uncollectible parties who are responsible for the identified soil
3 and groundwater contamination pursuant to law, and then shall be
4 credited on a pro rata basis against the shares of responsibility
5 for the total costs of cleanup of other parties who are responsible
6 for the identified soil and groundwater contamination pursuant to
7 law.

8 (3) The percentage of taxes levied for school operating
9 purposes that is captured and used by the tax increment financing

21 a county for operating purposes include only millage allocated for
22 county or charter county purposes under the property tax limitation
23 act, 1933 PA 62, MCL 211.201 to 211.217a.

24 (4) Except as otherwise provided by this subsection, approval
25 of the tax increment financing plan shall be in accordance with the
26 notice, hearing, disclosure, and approval provisions of sections 16
27 and 17. If the development plan is part of the tax increment

1 financing plan, only 1 hearing and approval procedure is required
2 for the 2 plans together. For a plan submitted by an authority
3 established by 2 or more municipalities under sections 3(2) and
4 4(7), the notice required by section 16 may be published jointly by
5 the municipalities in which the authority district is located. The
6 plan shall not be considered approved unless each governing body in
7 which the authority district is located makes the determinations
8 required by section 17 and approves the same plan, including the
9 same modifications, if any, made to the plan by any other governing
10 body.

11 (5) Before the public hearing on the tax increment financing
12 plan, the governing body shall provide a reasonable opportunity to
13 the taxing jurisdictions levying taxes subject to capture to
14 express their views and recommendations regarding the tax increment
15 financing plan. The authority shall fully inform the taxing
16 jurisdictions about the fiscal and economic implications of the
17 proposed tax increment financing plan. The taxing jurisdictions may
18 present their recommendations at the public hearing on the tax
19 increment financing plan. The authority may enter into agreements
20 with the taxing jurisdictions and the governing body of the
21 municipality in which the authority district is located to share a
22 portion of the captured assessed value of the district or to
23 distribute tax increment revenues among taxing jurisdictions. Upon
24 adoption of the plan, the collection and transmission of the amount
25 of tax increment revenues, as specified in this act, shall be
26 binding on all taxing units levying ad valorem property taxes or
27 specific local taxes against property located in the authority

1 district.

2 (6) Property qualified as a public facility under section
3 2(aa)(ii) that is acquired by an authority may be sold, conveyed, or
4 otherwise disposed to any person, public or private, for fair
5 market value or reasonable monetary consideration established by
6 the authority with the concurrence of the Michigan ~~economic~~
7 ~~development corporation~~ **STRATEGIC FUND** and the municipality in
8 which the eligible property is located based on a fair market value
9 appraisal from a fee appraiser only if the property is sold for
10 fair market value. Unless the property acquired by an authority was
11 located within a certified business park or a certified technology
12 park at the time of disposition, an authority shall remit all
13 monetary proceeds received from the sale or disposition of property
14 that qualified as a public facility under section 2(aa)(ii) and was
15 purchased with tax increment revenues to the taxing jurisdictions.
16 Proceeds distributed to taxing jurisdictions shall be remitted in
17 proportion to the amount of tax increment revenues attributable to
18 each taxing jurisdiction in the year the property was acquired. If
19 the property was acquired in part with funds other than tax
20 increment revenues, only that portion of the monetary proceeds
21 received upon disposition that represent the proportion of the cost
22 of acquisition paid with tax increment revenues is required to be
23 remitted to taxing jurisdictions. If the property is located within
24 a certified business park or certified technology park at the time
25 of disposition, the monetary proceeds received from the sale or
26 disposition of that property may be retained by the authority for
27 any purpose necessary to further the development program for the

1 certified business park or certified technology park in accordance
2 with the tax increment financing plan.

3 (7) The tax increment financing plan may provide for the use
4 of tax increment revenues from a certified technology park for
5 public facilities for any eligible property located in the
6 certified technology park.

7 (8) If title to property qualified as a public facility under
8 section 2(aa)(ii) and acquired by an authority with tax increment
9 revenues is sold, conveyed, or otherwise disposed of pursuant to
10 subsection (6) for less than fair market value, the authority shall
11 enter into an agreement relating to the use of the property with
12 the person to whom the property is sold, conveyed, or disposed of,
13 which agreement shall include a penalty provision addressing
14 repayment to the authority if any interest in the property is sold,
15 conveyed, or otherwise disposed of by the person within 12 years
16 after the person received title to the property from the authority.
17 This subsection shall not require enforcement of a penalty
18 provision for a conveyance incident to a merger, acquisition,
19 reorganization, sale-lease back transaction, employee stock
20 ownership plan, or other change in corporate or business form or
21 structure.

22 (9) The penalty provision described in subsection (8) shall
23 not be less than an amount equal to the difference between the fair
24 market value of the property when originally sold, conveyed, or
25 otherwise disposed of and the actual consideration paid by the
26 person to whom the property was originally sold, conveyed, or
27 otherwise disposed of.
