9 Sec. 842. (1) The state building authority rent appropriations
10 in part 1 may also be expended for the payment of required premiums
11 for insurance on facilities owned by the state building authority
12 or payment of costs that may be incurred as the result of any
13 deductible provisions in such insurance policies.

14 (2) If the amount appropriated in part 1 for state building
15 authority rent is not sufficient to pay the rent obligations and
16 insurance premiums and deductibles identified in subsection (1) for
17 state building authority projects, there is appropriated from the
18 general fund of the state the amount necessary to pay such
19 obligations.

20 Sec. 843. The state building authority shall provide to the
21 JCOS, state budget director, and senate and house fiscal agencies a
22 report relative to the status of construction projects associated
23 with state building authority bonds as of September 30 of each
24 year, on or before October 15, or not more than 30 days after a
25 refinancing or restructuring bond issue is sold. The report shall
26 include, but is not limited to, the following:

27 (a) A list of all completed construction projects for which

1 state building authority bonds have been sold, and which bonds are
2 currently active.

4 of state building authority bonds is pending.

5 (c) A list of all projects authorized for construction or
6 identified in an appropriations act for which approval of
7 schematic/preliminary plans or total authorized cost is pending
8 that have state building authority bonds identified as a source of
9 financing.

10 CIVIL SERVICE

11 Sec. 850. (1) All restricted funds shall be assessed a sum not
12 less than 1% of the total aggregate payroll paid from those funds
13 for financing the civil service commission on the basis of actual
14 1% restricted sources total aggregate payroll of the classified
15 service for fiscal year 2010 in accordance with section 5 of
16 article XI of the state constitution of 1963. This includes, but is
17 not limited to, restricted funds appropriated in part 1 of any
18 appropriations act. Unexpended 1% appropriated funds shall be
19 returned to each 1% fund source at the end of the fiscal year.

20 (2) The appropriations in part 1 are estimates of actual
21 charges based on payroll appropriations. With the approval of the
22 state budget director, the commission is authorized to adjust
23 financing sources for civil service charges based on actual payroll
24 expenditures, provided that such adjustments do not increase the
25 total appropriation for the civil service commission.

26 (3) The financing from restricted sources shall be credited to

1 the civil service commission by the end of the second fiscal
2 quarter.

3 Sec. 851. Except where specifically appropriated for this
4 purpose, financing from restricted sources shall be credited to the
5 civil service commission. For restricted sources of funding within
6 the general fund that have the legislative authority for carryover,
7 if current spending authorization or revenues are insufficient to
8 accept the charge, the shortage shall be taken from carryforward
9 balances of that funding source. Restricted revenue sources that do
10 not have carryforward authority shall be utilized to satisfy
11 commission operating deducts first and civil service obligations
12 second. General fund dollars are appropriated for any shortfall,
13 pursuant to approval by the state budget director.

14 Sec. 852. The appropriation in part 1 to the civil service
15 commission, for state-sponsored group insurance, flexible spending
16 accounts, and COBRA, represents amounts, in part, included within
17 the various appropriations throughout state government for the
18 current fiscal year to fund the flexible spending account program
19 included within the civil service commission. Deposits against
20 state-sponsored group insurance, flexible spending accounts, and
21 COBRA for the flexible spending account program shall be made from
22 assessments levied during the current fiscal year in a manner
23 prescribed by the civil service commission. Unspent employee
24 contributions to the flexible spending accounts may be used to
25 offset administrative costs for the flexible spending account
26 program, with any remaining balance of unspent employee
27 contributions to be lapsed to the general fund.

1 Sec. 853. No funds appropriated in part 1 shall be used,
2 directly or indirectly, to fund the office of great workplace
3 development.

5 subsection.

6 (2) Proceeds from the sale of any sites designated in
7 subsection (1) shall be deposited into the fund created in
8 subsection (1) and shall be available for site preparation
9 expenditures, unless otherwise provided by law. The economic

3 shall be included with the facility's program statement and
4 planning documents when the plans are presented to JCOS for
5 approval.

6 Sec. 871. (1) Before proceeding with final planning and
7 construction for projects at community colleges and universities
8 included in an appropriations act, the community college or
9 university shall sign an agreement with the department that
10 includes the following provisions:

11 (a) The university or community college agrees to construct
12 the project within the total authorized cost established by the
13 legislature pursuant to the management and budget act, 1984 PA 431,
14 MCL 18.1101 to 18.1594, and an appropriations act.

