state of Michigan, That the following amendment to the state constitution of 1963, to provide for the establishment of a unicameral nonpartisan legislature, is proposed, agreed to, and submitted to the people of the state:

1 ARTICLE II

2 Sec. 9. The people reserve to themselves the power to propose
3 laws and to enact and reject laws, called the initiative, and the
4 power to approve or reject laws enacted by the legislature, called
5 the referendum. The power of initiative extends only to laws which
6 the legislature may enact under this constitution. The power of
7 referendum does not extend to acts making appropriations for state
8 institutions or to meet deficiencies in state funds and must be
9 invoked in the manner prescribed by law within 90 days following
10 the final adjournment of the legislative session at which the law
11 was enacted. To invoke the initiative or referendum, petitions
12 signed by a number of registered electors, not less than eight
13 percent for initiative and five percent for referendum of the total
14 vote cast for all candidates for governor at the last preceding
15 general election at which a governor was elected shall be required.

16 No law as to which the power of referendum properly has been
17 invoked shall be effective thereafter unless approved by a majority
18 of the electors voting thereon at the next general election.

19 Any law proposed by initiative petition shall be either
20 enacted or rejected by the legislature without change or amendment
21 within 40 session days from the time such petition is received by
22 the legislature. If any law proposed by such petition shall be
23 enacted by the legislature it shall be subject to referendum, as

1 hereinafter provided.

2 If the law so proposed is not enacted by the legislature
3 within the 40 days, the state officer authorized by law shall
4 submit such proposed law to the people for approval or rejection at
5 the next general election. The legislature may reject any measure
6 so proposed by initiative petition and propose a different measure
7 upon the same subject by a yea and nay vote upon separate roll
8 calls, and in such event both measures shall be submitted by such
9 state officer to the electors for approval or rejection at the next
10 general election.

11 Any law submitted to the people by either initiative or
12 referendum petition and approved by a majority of the votes cast
13 thereon at any election shall take effect 10 days after the date of
14 the official declaration of the vote. No law initiated or adopted
15 by the people shall be subject to the veto power of the governor,
16 and no law adopted by the people at the polls under the initiative
17 provisions of this section shall be amended or repealed, except by
18 a vote of the electors unless otherwise provided in the initiative
19 measure or by three-fourths of the members elected to and serving
20 in ~~each house of~~ the legislature. Laws approved by the people under
21 the referendum provision of this section may be amended by the
22 legislature at any subsequent session thereof. If two or more
23 measures approved by the electors at the same election conflict,
24 ~~that~~ **THE MEASURE** receiving the highest affirmative vote shall
25 prevail.

26 The legislature shall implement the provisions of this
27 section.

ARTICLE III

Sec. 8. ~~Either house of the~~ **THE** legislature or the governor may request the opinion of the supreme court on important questions of law upon solemn occasions as to the constitutionality of legislation after it has been enacted into law but before its effective date.

ARTICLE IV

Sec. 1. ~~The~~ **THROUGH DECEMBER 31, 2016, THE** legislative power of the State of Michigan is vested in a senate and a house of representatives.

BEGINNING JANUARY 1, 2017, THE LEGISLATIVE POWER OF THE STATE OF MICHIGAN IS VESTED IN A LEGISLATURE CONSISTING OF ONE CHAMBER. THE LEGISLATURE SHALL CONSIST OF MEMBERS ELECTED FOR 4-YEAR TERMS AS PROVIDED BY LAW EXCEPT THAT OF THE MEMBERS FIRST ELECTED IN 2016, HALF SHALL SERVE FOR 2-YEAR TERMS AND HALF SHALL SERVE FOR 4-YEAR TERMS. THE LEGISLATURE SHALL CONSIST OF 110 MEMBERS FROM SINGLE-MEMBER DISTRICTS APPORTIONED ON THE BASIS OF POPULATION. EACH MEMBER SHALL BE NOMINATED AND ELECTED IN A NONPARTISAN MANNER AND WITHOUT ANY INDICATION ON THE BALLOT THAT HE OR SHE IS AFFILIATED WITH OR ENDORSED BY A POLITICAL PARTY.

