Sponsor: Senator Steven Bieda
Committee: Judiciary

CONTENT

The bill would amend the Youth Tobacco Act to increase the penalties for selling, giving, or furnishing a tobacco product to a minor and for a minor's purchase, possession, or use of a tobacco product.

The Act prohibits a person from selling, giving, or furnishing a tobacco product to a minor (a person under 18 years of age). The Act also prohibits a minor from doing any of the following:

- Purchasing or attempting to purchase a tobacco product.
- Possessing or attempting to possess a tobacco product.
- Using a tobacco product in a public place.
- Presenting or offering to a person a purported proof of age that is false, fraudulent, or not actually his or her own proof of age, for the purpose of buying, possessing, or attempting to buy or possess a tobacco product.

The violations described above are misdemeanors punishable by a fine of not more than \$50 for each violation. Under the bill, the misdemeanors would be punishable by a maximum fine of \$100 for a first violation and up to \$500 for a second or subsequent violation.

(The Act defines "tobacco product" as a product that contains tobacco and is intended for human consumption, including cigarettes, noncigarette smoking tobacco, smokeless tobacco, and cigars.)

The bill would take effect 90 days after its enactment.
