Reverend Floyd A. Davis of the 12th Street Missionary Baptist Church of Detroit offered the following invocation:

Eternal gracious Allah and Heavenly God our Father, we come before Your presence this day as Your duly appointed and elected representatives of the citizens of the state of Michigan. You have given us the privilege of making life-changing and far-reaching decisions on behalf of our neighbors, friends, business associates, and partners that affect us who live and work in this Great Lakes state and surrounding region.

Allow our government to operate as an extension of Your will. Fill our hearts, minds, and constituent meetings with Your Holy Spirit to lead, guide, and direct our thoughts, human interactions, and outcomes, so that our decisions will be a reflection of Your love. We face formidable challenges and issues that require understanding, compassion, and long-range solutions. We can meet and exceed expectations if You would envision, enlighten, and equip us.

Gracious, merciful, and great Spirit, constrain and deflect demonic spirits in human thoughts that sow seeds of greed, indifference, deceit, and intolerance, while we conduct business to improve the conditions in our state. Father God, release the spirit of communication, cooperation, knowledge, and spiritual compromise in our meetings of the Senate, its separate meeting deliberations, and our constituent processes. Help us to emotionally and intellectually move beyond the frustrations, factions, and fights of the past and to move with passion and purposeful determination to attain excellence, righteousness, and justice for all.

In Jesus' name, we pray. Amen.

The President, Lieutenant Governor Cherry, led the members of the Senate in recital of the *Pledge of Allegiance*.

It is my great honor to pay tribute to one of our team members who has decided to move on to bigger and better things. Today, I would like to express our thanks and deep appreciation to Deborah Cline as she decides to move onto greener pastures out of the Senate. She spent the last 15 years here with us on our team. She began in the Senate back in 1995 in the Senate Majority Policy Office. From 1996 to 2003, Deborah worked for Senate Majority Leader Dan DeGrow.

Her time in the Senate also included time on the Secretary of the Senate's Session Staff as a bill clerk, where she helped track and prepare bills in session. From 2003 to 2006, Deborah furthered her legislative career in the Office of Senate Majority Leader Ken Sikkema as a legislative aide and deputy chief of staff. She did a number of things in that office, and in 2007, Deborah used her vast knowledge of the Michigan Legislature that she has gained throughout the years to work as an administrative assistant with the Senate Majority Policy Office.

Whether working in a member's office or as a part of the larger Senate support staff, Deborah has always been a well-respected member of our team. Many of you know Deborah. Those of you who don't know her know of her work over the years. We want to do what we can to express our deepest and sincerest gratitude for all of her work.

She is now going to work—best of luck there—as an assistant to an Ingham County Circuit Court judge. I wish her well in her endeavors. I know that the members of the Legislature and all the support staff wish you the best of luck, Deborah, in your future endeavors. I hope that my colleagues will help me thank her for all she has done over the years.

**Senate Resolution No. 181.**

A resolution commemorating October 18-22, 2010, as Turn Up the H.E.A.T. Week in Michigan.

Whereas, 2010 marks the 25th anniversary of Help Eliminate Auto Thefts (H.E.A.T.); and

Whereas, The citizens of Michigan pay higher taxes and insurance premiums as a result of insurance fraud, auto-related identity theft, and all auto-related crimes; and

Whereas, Since 1985, H.E.A.T. has successfully empowered Michigan residents to fight auto theft in their neighborhoods by confidentially informing authorities of what they know about auto theft-related crimes and rewards citizens for information leading to the arrest and prosecution of these criminals; and

Whereas, As the result of nearly 9,000 calls to 1-800-242-HEAT, these residents have helped H.E.A.T. recover more than \$50 million in stolen property and assisted in the arrest of nearly 3,500 suspects involved in auto theft rings, chop shops, car jackings, fraudulent car thefts, and other auto theft-related crimes throughout the state; and

Whereas, H.E.A.T. is funded by the Michigan auto insurance industry, and its 24/7, toll-free tip line is monitored by the Michigan State Police, which directs tip information to appropriate police agencies throughout the state; now, therefore, be it

Resolved by the Senate, That we hereby commemorate October 18-22, 2010, as Turn Up the H.E.A.T. Week in Michigan, in recognition of this unique public-private partnership and the profound impact it has had on eliminating auto theft in Michigan; and be it further

Resolved, That all citizens are encouraged to increase their understanding and awareness of auto theft and how they may protect themselves from and assist authorities with auto theft-related crimes; and be it further

Resolved, That copies of this resolution be transmitted to H.E.A.T. and the Michigan State Police.