SEC. 1A. ALL AUTHORITY VESTED BY THE CONSTITUTION OR LAWS OF THIS STATE IN THE SENATE, HOUSE OF REPRESENTATIVES, OR JOINT SESSION OF THE SENATE AND HOUSE OF REPRESENTATIVES, AS APPLICABLE, IS VESTED IN A LEGISLATURE OF ONE CHAMBER. ALL PROVISIONS IN THE CONSTITUTION AND LAWS OF THIS STATE RELATING TO THE LEGISLATURE, THE SENATE, THE HOUSE OF REPRESENTATIVES, JOINT SESSIONS OF THE SENATE AND HOUSE OF REPRESENTATIVES, SENATOR, OR MEMBER OF THE

HOUSE OF REPRESENTATIVES, AS APPLICABLE, APPLY TO AND MEAN A
 LEGISLATURE OF ONE CHAMBER AND ITS MEMBERS. ALL REFERENCES TO CLERK
 OF THE HOUSE OF REPRESENTATIVES OR SECRETARY OF THE SENATE MEAN,
 WHEN APPLICABLE, THE CLERK OF THE LEGISLATURE OF ONE CHAMBER. ALL

 REPRESENTATIVES, OR THE MEMBERS OF EITHER BODY OR BOTH BODIES, IT
 MEANS THE LEGISLATURE OF ONE CHAMBER CREATED IN THIS ARTICLE.

THIS SECTION TAKES EFFECT JANUARY 1, 2017.

~~Sec. 2. The senate shall consist of 38 members to be elected
 from single member districts at the same election as the governor
 for four year terms concurrent with the term of office of the
 governor.~~

~~In districting the state for the purpose of electing senators
 after the official publication of the total population count of
 each federal decennial census, each county shall be assigned
 apportionment factors equal to the sum of its percentage of the
 state's population as shown by the last regular federal decennial
 census computed to the nearest one one hundredth of one percent
 multiplied by four and its percentage of the state's land area
 computed to the nearest one one hundredth of one percent.~~

~~In arranging the state into senatorial districts, the
 apportionment commission shall be governed by the following rules:~~

~~(1) Counties with 13 or more apportionment factors shall be~~

~~entitled as a class to senators in the proportion that the total apportionment factors of such counties bear to the total apportionment factors of the state computed to the nearest whole number. After each such county has been allocated one senator, the remaining senators to which this class of counties is entitled shall be distributed among such counties by the method of equal proportions applied to the apportionment factors.~~

~~—— (2) Counties having less than 13 apportionment factors shall be entitled as a class to senators in the proportion that the total apportionment factors of such counties bear to the total apportionment factors of the state computed to the nearest whole number. Such counties shall thereafter be arranged into senatorial districts that are compact, convenient, and contiguous by land, as rectangular in shape as possible, and having as nearly as possible 13 apportionment factors, but in no event less than 10 or more than 16. Insofar as possible, existing senatorial districts at the time of reapportionment shall not be altered unless there is a failure to comply with the above standards.~~

~~—— (3) Counties entitled to two or more senators shall be divided into single member districts. The population of such districts shall be as nearly equal as possible but shall not be less than 75 per cent nor more than 125 percent of a number determined by dividing the population of the county by the number of senators to which it is entitled. Each such district shall follow incorporated city or township boundary lines to the extent possible and shall be compact, contiguous, and as nearly uniform in shape as possible.~~

~~—— Sec. 3. The house of representatives shall consist of 110~~

~~members elected for two year terms from single member districts apportioned on a basis of population as provided in this article. The districts shall consist of compact and convenient territory contiguous by land.~~

