Resolved by the Senate and House of Representatives of the state of Michigan, That the following amendment to the state constitution of 1963, to clarify the power of referendum when making appropriations, is proposed, agreed to, and submitted to the people of the state:

ARTICLE II

Sec. 9. The people reserve to themselves the power to propose

1 laws and to enact and reject laws, called the initiative, and the
2 power to approve or reject laws enacted by the legislature, called
3 the referendum. The power of initiative extends only to laws which
4 the legislature may enact under this constitution. The power of
5 referendum does not extend to **GENERAL APPROPRIATION** acts making
6 appropriations ~~for state institutions~~ **THAT SUBSTANTIALLY FUND 1 OR**
7 **MORE STATE DEPARTMENTS** or **TO ACTS MAKING APPROPRIATIONS** to meet
8 deficiencies in state funds and must be invoked in the manner
9 prescribed by law within 90 days following the final adjournment of
10 the legislative session at which the law was enacted. To invoke the
11 initiative or referendum, petitions signed by a number of
12 registered electors, not less than eight percent for initiative and
13 five percent for referendum of the total vote cast for all
14 candidates for governor at the last preceding general election at
15 which a governor was elected shall be required.

16 No law as to which the power of referendum properly has been
17 invoked shall be effective thereafter unless approved by a majority
18 of the electors voting thereon at the next general election.

19 Any law proposed by initiative petition shall be either
20 enacted or rejected by the legislature without change or amendment
21 within 40 session days from the time such petition is received by
22 the legislature. If any law proposed by such petition shall be
23 enacted by the legislature it shall be subject to referendum, as
24 hereinafter provided.

25 If the law so proposed is not enacted by the legislature
26 within the 40 days, the state officer authorized by law shall
27 submit such proposed law to the people for approval or rejection at

1 the next general election. The legislature may reject any measure
2 so proposed by initiative petition and propose a different measure
3 upon the same subject by a yea and nay vote upon separate roll
4 calls, and in such event both measures shall be submitted by such
5 state officer to the electors for approval or rejection at the next
6 general election.

7 Any law submitted to the people by either initiative or
8 referendum petition and approved by a majority of the votes cast
9 thereon at any election shall take effect 10 days after the date of
10 the official declaration of the vote. No law initiated or adopted
11 by the people shall be subject to the veto power of the governor,
12 and no law adopted by the people at the polls under the initiative
13 provisions of this section shall be amended or repealed, except by
14 a vote of the electors unless otherwise provided in the initiative
15 measure or by three-fourths of the members elected to and serving
16 in each house of the legislature. Laws approved by the people under
17 the referendum provision of this section may be amended by the
18 legislature at any subsequent session thereof. If two or more
19 measures approved by the electors at the same election conflict,
20 that receiving the highest affirmative vote shall prevail.

21 The legislature shall implement the provisions of this
22 section.

23 Resolved further, That the foregoing amendment shall be
24 submitted to the people of the state at the next general election
25 in the manner provided by law.
