## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 502. (1) A health care corporation may enter into  
2 participating contracts for reimbursement with professional health  
3 care providers practicing legally in this state for health care  
4 services or with health practitioners practicing legally in any  
5 other jurisdiction for health care services that the professional  
6 health care providers or practitioners may legally perform. A  
7 participating contract may cover all members or may be a separate  
8 and individual contract on a per claim basis, as set forth in the  
9 provider class plan, if, in entering into a separate and individual  
10 contract on a per claim basis, the participating provider certifies

1   **ALL OF THE FOLLOWING** to the health care corporation:

2           (a) That the provider will accept payment from the corporation  
3   as payment in full for services rendered for the specified claim  
4   for the member indicated.

5           (b) That the provider will accept payment from the corporation  
6   as payment in full for all cases involving the procedure specified,  
7   for the duration of the calendar year. As used in this subdivision,  
8   provider does not include a person licensed as a dentist under part  
9   166 of the public health code, 1978 PA 368, MCL 333.16601 to  
10   333.16648.

11          (c) That the provider will not determine whether to  
12   participate on a claim on the basis of the race, color, creed,  
13   marital status, sex, national origin, residence, age, disability,  
14   or lawful occupation of the member entitled to health care  
15   benefits.

16          (2) A contract entered into ~~pursuant to~~**UNDER** subsection (1)  
17   shall provide that the private provider-patient relationship shall  
18   be maintained to the extent provided for by law. A health care  
19   corporation shall continue to offer a reimbursement arrangement to  
20   any class of providers with which it has contracted ~~prior to~~**BEFORE**  
21   August 27, 1985 and that continues to meet the standards set by the  
22   corporation for that class of providers.

23          (3) A health care corporation shall not restrict the methods  
24   of diagnosis or treatment of professional health care providers who  
25   treat members. Except as otherwise provided in section 502a, each  
26   member of the health care corporation shall at all times have a  
27   choice of professional health care providers. This subsection does

1 not apply to limitations in benefits contained in certificates, to  
2 the reimbursement provisions of a provider contract or  
3 reimbursement arrangement, or to standards set by the corporation  
4 for all contracting providers. A health care corporation may refuse  
5 to reimburse a health care provider for health care services that  
6 are overutilized, including those services rendered, ordered, or  
7 prescribed to an extent that is greater than reasonably necessary.

8 (4) A health care corporation may provide to a member, upon  
9 request, a list of providers with whom the corporation contracts,  
10 for the purpose of assisting a member in obtaining a type of health  
11 care service. However, except as otherwise provided in section  
12 502a, an employee, agent, or officer of the corporation, or an  
13 individual on the board of directors of the corporation, shall not  
14 make recommendations on behalf of the corporation with respect to  
15 the choice of a specific health care provider. Except as otherwise  
16 provided in section 502a, an employee, agent, or officer of the  
17 corporation, or a person on the board of directors of the  
18 corporation who influences or attempts to influence a person in the  
19 choice or selection of a specific professional health care provider  
20 on behalf of the corporation, is guilty of a misdemeanor.

21 (5) A health care corporation shall provide a symbol of  
22 participation, which can be publicly displayed, to providers who  
23 participate on all claims for covered health care services rendered  
24 to subscribers.

25 (6) This section does not impede the lawful operation of, or  
26 lawful promotion of, a health maintenance organization owned by a  
27 health care corporation.

1           (7) Contracts entered into under this section with  
2 professional health care providers licensed in this state are  
3 subject to ~~the provisions of~~ sections 504 to 518.

4           (8) A health care corporation shall not deny participation to  
5 a freestanding surgical outpatient facility on the basis of  
6 ownership if the facility meets the reasonable standards set by the  
7 health care corporation for similar facilities, is licensed under  
8 part 208 of the public health code, 1978 PA 368, MCL 333.20801 to  
9 333.20821, and complies with part 222 of the public health code,  
10 1978 PA 368, MCL 333.22201 to 333.22260.

11           (9) Notwithstanding any other provision of this act, if a  
12 certificate provides for benefits for services that are within the  
13 scope of practice of optometry, a health care corporation is not  
14 required to provide benefits or reimburse for a practice of  
15 ~~optometric~~ **OPTOMETRY** service unless that service was included in  
16 the definition of practice of optometry under section 17401 of the  
17 public health code, 1978 PA 368, MCL 333.17401, as of May 20, 1992.

18           (10) Notwithstanding any other provision of this act, a health  
19 care corporation is not required to reimburse for services  
20 otherwise covered under a certificate if the services were  
21 performed by a member of a health care profession, which health  
22 care profession was not licensed or registered by this state on or  
23 before January 1, 1998 but that becomes a health care profession  
24 licensed or registered by this state after January 1, 1998. This  
25 subsection does not change the status of a health care profession  
26 that was licensed or registered by this state on or before January  
27 1, 1998.

1           (11) Notwithstanding any other provision of this act,  
2 ~~including subsections (1) to (10),~~ if a certificate provides for

6 that service was included in the definition of practice of  
7 chiropractic under section 16401 of the public health code, 1978 PA