~~Each county which has a population of not less than seven tenths of one percent of the population of the state shall constitute a separate representative area. Each county having less than seven tenths of one percent of the population of the state shall be combined with another county or counties to form a representative area of not less than seven tenths of one percent of the population of the state. Any county which is isolated under the initial allocation as provided in this section shall be joined with that contiguous representative area having the smallest percentage of the state's population. Each such representative area shall be entitled initially to one representative.~~

~~After the assignment of one representative to each of the representative areas, the remaining house seats shall be apportioned among the representative areas on the basis of population by the method of equal proportions.~~

~~Any county comprising a representative area entitled to two or more representatives shall be divided into single member representative districts as follows:~~

~~(1) The population of such districts shall be as nearly equal as possible but shall not be less than 75 percent nor more than 125 percent of a number determined by dividing the population of the representative area by the number of representatives to which it is entitled.~~

~~1 (2) Such single member districts shall follow city and
2 township boundaries where applicable and shall be composed of
3 compact and contiguous territory as nearly square in shape as
4 possible.~~

~~5 Any representative area consisting of more than one county,
6 entitled to more than one representative, shall be divided into
7 single member districts as equal as possible in population,
8 adhering to county lines.~~

~~9 Sec. 4. In counties having more than one representative or
10 senatorial district, the territory in the same county annexed to or
11 merged with a city between apportionments shall become a part of a
12 contiguous representative or senatorial district in the city with
13 which it is combined, if provided by ordinance of the city. The
14 district or districts with which the territory shall be combined
15 shall be determined by such ordinance certified to the secretary of
16 state. No such change in the boundaries of a representative or
17 senatorial district shall have the effect of removing a legislator
18 from office during his term.~~

~~19 Sec. 6. A commission on legislative apportionment is hereby
20 established consisting of eight electors, four of whom shall be
21 selected by the state organizations of each of the two political
22 parties whose candidates for governor received the highest vote at
23 the last general election at which a governor was elected preceding
24 each apportionment. If a candidate for governor of a third
25 political party has received at such election more than 25 percent
26 of such gubernatorial vote, the commission shall consist of 12
27 members, four of whom shall be selected by the state organization~~

1 ~~of the third political party. One resident of each of the following~~
2 ~~four regions shall be selected by each political party~~
3 ~~organization: (1) the upper peninsula; (2) the northern part of the~~
4 ~~lower peninsula, north of a line drawn along the northern~~
5 ~~boundaries of the counties of Bay, Midland, Isabella, Mecosta,~~
6 ~~Newaygo and Oceana; (3) southwestern Michigan, those counties south~~
7 ~~of region (2) and west of a line drawn along the western boundaries~~
8 ~~of the counties of Bay, Saginaw, Shiawassee, Ingham, Jackson and~~
9 ~~Hillsdale; (4) southeastern Michigan, the remaining counties of the~~
10 ~~state.~~

11 ~~—— No officers or employees of the federal, state, or local~~
12 ~~governments, excepting notaries public and members of the armed~~
13 ~~forces reserve, shall be eligible for membership on the commission.~~
14 ~~Members of the commission shall not be eligible for election to the~~
15 ~~legislature until two years after the apportionment in which they~~
16 ~~participated becomes effective.~~

17 ~~—— The commission shall be appointed immediately after the~~
18 ~~adoption of this constitution and whenever apportionment or~~
19 ~~districting of the legislature is required by the provisions of~~
20 ~~this constitution. Members of the commission shall hold office~~
21 ~~until each apportionment or districting plan becomes effective.~~
22 ~~Vacancies shall be filled in the same manner as for original~~
23 ~~appointment.~~

24 ~~—— The secretary of state shall be secretary of the commission~~
25 ~~without vote, and in that capacity shall furnish, under the~~
26 ~~direction of the commission, all necessary technical services. The~~
27 ~~commission shall elect its own chairman, shall make its own rules~~

1 of procedure, and shall receive compensation provided by law. The
2 legislature shall appropriate funds to enable the commission to
3 carry out its activities.

