Rev. Ronda L. Hawkins, Pastor of United Methodist Church, Detroit Conference in Brighton, offered the following invocation:

“Almighty God, we thank You for the opportunity to gather together this afternoon. We pause to ask for Your presence here in this historic chamber.

We thank You for the privilege of living in the most incredible country on earth. You have blessed us for over 200 years but Lord, we only need to scan the headlines to see so much in our country that causes us to have doubts that the freedoms we have enjoyed and the liberties we have benefitted from seem to be slipping away. It pains us to realize that some of this is due to our increasing distance from You: from lack of respect for human life, and intact families, to self-centeredness, to greed, to disrespect for authority, to lust for power. We ask that You would create a new heart within us and give us the courage to return to You and the purpose You would have for us.

O God, these representatives here today have been elected to serve and are therefore privileged to do the work of the people—the people of the great state of Michigan. We humbly ask for Your strength upon them. We would ask for wisdom, O God, and discernment so that the work of this body may be for the good of the people of this state.

May the introduction and adoption of legislation that is accomplished here in these waning days of this session be done in a principled manner with integrity less dependent on political ideology, partisanship and divisiveness but more with an emphasis on the right and the good.

You have blessed us, O God with many gifts and talents, none more important than another. As we gather together with a united purpose we become one body. Working together we can become a complete whole. We ask for Your direction and assistance with this aim.

We ask O God, for Your strength and protection on others serving in state government—especially on our Governor Rick Snyder and our Lieutenant Governor Brian Calley.

Lord, we pray for peace in all lands, but as we continue striving for that day, we ask for Your continued blessing and protection on the men and women who serve in our military protecting freedom in our state, in our country and around the world. We remember and honor those who have sacrificed their tomorrows so that we might enjoy ours. We also ask for Your protection on those first responders, police officers and firefighters who also protect us and thank You for giving them the courage and the willingness to do so.

We ask, O God for Your continued blessings on all our people, our families, our great state and our nation.

For all of this we ask in Your Holy name.

AMEN>”

House Resolution No. 180.

A resolution to declare July 2013 as Parks and Recreation Month in the state of Michigan.

Whereas, Parks and recreation programs are an integral part of communities throughout the United States and Michigan; and

Whereas, Michigan’s parks and recreation services are vitally important to establishing and maintaining the quality of life in our communities, ensuring the health of all citizens, and contributing to the economic and environmental well-being of a community and region; and

Whereas, Parks and recreation programs build healthy, active communities that aid in the prevention of chronic disease, provide therapeutic recreation services for those who have a mental or physical disability, and also improve the mental and emotional health of all citizens; and

Whereas, Parks and recreation programs increase a community's economic prosperity through increased property values, expansion of the local tax base, increased tourism, the attraction and retention of businesses, and crime reduction; and

Whereas, Parks and recreation areas are fundamental to the environmental well-being of Michigan; and

Whereas, Parks and natural recreation areas in Michigan improve water quality, protect groundwater, prevent flooding, improve the quality of the air we breathe, provide vegetative buffers to development, and produce habitat for wildlife; and

Whereas, Michigan's parks and recreation areas ensure the ecological beauty of our community and provide a place for children and adults to connect with nature and recreate outdoors; and

Whereas, The National Recreation and Park Association has designated July as Parks and Recreation Month; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2013 as Parks and Recreation Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Darany, Barnett, Brown, Cavanagh, Durhal, Faris, Geiss, Heise, Hovey-Wright, Howrylak, Lipton, Roberts, Singh, Slavens, Talabi and Tlaib offered the following resolution:

House Resolution No. 181.

A resolution to commemorate the 50th anniversary of Dr. Martin Luther King, Jr.'s Detroit Walk to Freedom.

Whereas, It is with great respect that the members of this legislative body are proud to join with the citizens of Michigan in remembering this historic event and the heroic actions that served as a catalyst for justice and equality; and

Whereas, Including an estimated 125,000 participants, the legendary Detroit march was labeled the "largest civil rights demonstration in the nation's history [to date]" by the Detroit Free Press; and

Whereas, On June 22, 1963 Dr. Martin Luther King, Jr. stood before 25,000 people at Cobo Hall in Detroit and declared, "I have a dream" following the historic Woodward Avenue march; and

Whereas, Martin Luther King, Jr.'s Walk to Freedom served as an example of non-violent, civil disobedience that became an exemplification of change when advocating for human rights and dignity while advancing an end to discrimination; and

Whereas, These actions and the civil rights movement led to the passage of Civil Rights Act of 1964, which removed the status of legal discrimination against racial, ethnic, and religious minorities, and guaranteed equality under the law; and

Whereas, The success of the Detroit Walk to Freedom enthused the historic March on Washington on August 28, 1963, both of which inspired an end to racial segregation in the United States; and,