15 (b) The design and program scope of the project shall not
16 deviate from the design and program scope represented in the

21 (2) The department retains the authority and responsibility
22 normally associated with the prudent maintenance of the public's
23 financial and policy interests relative to the state-financed
24 construction projects managed by a community college or university.

25 Sec. 872. A state agency, community college, or university
26 shall take steps necessary to make available federal and other
27 money indicated in this act, to make available federal or other

1 money that may become available for the purposes for which
2 appropriations are made in this act, and to use any part or all of
3 the appropriations to meet matching requirements that are
4 considered to be in the best interest of this state. However, the
5 purpose, scope, and total estimated cost of a project shall not be
6 altered to meet the matching requirements. Any federal matching
7 revenues received to support the construction of the project shall
8 be applied to the total authorized project cost, with the state and
9 community college or university financing shares proportionately
10 adjusted.

11 Sec. 873. (1) This section applies only to projects for
12 community colleges.

13 (2) State support is directed towards the remodeling and
14 additions, special maintenance, or construction of certain
15 community college buildings. The community college shall obtain or
16 provide for site acquisition and initial main utility installation
17 to operate the facility. Funding shall be composed of local and
18 state shares and not more than 50% of a capital outlay project, not
19 including a lump-sum special maintenance project or remodeling and
20 addition project, for a community college shall be appropriated
21 from state and federal funds, unless otherwise appropriated by the
22 legislature.

23 (3) An expenditure under this act is authorized when the
24 release of the appropriation is approved by the board upon the
25 recommendation of the director. The director may recommend to the
26 board the release of any appropriation in part 1 only after the
27 director is assured that the legal entity operating the community

1 college to which the appropriation is made has complied with this
2 act and has matched the amounts appropriated as required by this
3 act. A release of funds in part 1 shall not exceed 50% of the total
4 cost of planning and construction of any project, not including
5 lump-sum remodeling and additions and special maintenance, unless
6 otherwise appropriated by the legislature. Further planning and
7 construction of a project authorized by this act or applicable
8 sections of the management and budget act, 1984 PA 431, MCL 18.1101
9 to 18.1594, shall be in accordance with the purpose and scope as
10 defined and delineated in the approved program statements and
11 planning documents. This act is applicable to all projects for
12 which planning appropriations were made in previous acts.

13 (4) The community college shall take the steps necessary to
14 secure available federal construction and equipment money for
15 projects funded for construction in this act if an application was
16 not previously made. If there is a reasonable expectation that a
17 prior year unfunded application may receive federal money in a
18 subsequent year, the college shall take whatever action necessary
19 to keep the application active.

20 Sec. 874. If university and community college matching
21 revenues are received in an amount less than the appropriations for
22 capital projects contained in this act, the state funds shall be
23 reduced in proportion to the amount of matching revenue received.

24 Sec. 875. (1) The director may require that community colleges
25 and universities that have an authorized project listed in part 1
26 submit documentation regarding the project match and governing
27 board approval of the authorized project not more than 60 days

1 after the beginning of the fiscal year.

2 (2) If the documentation required by the director under
3 subsection (1) is not submitted, or does not adequately
4 authenticate the availability of the project match or board
5 approval of the authorized project, the authorization may
6 terminate. The authorization terminates 30 days after the director
7 notifies the JCOS of the intent to terminate the project unless the
8 JCOS convenes to extend the authorization.

9 Sec. 876. (1) Except as otherwise provided in subsection (3)
10 or (4), a university shall not enter into a contract for new
11 construction of a self-funded project estimated to cost at least
12 \$3,000,000.00 unless the project is authorized by JCOS through
13 approval of a use and finance statement defined by a policy adopted
14 by JCOS. The request for authorization shall be initially submitted
15 for review to JCOS, the senate and house fiscal agencies, and the
16 department of technology, management, and budget. The use and
17 finance statement for a non-state-funded project shall contain the
18 estimated total construction cost and all associated estimated
19 operating costs, including a statement of anticipated project
20 revenues. As used in this subsection, "new construction" includes
21 land or property acquisition, remodeling and additions, maintenance
22 projects, roads, landscaping, equipment, telecommunications,
23 utilities, and parking lots and structures. Certificate of need
24 forms may be submitted in lieu of a use and finance form where
25 applicable.