4 ~~Within 30 days after the adoption of this constitution, and~~
5 ~~after the official total population count of each federal decennial~~
6 ~~census of the state and its political subdivisions is available,~~
7 ~~the secretary of state shall issue a call convening the commission~~
8 ~~not less than 30 nor more than 45 days thereafter. The commission~~
9 ~~shall complete its work within 180 days after all necessary census~~
10 ~~information is available. The commission shall proceed to district~~
11 ~~and apportion the senate and house of representatives according to~~
12 ~~the provisions of this constitution. All final decisions shall~~
13 ~~require the concurrence of a majority of the members of the~~
14 ~~commission. The commission shall hold public hearings as may be~~
15 ~~provided by law.~~

16 ~~Each final apportionment and districting plan shall be~~
17 ~~published as provided by law within 30 days from the date of its~~
18 ~~adoption and shall become law 60 days after publication. The~~
19 ~~secretary of state shall keep a public record of all the~~
20 ~~proceedings of the commission and shall be responsible for the~~
21 ~~publication and distribution of each plan.~~

22 ~~If a majority of the commission cannot agree on a plan, each~~
23 ~~member of the commission, individually or jointly with other~~
24 ~~members, may submit a proposed plan to the supreme court. The~~
25 ~~supreme court shall determine which plan complies most accurately~~
26 ~~with the constitutional requirements and shall direct that it be~~
27 ~~adopted by the commission and published as provided in this~~

1 ~~section.~~

2 ~~Upon the application of any elector filed not later than 60~~
 3 ~~days after final publication of the plan, the supreme court, in the~~
 4 ~~exercise of original jurisdiction, shall direct the secretary of~~
 5 ~~state or the commission to perform their duties, may review any~~
 6 ~~final plan adopted by the commission, and shall remand such plan to~~
 7 ~~the commission for further action if it fails to comply with the~~
 8 ~~requirements of this constitution.~~

9 Sec. 7. Each ~~senator and representative~~ **STATE LEGISLATOR** must
 10 be a citizen of the United States, at least 21 years of age, and an
 11 elector of the district he **OR SHE** represents. The removal of ~~his~~ **A**
 12 **LEGISLATOR'S** domicile from the district shall be deemed a vacation
 13 of the office. No person who has been convicted of subversion or
 14 who has within the preceding 20 years been convicted of a felony
 15 involving a breach of public trust shall be eligible ~~for either~~
 16 ~~house of~~ **TO SERVE IN** the legislature.

17 Sec. 8. No person holding any office, employment or position
 18 under the United States or this state or a political subdivision
 19 thereof, except notaries public and members of the armed forces
 20 reserve, may be a member of ~~either house of~~ the legislature.

21 Sec. 11. Except as provided by law, ~~senators and~~

3 the lieutenant governor, the attorney general, the secretary of
4 state, and the justices of the supreme court. The commission shall
5 consist of 7 members appointed by the governor whose qualifications
6 may be determined by law. Subject to the legislature's ability to
7 amend the commission's determinations as provided in this section,
8 the commission shall determine the salaries and expense allowances
9 of the members of the legislature, the governor, the lieutenant
10 governor, the attorney general, the secretary of state, and the
11 justices of the supreme court which determinations shall be the
12 salaries and expense allowances only if the legislature by
13 concurrent resolution adopted by a majority of the members elected
14 to and serving in ~~each house of the legislature~~ approve them. ~~The~~
15 ~~senate and house of representatives shall alternate on which house~~
16 ~~of the legislature shall originate the concurrent resolution, with~~
17 ~~the senate originating the first concurrent resolution.~~

18 The concurrent resolution may amend the salary and expense
19 determinations of the state officers compensation commission to
20 reduce the salary and expense determinations by the same proportion
21 for members of the legislature, the governor, the lieutenant
22 governor, the attorney general, the secretary of state, and the
23 justices of the supreme court. The legislature shall not amend the
24 salary and expense determinations to reduce them to below the
25 salary and expense level that members of the legislature, the
26 governor, the lieutenant governor, the attorney general, the
27 secretary of state, and the justices of the supreme court receive

1 on the date the salary and expense determinations are made. If the
2 salary and expense determinations are approved or amended as
3 provided in this section, the salary and expense determinations
4 shall become effective for the legislative session immediately
5 following the next general election. The commission shall meet each
6 2 years for no more than 15 session days. The legislature shall
7 implement this section by law.

