FY 2013-14 Year-to-Date Gross Appropriation	\$154,202,500
Changes from FY 2013-14 Year-to-Date:	
Items Included by the Senate and House	
1. <b>Great Lakes Water Quality Bond.</b> The Governor included a negative adjustment of \$7.3 million in debt service payments for the Great Lakes Water Quality Bond. In addition, the Governor also included new debt service payments totaling \$6.5 million GF/GP bringing the total debt service payment for this bond to \$13,811,000 (all GF/GP) in FY 2014-15. The overall change in payments for this bond decreases by \$2.1 Million from FY 2013-14. The proposed debt service payments for this bond would cover debt service on existing bonds and the additional costs of a proposed \$97.0 million bond issue. There is \$97.0 million in spending authority in the FY 2014-15 DEQ Executive Recommendation for these bonds under the Strategic Water Quality Initiative Fund (SWQIF) within DEQ. The bonds are issued under Proposal 2 of 2002 and can be spent on grants and loans to municipalities for groundwater and storm water management. The increases are due to changes in the statute that establishes the SWQIF that makes the grants and loans more attractive to municipalities. The Senate concurred.	(2,105,600)
<ol> <li>Clean Michigan Initiative. The Governor recommended an increase in debt service of \$36,600 to \$57,224,000 GF/GP in FY 2014-15 to cover the cost of scheduled payments. The Senate concurred.</li> </ol>	36,600
3. <b>Quality of Life Bond.</b> The Governor recommended increasing the debt service line for this program to \$81,360,000 in FY 2014-15. This consists of an increase in scheduled payments of \$,1.1 million GF/GP and an addition of \$3.0 million GF/GP in a fund shift that replaces \$3.0 million from the Refined Petroleum Fund. The Senate concurred.	1,394,200
<ol> <li>Water Pollution Control Bond and Interest Redemption. The Governor eliminated all funding for this debt service in FY 2014-15 as all the obligations have been met. The Senate concurred.</li> </ol>	(1,132,700)

FY 2013-14 Year-to-Date Gross Appropriation	\$1,136,903,600
Changes from FY 2013-14 Year-to-Date:	
Items Included by the Senate and House	
1. Constitutional Revenue Sharing. The Governor recommended an increase of 2.6% to \$764,927,600 consistent with the growth in sales tax revenue forecast by the January 2014 Consensus Revenue Estimating Conference. The Senate and House concurred. Conference included \$758,272,400 or about \$76.96 per capita for each city, village, and township (CVT) based on the May 2014 consensus estimate of 2.4% growth.	17,968,800
<ol> <li>Supplemental EVIP Distribution. The Governor added \$28.5 million for an additional payment to most EVIP-eligible CVTs. The Senate and House did not include.</li> </ol>	0
Conference Agreement on Items of Difference	
3. County Revenue Sharing and County Incentive Program (CIP). The Governor recommended full funding for 74 eligible counties under the statutory county revenue sharing distribution formula, an increase of 44.9% to \$211,200,000. Each eligible county would receive 80% of its full funding amount through the county revenue sharing line item and up to 20% by meeting the requirements of the County Incentive Program. The Senate concurred in the total funding and reduced the funding subject to the transparency requirements from 20.0% to 10.0%. House concurred with Governor. Conference concurred with House.	65,440,000
4. Economic Vitality Incentive Program (EVIP)/City, Village, and Township Revenue Sharing. The Governor added 3.1% to EVIP for eligible CVTs. The Senate provided a 1.0% increase to the 486 current EVIP-eligible CVTs and \$28.6 million distributed to 756 CVTs according to the statutory three-factor formula based on unit type, taxable value, and yield equalization. House provided that an eligible CVT would receive the higher of a 1% increase or \$7.14609 per capita with no payments under \$5,000 which would result in 1,492 recipients. Conference increased payments to current recipients by about 3.1% and added \$5.8 million for a distribution of about \$2.65 per capita to local units with a population over 7,500. That would add 101 CVTs as recipients for one-time payments based on a presumed level of services. Existing recipients with population over 7,500 would receive the greater of the two payments.	13,000,000
5. Financially Distressed Cities, Villages, and Townships. The Senate added \$10.0 million for grants to assist CVTs that have signs of probable financial distress as determined by Treasury. House did not include. Conference funded at \$8.0 million, of which \$5.0 million is ongoing and \$3.0 million is one-time.	8,000,000
6. Competitive Grant Assistance Program (CGAP). The Governor and House reduced CGAP from \$15.0 million in FY 2013-14 to \$5.0 million in FY 2014-15. A balance from FY 2013-14 is expected to carry forward for distribution in FY 2014-15. The Senate did not include. Conference concurred with Senate.	(15,000,000)
7. <b>FY 2014-15 One-Time Appropriations.</b> One-time funding of \$8.8 million is included: \$5.8 million for CVT revenue sharing and \$3.0 million for financially distressed CVTs.	
Total Changes	\$89,408,800
FY 2014-15 Conference Report Ongoing/One-Time Gross Appropriation	\$1,226,312,400

