This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

The state budget director shall report quarterly to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous quarter and the reasons to justify the exception.

Preference should be given to goods or services, or both, manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality. In addition, preference should be given to goods or services, or both, that are manufactured or provided by Michigan businesses owned and operated by veterans, if they are competitively priced and of comparable quality.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both, for the department. The director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies, or both.

Sec. 211. (2) When the department provides contractual services to a local unit of government, the department shall be reimbursed for all costs incurred in providing the services, including, but not limited to, retirement and overtime costs.

If the department determines that insufficient appropriations exist under part 1 to accomplish the goal of subsection (2), the department shall submit a proposal outlining a plan to accomplish the goal, including an accounting of any additional funding necessary to that end.

Sec. 219. The department of state police shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies not less than 180 days before recommending to close or consolidate any state police posts. The notification shall include a local and state impact study of the proposed post closure or consolidation.