8 Sec. 14. A majority of the members elected to and serving in
9 ~~each house~~ **THE LEGISLATURE** shall constitute a quorum to do
10 business. A smaller number ~~in each house~~ may adjourn from day to
11 day, and may compel the attendance of absent members in the manner
12 and with penalties as ~~each house~~ **THE LEGISLATURE** may prescribe.

13 Sec. 16. ~~Each house,~~ **THE LEGISLATURE**, except as otherwise
14 provided in this constitution, shall choose its own officers and
15 determine the rules of its proceedings, but shall not adopt any
16 rule that will prevent a majority of the members elected thereto
17 and serving therein from discharging a committee from the further
18 consideration of any measure. ~~Each house~~ **THE LEGISLATURE** shall be
19 the sole judge of the qualifications, elections, and returns of its
20 members, and may, with the concurrence of two-thirds of all the
21 members elected thereto and serving therein, expel a member. The
22 reasons for such expulsion shall be entered in the journal, with
23 the votes and names of the members voting upon the question. No
24 member shall be expelled a second time for the same cause.

25 Sec. 17. ~~Each house of the~~ **THE** legislature may establish the
26 committees necessary for the efficient conduct of its business. ~~and~~
27 ~~the legislature may create joint committees.~~ On all actions on

2 shall be recorded. Such vote shall be available for public
3 inspection. Notice of all committee hearings and a clear statement
4 of all subjects to be considered at each hearing shall be published
5 in the journal in advance of the hearing.

6 Sec. 18. ~~Each house~~ **THE LEGISLATURE** shall keep a journal of
7 its proceedings, and publish the same unless the public security
8 otherwise requires. The record of the vote and name of the members
9 ~~of either house~~ voting on any question shall be entered in the
10 journal at the request of one-fifth of the members present. Any
11 member ~~of either house~~ may dissent from and protest against any
12 act, proceeding, or resolution which he **OR SHE** deems injurious to
13 any person or the public, and have the reason for his **OR HER**
14 dissent entered in the journal.

17 ~~senate~~ **LEGISLATURE** for advice and consent shall be published by
18 vote and name in the journal.

19 Sec. 20. The doors of ~~each house~~ **THE LEGISLATURE** shall be open
20 unless the public security otherwise requires.

21 ~~Sec. 21. Neither house shall, without the consent of the~~
22 ~~other, adjourn for more than two intervening calendar days, nor to~~
23 ~~any place other than where the legislature may then be in session.~~

24 Sec. 22. All legislation shall be by bill. ~~and may originate~~
25 ~~in either house.~~

26 Sec. 24. No law shall embrace more than one object, which
27 shall be expressed in its title. No bill shall be altered or

1 amended on its passage through ~~either house~~ **THE LEGISLATURE** so as
2 to change its original purpose as determined by its total content
3 and not alone by its title.

4 Sec. 26. No bill shall be passed or become a law at any
5 regular session of the legislature until it has been printed or
6 reproduced and in the possession of ~~each house~~ **THE LEGISLATURE** for
7 at least five days. Every bill shall be read three times ~~in each~~
8 ~~house~~ before the final passage thereof. No bill shall become a law
9 without the concurrence of a majority of the members elected to and
10 serving in ~~each house~~ **THE LEGISLATURE**. On the final passage of
11 bills, the votes and names of the members voting thereon shall be
12 entered in the journal.

13 Sec. 27. No act shall take effect until the expiration of 90
14 days from the end of the session at which it was passed, but the
15 legislature may give immediate effect to acts by a two-thirds vote
16 of the members elected to and serving in ~~each house~~ **THE**
17 **LEGISLATURE**.