26 (2) Except as otherwise provided in subsection (4), a
27 community college shall not enter into a contract for new

1 construction of a self-funded project estimated to cost at least
2 \$2,000,000.00 unless the project is authorized by JCOS through
3 approval of a use and finance statement defined by a policy adopted
4 by JCOS. The request for legislative authorization shall be
5 initially submitted for review to JCOS, the senate and house fiscal
6 agencies, and the department of technology, management, and budget.
7 The use and finance statement for a non-state-funded project shall
8 contain the estimated total construction cost and all associated
9 estimated operating costs, including a statement of anticipated
10 project revenues. As used in this subsection, "new construction"
11 includes land or property acquisition, remodeling and additions,
12 maintenance projects, roads, landscaping, equipment,
13 telecommunications, utilities, and parking lots and structures.
14 Certificate of need forms may be submitted in lieu of a use and
15 finance form where applicable.

16 (3) The University of Michigan hospital and health center is
17 not required to obtain JCOS authorization through approval of a use
18 and finance statement defined by a policy adopted by JCOS.

19 (4) If health or safety concerns warrant, a project may be
20 completed without prior approval of a use and finance statement
21 defined by a policy adopted by JCOS. However, a university or
22 community college shall submit a use and finance statement as soon
23 as possible after the project is completed and the health or safety
24 concerns have abated.

25 (5) A project that is constructed in violation of this section
26 shall not receive state appropriations for purposes of operating
27 the project or for support for future infrastructure enhancements

1 that are necessitated, in whole or in part, by construction of the
2 project. In addition, a project constructed in violation of this
3 section shall result in the loss of any state capital outlay
4 funding for the institution for 2 years and a prohibition of doing
5 self-funded projects of any kind, except for emergencies where
6 health or safety concerns warrant, for 1 year.

7 (6) A state agency, including the department of military and
8 veterans affairs, shall not enter into a contract, including those
9 for a direct federally funded capital outlay construction or major
10 maintenance or remodeling project if the total project is estimated
11 to cost more than \$1,000,000.00 and is to be constructed on state-
12 owned lands unless the project is approved by the department of
13 technology, management, and budget and JCOS through approval of a
14 use and finance statement defined by a policy adopted by JCOS,
15 unless the project is otherwise appropriated in a capital outlay
16 appropriations act. For projects not appropriated in a capital
17 outlay appropriations act that are over \$1,000,000.00, the state
18 agency shall submit a use and finance statement defined by a policy
19 adopted by JCOS. As used in this subsection, "direct federally
20 funded" refers to a project for which federal payments are made
21 directly to the construction vendor and not to the state of
22 Michigan.

23 (7) A public body corporate created under section 28 of
24 article VII of the state constitution of 1963 and the urban
25 cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to
26 124.512, by a contractual interlocal agreement between local
27 participating economic development corporations formed under the

1 economic development corporations act, 1974 PA 338, MCL 125.1601 to
2 125.1636, and the Michigan strategic fund shall not enter into a
3 contract for new construction estimated to cost more than
4 \$1,000,000.00 unless the project is authorized by JCOS through the
5 approval of a use and finance statement defined by a policy adopted
6 by JCOS. For purposes of this subsection, the use and finance
7 statement for a project shall contain the estimated total
8 construction cost and all associated estimated operating costs. As
9 used in this subsection, "new construction" means land or property
10 acquisition, remodeling or additions, lease or lease purchase, and
11 maintenance projects for the corporate office of the public body
12 corporate described in this subsection.

13 (8) By not later than April 1 and October 1, each university
14 shall report to the JCOS chairpersons, the senate and house fiscal
15 agencies, and the department of technology, management, and budget
16 all self-funded capital projects commenced for the immediately
17 preceding 6-month period that cost less than \$3,000,000.00 but at
18 least \$1,000,000.00. Community colleges shall also submit these
19 reports for self-funded capital projects that cost less than
20 \$2,000,000.00 but at least \$1,000,000.00.

10 the compulsive gaming prevention fund as described in section
11 12a(5) of the Michigan gaming control and revenue act, 1996 IL 1,

26 of government to enter into agreements with federally recognized
27 Indian tribes to provide financial assistance to local units of

20 number of future race dates conducted by race meeting licensees
21 with which the certified horsemen's organization has contracts.
22 Prior to the reduction in the number of authorized race dates due
23 to budget deficits, the executive director of the Michigan gaming