Whereas, The Detroit Walk to Freedom participants' bravery and determination highlighted the strength of non-violent protest and became a facilitator for change, not only in Michigan, but across the nation as well; and

Whereas, A commemorative march will be held in Detroit, Michigan on June 22, 2013, in honor of the original Walk to Freedom. Participants will march the same historic Woodward Avenue route people walked in 1963 in remembrance of the struggle for justice and equality that Dr. Martin Luther King, Jr. and other participants of this momentous event advocated for; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 50th anniversary of Dr. Martin Luther King, Jr.'s Detroit Walk to Freedom.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Slavens, Barnett, Brown, Cavanagh, Darany, Durhal, Faris, Geiss, Hovey-Wright, Howrylak, Roberts, Singh, Talabi and Tlaib offered the following resolution:

House Resolution No. 182.

A resolution to declare July 2013 as Ultraviolet Ray Safety Month in the state of Michigan.

Whereas, The sun can adversely affect everyone; and

Whereas, People who are at the highest risk for skin cancer are those who spend excessive amounts of time in the sun, as well those who get sun burns easily or frequently; and

Whereas, Even though the risk of skin cancer is not equal for all people, everyone should take precautions; and

Whereas, Everyone is equally at risk for eye damage due to overexposure to the sun's ultra violet radiation; and

Whereas, Prolonged exposure of natural and/or manmade UV rays leads to skin and eye diseases such as cataracts, age-related macular degeneration, glaucoma complications, skin cancer, and weakened immune systems; and

Whereas, The most dangerous UV levels exist between 10 a.m. and 4 p.m., even on cloudy days and during winter months; and

Whereas, The Center for Disease Control and Prevention (CDC) recommends wearing a hat with a wide brim to shade the face, head, ears, and neck, as well as wearing sunglasses that wrap around and block as close to 100% of both UVA and UVB rays as possible; and

Whereas, The CDC recommends the use sunscreen with sun protective factor (SPF) 15 or higher and both UVA and UVB protection; and

Whereas, Ultraviolet Safety Month helps develop greater public awareness of dangers of exposure to UV radiation and the importance of protecting our skin and eyes from the sun's harmful rays; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2013 as Ultraviolet Ray Safety Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Slavens, Barnett, Brown, Cavanagh, Darany, Durhal, Faris, Geiss, Hovey-Wright, Lori, Roberts, Talabi and Tlaib offered the following resolution:

House Resolution No. 183.

A resolution to declare August 2013 as Immunization Awareness Month in the state of Michigan.

Whereas, Vaccines have reduced and, in some cases, eliminated many diseases that once routinely killed or harmed tens of thousands of infants, children, and adults; and

Whereas, Vaccine-preventable diseases have a costly impact, resulting in doctors' visits, hospitalizations, and premature deaths; and

Whereas, Maintaining high immunization rates protects the entire state by interrupting the transmission of disease-causing bacteria or viruses; and

Whereas, Influenza is responsible for approximately 20,000 to 50,000 deaths annually and an estimated 200,000 hospitalizations per year; and

Whereas, Hepatitis B infections occur in 200,000 to 300,000 people each year and result in 10,000 to 15,000 hospitalizations and 250 deaths each year; now, therefore, be it

Resolved by the House of Representatives, That that the members of this legislative body declare August 2013 as Immunization Awareness Month in the state of Michigan. We call this observance to the attention of all our citizens.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Slavens, Barnett, Brown, Cavanagh, Darany, Durhal, Faris, Geiss, Hovey-Wright, Howrylak, Roberts, Singh, Talabi and Tlaib offered the following resolution:

House Resolution No. 184.

A resolution to declare June 2013 as Post-Traumatic Stress Disorder Awareness Month in the state of Michigan.

Whereas, Throughout our nation's history, the men and women of the United States Armed Forces have preserved our freedom, protected our security, and upheld our democratic values; from the battles of the American Revolution through the crucible of two world wars to the wars in Iraq and Afghanistan today, our men and women in uniform have stood proudly in defense of the United States and the cause of liberty; and

Whereas, The federal Department of Veterans Affairs estimates that as many as 95 percent of veterans returning from combat in Iraq and Afghanistan have some form of PTSD; and

Whereas, The incidence of post-traumatic stress disorder (PTSD) in members of the military is rising, exposing hundreds of thousands of soldiers to traumatic life-threatening events; and

Whereas, Many cases of PTSD remain unreported, undiagnosed, and untreated due to a lack of awareness about PTSD and the persistent stigma associated with mental health conditions; and