Senators Anderson, Brater, Clarke, Gleason and Jacobs were named co-sponsors of the resolution.

Senator Kahn offered the following resolution:

**Senate Resolution No. 180.**

A resolution to recognize September 23, 2010, as National Falls Awareness Day in the state of Michigan.

Whereas, 1 in every 3 people in the United States who are 65 years of age or older fall each year; and

Whereas, Falls are the leading cause of injury, deaths, and hospital admissions for traumatic injuries among adults 65 years of age and older; and

Whereas, The Centers for Disease Control and Prevention estimate that if the rate of increase in falls is not slowed, annual direct treatment costs under the Medicare program will reach \$32.4 billion by 2020; and

Whereas, Evidence-based programs show promise in reducing falls and facilitating cost-effective interventions, such as comprehensive clinical assessments, exercise programs to improve balance and health, management of medications, correction of vision, and reduction of home hazards; and

Whereas, Research indicates that fall prevention programs for high-risk older adults have a net cost savings of almost \$9 in benefits to society for each \$1 invested; and

Whereas, The federal Safety of Seniors Act was enacted to amend the Public Health Service Act to create a national education campaign aimed at older adults, their families, health care providers, and injury prevention programs that focus on the reduction and prevention of falls among older adults; and

Whereas, The Falls Free Coalition Advocacy Work Group and its numerous national and state supporting organizations should be commended for their efforts to raise awareness and to promote better understanding, research, and programs to prevent falls among older adults; now, therefore, be it

Resolved by the Senate, That the members of this legislative body recognize September 23, 2010, as National Falls Awareness Day in the state of Michigan. We encourage businesses, individuals, federal, state, and local governments, the public health community, and health care providers to work together to promote the awareness of falls in an effort to reduce the incidence of falls among older people in the United States.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Cropsey moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Anderson, Clarke, Gleason, Jacobs and Pappageorge were named co-sponsors of the resolution.

Senator Kahn asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Kahn's statement is as follows:

This resolution is to recognize September 23, 2010, as National Falls Awareness Day in our state. Falls are not a topic that comes up with a great deal of central-mind awareness. It is an important subject because they are the leading cause of injury, deaths, and hospital admissions for traumatic injuries among adults 65 years of age and older.

The Centers for Disease Control and Prevention estimate that if the rate of increase in falls is not slowed, annual direct treatment costs under the Medicare program will reach \$32.4 billion by 2020. Evidence-based programs show promise in

reducing falls and facilitating cost-effective interventions, such as comprehensive clinical assessments, exercise programs to improve balance and health, management of medications, correction of vision, and reduction of home hazards.

The federal Safety of Seniors Act was enacted to amend the Public Health Service Act to create a national education campaign aimed at older adults, their families, health care providers, and injury prevention programs that focus on the reduction and prevention of falls among older adults. The Falls Free Coalition Advocacy Work Group and its numerous national and state supporting organizations should be commended for their efforts to raise awareness and to promote better understanding, research, and programs to prevent falls among older adults.

This resolution will recognize September 23, 2010, as National Falls Awareness Day in the state of Michigan. We encourage businesses, individuals, federal, state, and local governments, the public health community, and health care providers to work together to promote the awareness of falls in an effort to reduce the incidence of falls among older people in the United States.

I urge the adoption of this resolution.

### Statements

Senator Scott asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Scott's statement is as follows:

Bill Gates said, "Your most unhappy customers are your greatest source of learning." We have hundreds of thousands of unhappy auto insurance customers. They are unhappy because they are being treated unfairly by insurance companies, and we are letting that happen.

We all know that it is difficult for families in our cities to get by without a car to get to work, to school, to the doctor, and to the store. We all rely heavily on our cars, but too many of our citizens are paying an unfair price for the insurance policies that we require them to have.

Bad drivers deserve to pay a high price for insurance. Good drivers deserve a deal, and yet, in Michigan, good drivers don't always get the deal they deserve. It is time to make auto insurance fair and affordable. It is time to forbid the use of things like credit scoring and where you live as factors to determine the cost of a policy. The only factors that should determine the cost of a policy is a person's driving record and the kind of car a person drives. Drivers could then afford the car they need to live their lives.

It is time to make auto insurance fair and affordable, and we have time to do it before most of us leave here in December.