18 Sec. 29. The legislature shall pass no local or special act in
19 any case where a general act can be made applicable, and whether a
20 general act can be made applicable shall be a judicial question. No
21 local or special act shall take effect until approved by two-thirds
22 of the members elected to and serving in ~~each house~~ **THE LEGISLATURE**
23 and by a majority of the electors voting thereon in the district
24 affected. Any act repealing local or special acts shall require
25 only a majority of the members elected to and serving in ~~each house~~
26 **THE LEGISLATURE** and shall not require submission to the electors of
27 such district.

1 Sec. 30. The assent of two-thirds of the members elected to
2 and serving in ~~each house of~~ the legislature shall be required for
3 the appropriation of public money or property for local or private
4 purposes.

5 Sec. 31. The general appropriation bills for the succeeding
6 fiscal period covering items set forth in the budget shall be
7 passed or rejected in ~~either house of~~ the legislature before ~~that~~
8 ~~house~~ **THE LEGISLATURE** passes any appropriation bill for items not
9 in the budget except bills supplementing appropriations for the
10 current fiscal year's operation. Any bill requiring an
11 appropriation to carry out its purpose shall be considered an
12 appropriation bill. One of the general appropriation bills as
13 passed by the legislature shall contain an itemized statement of
14 estimated revenue by major source in each operating fund for the
15 ensuing fiscal period, the total of which shall not be less than
16 the total of all appropriations made from each fund in the general
17 appropriation bills as passed.

18 Sec. 33. Every bill passed by the legislature shall be
19 presented to the governor before it becomes law, and the governor
20 shall have 14 days measured in hours and minutes from the time of
21 presentation in which to consider it. If ~~he~~ **THE GOVERNOR** approves,
22 he **OR SHE** shall within that time sign and file it with the
23 secretary of state and it shall become law. If ~~he~~ **THE GOVERNOR** does
24 not approve, and the legislature has within that time finally
25 adjourned the session at which the bill was passed, it shall not
26 become law. If ~~he~~ **THE GOVERNOR** disapproves, and the legislature
27 continues the session at which the bill was passed, ~~he~~ **THE GOVERNOR**

1 shall return it **TO THE LEGISLATURE** within such 14-day period with
 2 his **OR HER** objections. ~~, to the house in which it originated. That~~
 3 ~~house~~**THE LEGISLATURE** shall enter such objections in full in its
 4 journal and reconsider the bill. If two-thirds of the members
 5 elected to and serving in ~~that house~~**THE LEGISLATURE** pass the bill
 6 notwithstanding the objections of the governor, ~~it shall be sent~~
 7 ~~with the objections to the other house for reconsideration. The~~**THE**
 8 bill shall become law. ~~if passed by two thirds of the members~~
 9 ~~elected to and serving in that house. The vote of each house~~**THE**
 10 **LEGISLATURE** shall be entered in the journal with the votes and
 11 names of the members voting thereon. If any bill is not returned by
 12 the governor within such 14-day period, the legislature continuing
 13 in session, it shall become law as if ~~he~~**THE GOVERNOR** had signed
 14 it.

15 Sec. 37. The legislature may by ~~concurrent~~ resolution empower
 16 a ~~joint~~ committee of the legislature, acting between sessions, to
 17 suspend any rule or regulation promulgated by an administrative
 18 agency subsequent to the adjournment of the last preceding regular
 19 legislative session. Such suspension shall continue no longer than
 20 the end of the next regular legislative session.

21 Sec. 43. No general law providing for the incorporation of
 22 trust companies or corporations for banking purposes, or regulating
 23 the business thereof, shall be enacted, amended or repealed except
 24 by a vote of two-thirds of the members elected to and serving in
 25 ~~each house~~**THE LEGISLATURE**.

14 enacted to facilitate operation of this section, but no law shall
15 limit or restrict the application of this section. If any part of
