Overview

Article VI of the State Constitution of 1963 forms the basis for Michigan's judicial branch of government, which receives funds appropriated through the budget act for the Judiciary. The Judiciary budget provides operational funding for the Michigan Supreme Court, Court of Appeals, and related judicial agencies. The budget also funds the salaries of justices of the Supreme Court and judges of the appeals, circuit, probate, and district courts according to constitutional and statutory requirements. Assistance for local court operations is provided through a variety of grant programs. The largest of these, the Court Equity grant program, reimburses counties for trial court operations based on a statutory formula that recognizes circuit and probate caseloads and the numbers of judgeships.

Sec. 223. Website for Performance Scorecard – NEW

Executive adds a new section which requires the judiciary to maintain, on a publicly accessible website, a scorecard that identifies, tracks, and regularly updates key metrics that are used to monitor and improve the judiciary's performance. House concurs. Senate concurs.

Sec. 320. Swift-and-Sure Sanctions Pilot Program – REVISED

Current year language authorizes \$6.0 million in grant funding to be awarded by SCAO to qualifying courts to operate a Swift and Sure Sanctions program; requires courts to operate a drug court or be part of a unified trial court system in order to qualify for grant funding; specifies priorities for SCAO to follow when distributing grant funding; and requires reports from courts that receive grant funding. Executive revises language by referencing the Swift and Sure Sanctions program act, deleting the requirement that funding be distributed only to courts which operate a drug court or have a unified trial court, deleting the list of priorities to be used in awarding grant funding, and deleting the requirement for submission of reports by courts that receive funding. House concurs with the Executive on referencing the Swift and Sure Sanctions program act, deleting the requirement that funding be distributed only to courts which operate a drug court or have a unified trial court, and deleting the list of priorities to be used in awarding grant funding, but retains the reporting requirement. Senate concurs with House revisions.

Sec. 321. Self-Help Website – REVISED

Current year language expresses intent of the legislature that the judicial branch support a statewide legal self-help website and local nonprofit self-help centers that provide assistance to persons who represent themselves in civil legal proceedings.