Whereas, Symptoms include nightmares, feeling numb, having difficulty experiencing love or closeness with others, feeling jittery or overly alert, having difficulty sleeping, experiencing anger or irritability, having difficulty concentrating, substance problems, and having feelings of despair or hopelessness; and

Whereas, Although the Department of Defense and the Department of Veterans Affairs have made significant advances in the prevention, diagnosis, and treatment of PTSD and the symptoms of PTSD, many challenges remain; and

Whereas, According to the National Institute for Mental Health, PTSD is an anxiety disorder that can develop after exposure to a terrifying event or ordeal in which grave physical harm occurred or was threatened; and

Whereas, Eight percent of the U.S. population at large will be affected by Post-Traumatic Stress Disorder in their lifetime; and

Whereas, The establishment of a National Post-Traumatic Stress Disorder Awareness Month will raise public awareness about issues related to PTSD, reduce the stigma associated with PTSD, and help ensure that those suffering from the invisible wounds of war receive proper treatment; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 2013 as Post-Traumatic Stress Disorder Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

Reps. Foster, Cotter, Crawford, Denby, Heise, Hooker, Howrylak, Kowall, O'Brien and Rogers offered the following resolution:

House Resolution No. 185.

A resolution to memorialize Congress to repeal the Affordable Care Act.

Whereas, The 2010 Affordable Care Act (ACA) is a violation of personal liberty and strikes at the heart of American federalism. The federal mandate on American citizens to purchase health insurance and on employers to provide health insurance are unprecedented. The President and the Congress have invaded the traditional authority of the states in regulating health insurance within their own borders; and

Whereas, The ACA intrudes into the private relationship between physicians and their patients. The relationship between physicians and their patients is sacrosanct because the physician is serving only the individual patient and is their professional advocate in matters of life and death, health, and well-being. The ACA damages this relationship by creating bureaucratic and financial burdens on physicians and coercing American patients to choose a physician that may not fit their needs; and

Whereas, The ACA imposes unfunded mandates on the states, onerous requirements on individuals and employers, and places a suffocating burden on the physicians of this country; now, therefore be it,

Resolved by the House of Representatives, That we memorialize Congress to repeal the Affordable Care Act; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Health Policy.

The Speaker called Associate Speaker Pro Tempore Cotter to the Chair.

Messages from the Governor

The following line items veto message from the Governor was received and read:

Executive Office, Lansing, June 13, 2013

Michigan House of Representatives
State Capitol
Lansing MI 48909-7536

Ladies and Gentlemen:

Today I have signed **Enrolled House Bill 4328**, which makes appropriations for various departments and agencies, the judicial branch and the legislative branch for the fiscal year ending September 30, 2014. I have, however, disapproved two items pursuant to Section 19 of Article V of the Michigan Constitution of 1963. The specific vetoes are detailed in the attached copy of the bill that has been filed with the Secretary of State.

I have disapproved the appropriations in section 108(13) and related section 1053 within the Department of Treasury, Michigan Strategic Fund (Article VIII) because fiscal year 2013 was the final year of funding based on a two-year phase-out of state support.

I have disapproved the appropriation within the Department of Transportation in Article XVII, section 736 because current traffic control standards are consistent with federal standards and a transportation revenue package is still pending.

I have considered the enforceability of boilerplate provisions as I provide direction to departments in implementing appropriations contained in Enrolled House Bill 4328. Among the various provisions that are considered unenforceable, I note the following: sections 453(2) and 803 (Article I); section 407 (Article VII); section 341 (Article XI); and sections 341 and 375 (Article XIII). Section 522 (Article X) is considered enforceable provided it does not conflict with federal funding guidelines. Section 382 (Article XVII) is considered enforceable to the extent it does not alter or amend Act 51 of 1951 requiring local unit cost sharing.

Enrolled House Bill 4328 also contains numerous boilerplate sections that include statements of legislative intent. We will take these legislative preferences into consideration as departments and agencies implement the appropriations. However, these legislative intent statements do not impose conditions on appropriations and are non-binding upon departments and agencies implementing the appropriations.

I thank the Legislature for adopting this omnibus appropriation bill and for demonstrating once again its commitment to completing the budget in a timely fashion. However, there is more to do in finalizing the Healthy Michigan Plan and designing a revenue package to support our transportation infrastructure. I look forward to working with the Legislature to complete action on these important initiatives.

Respectfully,
Rick Snyder
Governor

The bill was signed by the Governor June 13, 2013, at 3:20 p.m.

The bill was filed with the Secretary of State June 13, 2013, at 3:55 p.m. and assigned Public Act No. 59, I.E.

The question being on the passage of the disapproved items, the objections of the Governor to the contrary notwithstanding, Rep. Lyons moved that the disapproved line items be re-referred to the Committee on Appropriations.

The motion prevailed.

By unanimous consent the House returned to the order of
