8 federal child support incentive payment of \$26,500,000.00.

9 (2) From the federal money received for child support
10 incentive payments, \$12,000,000.00 shall be retained by the state
11 and expended for child support program expenses.

12 (3) From the federal money received for child support
13 incentive payments, \$14,500,000.00 shall be paid to the counties
14 based on each county's performance level for each of the federal
15 performance measures as established in 45 CFR 305.2.

16 (4) If the child support incentive payment to the state from
17 the federal government is greater than \$26,500,000.00, then 100% of
18 the excess shall be retained by the state and is appropriated until
19 the total retained by the state reaches \$15,397,400.00.

20 (5) If the child support incentive payment to the state from
21 the federal government is greater than the amount needed to satisfy
22 the provisions identified in subsections (1), (2), (3), and (4),
23 the additional funds shall be subject to appropriation by the
24 legislature.

25 (6) If the child support incentive payment to the state from

14 are escheated, the state budget director is authorized to adjust
15 the sources of financing for the funds appropriated in part 1 for
16 legal support contracts to reduce federal authorization by 66% of
17 the escheated amount and increase general fund/general purpose
18 authorization by the same amount. This budget adjustment is
19 required to offset the loss of federal revenue due to the escheated
20 amount being counted as title IV-D program income in accordance
21 with federal regulations at 45 CFR 304.50.

22 (2) The department shall notify the chairs of the house and
