Changes from FY 2013-14 Year-to-Date:

Items Included by the Senate and House

1. **Legacy Costs.** Senate included new language specifying the legacy costs at \$49,676,000 for pension-related costs and \$39,448,600 for retiree health care costs for the year. (Sec. 297)

Conference Agreement on Items of Difference

- 2. **Healthy Michigan Plan.** Conference included new language stipulating that should the enacting legislation regarding the Healthy Michigan Plan be amended, repealed, or altered funds appropriated in that line would only be able to be used to pay bills accrued up until the effective date of amending, repeal, or alteration. (Sec. 252)
- 3. Contracts for Mental Health Services for Special Populations. Governor and House modified language to require competitive bidding for the dispersal of grants to multicultural service providers. Senate retained current year language. Conference revised language to require establishment of metrics. (Sec. 403)
- 4. Housing Rehabilitation and Hazard Abatement Task Force. Conference included new language which requires the Department to work with DHS and MSHDA to review housing rehabilitation, energy and weatherization, and hazard abatement program policies. (Sec. 1139)
- 5. **Certification of Health Plan and PIHP Rates as Actuarially Sound.** Conference retained current year language. (Sec. 1764)
- 6. **Health Insurer Fee Reserve Fund.** Conference included new language establishing a reserve fund of \$30.0 million GF/GP and associated Federal Match to cover the cost of the 2015 insurance provider's fee. These funds may only be expended after the IRS finalizes the percent assessment for 2015. (Sec. 1765)
- 7. **Rural Hospital Funding.** Senate retained current year language allocating \$12.0 million GF/GP, along with associated Federal match. Conference concurred with Senate, but modified limits on payments to any one hospital from a maximum of 5% of the pool to 10%. (Sec. 1866)
- Graduate Medical Education (GME). Conference modified language on GME to require the Department to work with Michigan based medical schools to create a GME consortium to be known as MiDocs. Also, allocates \$500,000 for the legal creation of the consortium, to obtain ACGME accreditation and develop new residency programs within the State. (Sec. 1870)
- Medicaid Health Plan Performance Standards. Conference included new language requiring the Department to
 establish contract performance standards for Medicaid health plans three months before their implementation.
 Language would only apply to contract performance standards associated with the capitation withhold and altered the
 time frame to at least three months before implementation. (Sec. 1888)
- 10. **Harper-Hutzel Hospital Funding.** Senate included new language allocating a DSH payment of \$6,500,000 GF/GP plus associated Federal match to Harper-Hutzel Hospital. Conference removed. (Sec. 1895)
- 11. Diabetes Manifestation in Medicaid. Conference included new language requiring reports on the prevalence of gestational diabetes in the Medicaid population and the Medicaid program performance on diabetes specific measures. Language would allocate up to \$35,000 contingent upon the receipt of matching private funds for the study on gestational diabetes. (Secs. 1896 and 1897)
