March 31, 2009, Introduced by Senator SWITALSKI and referred to the Committee on Appropriations.

A bill to amend 2005 PA 92, entitled  
"School bond qualification, approval, and loan act,"  
by amending section 9 (MCL 388.1929), as amended by 2006 PA 71.

## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 9. (1) Except as otherwise provided in this act, a school  
2       district may borrow from the state an amount not greater than the  
3       difference between the proceeds of the school district's computed  
4       millage and the amount necessary to pay principal and interest on  
5       its qualified bonds, including any necessary allowances for  
6       estimated tax delinquencies.

7       (2) For school districts having qualified loans outstanding as  
8       of July 20, 2005, the state treasurer shall review information  
9       relating to each school district regarding the taxable value of the  
10      school district and the actual debt service of outstanding

1 qualified bonds as of July 20, 2005 and shall issue an order  
2 establishing the payment date for all those outstanding qualified  
3 loans and any additional qualified loans expected to be incurred by  
4 those school districts related to qualified bonds issued before  
5 July 20, 2005. The payment date shall be not later than 72 months  
6 after the date on which the qualified bonds most recently issued by  
7 the school district are due and payable.

8 (3) For qualified loans related to qualified bonds issued  
9 after July 20, 2005, the qualified loans shall be due not later  
10 than 72 months after the date on which the qualified bonds for  
11 which the school borrowed from this state are due and payable. This  
12 section does not preclude early repayment of qualified bonds or  
13 qualified loans.

14 (4) Except with regard to qualified loans described in  
15 subsection (2), each loan made or considered made to a school  
16 district under this act shall be for debt service on only a  
17 specific qualified bond issue. The state treasurer shall maintain  
18 separate accounts for each school district on the books and  
19 accounts of this state noting the qualified bond, the related  
20 qualified loans, the final payment date of the bonds, the final  
21 payment date of the qualified loans, and the interest rate accrued  
22 on the loans.

23 (5) For qualified loans relating to qualified bonds issued  
24 after July 20, 2005, a school district shall continue to levy the  
25 computed mills until it has completely repaid all principal and  
26 interest on its qualified loans.

27 (6) For qualified loans relating to qualified bonds issued

1 before July 20, 2005, a school district shall continue to comply  
2 with the levy and repayment requirements imposed before July 20,  
3 2005. Not less than 90 days after July 20, 2005, the state  
4 treasurer and the school district shall enter into amended and  
5 restated repayment agreements to incorporate the levy and repayment  
6 requirements applicable to qualified loans issued before July 20,  
7 2005.

8 (7) Upon the request of a school district made before June 1  
9 of any year, the state treasurer annually may waive all or a  
10 portion of the millage required to be levied by a school district  
11 to pay principal and interest on its qualified bonds or qualified  
12 loans under this section if the state treasurer finds all of the  
13 following:

14 (a) The school board of the school district has applied to the  
15 state treasurer for permission to levy less than the millage  
16 required to be levied to pay the principal and interest on its  
17 qualified bonds or qualified loans under subsection (1).

18 (b) The application specifies the number of mills the school  
19 district requests permission to levy.

20 (c) The waiver will be financially beneficial to this state,  
21 the school district, or both.

22 (d) The waiver will not reduce the millage levied by the  
23 school district to pay principal and interest on qualified bonds or  
24 qualified loans under this act to less than 7 mills.

25 (e) The board of the school district, by resolution, has  
26 agreed to comply with all conditions that the state treasurer