#### Items Included by the Senate and House

- Incentive Program Optional Financial Standards. The Governor proposed that CVTs and counties could qualify for EVIP or the county incentive program by certifying compliance with optional financial stability standards. The Senate and House did not include. (Sec. 20-952)
- 2. **EVIP Supplemental Payment Eligibility**. The Governor proposed a new distribution to EVIP-eligible CVTs. It would be made on an adjusted per capita basis, with population figures increased by 10.0% for each criteria met by a local unit in the areas of financial stability, high unemployment, high crime rate, or the presence of a deficit elimination plan. The Senate and House did not include. (Sec. 20-953)

#### Conference Agreement on Items of Difference

- Competitive Grant Assistance Program. The Governor and House specified that the Department of Treasury may
  consider projects that result in more efficient government services through increased cooperation and/or
  collaboration. The Senate eliminated the program. Conference concurred with Senate. (Sec. 20-951)
- 4. City, Village, and Township (CVT) Revenue Sharing. The Senate provided that each CVT eligible for EVIP in FY 2013-14 would receive a 1.0% increase upon meeting accountability and transparency requirements. The remaining \$28.6 million in funds would be distributed according to the statutory revenue sharing formula components of adjusted unit type population, taxable value, and tax yield equalization. The House provided for CVTs to receive the higher of a 1% increase or \$7.14609 per capita, with no payment under \$5,000. Conference funded at 78.51044% of FY 2009-10 payments over \$4,500 (about a 3.1% increase), or, for CVTs with population over 7,500, the larger of \$2.64659 per capita or the 3.1% increase. New recipients in FY 2014-15 are considered "one-time" and are included based on the presumed level of services provided. (Sec. 952)
- 5. Incentive Program/Revenue Sharing Requirements. The Governor required a report of the cost per resident of unfunded accrued liabilities and limited the consolidation plan update requirement to plans in the most recent report. The Senate limited requirements to accountability and transparency, eliminated the other categories, and extended the date for compliance from October 1 to December 1. House retained transparency standards and required CVTs to use 5% of the payment to reduce unfunded liabilities. Conference concurred with Senate. (Sec. 952)
- 6. **Financially Distressed Cities, Villages, and Townships.** The Senate provided \$10.0 million for grants to CVTs with one or more indications of probable financial distress as determined by the Department of Treasury. Grants of up to \$2.0 million would be made for projects or services to move the CVT toward financial stability, such as reduction in unfunded accrued liabilities, repair of critical infrastructure owned and maintained by the CVT, reduction of general fund debt, or costs associated with a transition to shared services. Unused funds would carry forward. The Department would report to the Legislature by March 15 on the awardees, grant amounts, and purposes of the grants. House did not include. Conference concurred with Senate. (Sec. 956)
- 7. **Statewide Online Financial Accountability Reporting System.** The Senate required that the appropriations in part 1 be used for a contract for a statewide online financial accountability reporting system accessible to the general public that displays local government audit data submitted pursuant to MCL 141.424. The online reports would include for each local government financial distress indicators, revenues and expenditures, unfunded liabilities, statements of financial position, crime statistics, public safety information, shared services, revenue and spending per full-time equivalent employee, and other indicators as determined by the department. A report from the department to the Legislature on the project is required by March 15. House did not include. Conference included but removed the contract requirement and required that an RFP be issued. (Sec. 958)
- 8. Local Reporting on Costs of Insurance for Medicare-Eligible Retirees. The Senate added a statement of legislative intent that would require local governments that offer health insurance to retired employees or retired elected officials to solicit bids for obtaining health insurance for retirees separately from health insurance for current employees. It required a report of projected savings to Treasury, which would report the savings to the Legislature. House did not include. Conference concurred with House. (Sec. 959)
