(3) Information on House budget action in this document is based on House Bill 5579 as passed by the House.

Overview

The School Aid budget makes appropriations to the state's 539 local school districts, 294 public school academies, and 56 Department of Education (MDE), Center for Educational Performance and Information (CEPI), the Workforce Development Agency, and other entities to implement certain grants and other programs related to K-12 education.

Major Budget Changes From FY 2017-18 YTD Appropriations		FY 2017-18 Year-to-Date (as of 2/7/18)	FY 2018-19 Senate <u>Change</u>
1. Foundation Allowances (Secs. 22a and 22b) Executive increases by \$312.0 million to provide increases ranging from \$120 to \$240 per pupil using the 2x formula. The minimum foundation allowance would increase from \$7,631 to \$7,871 (3.1%), and the state maximum guaranteed foundation allowance would increase from \$8,289 to \$8,409 (1.4%). House concurs with Executive. Senate increases by \$299.0 to provide increases ranging from \$115 to \$230 per pupil using the 2x formula. The minimum foundation allowance would increase from \$7,631 to \$7,861 (3.0%), and the state maximum guaranteed foundation allowance would increase from \$8,289 to \$8,404 (1.4%).	Gross	\$9,219,300,000	\$299,000,000
	Restricted	9,073,560,500	340,346,200
	GF/GP	\$145,739,500	(\$41,346,200)
2. Shared-Time Instruction for Nonpublic Pupils (Secs. 22a and 22b) Executive revises state support of shared-time instruction for nonpublic pupils from a per-pupil foundation allowance to a categorical program in Sec. 23f. Caps the number of pupils for whom a district is eligible for reimbursement at 5% of the district's per pupil membership and limits participation to pupils in grades 1 to 12, excluding kindergarten. Results in a reduction of \$68.0 million leaving an estimated cost of \$64.1 million. House maintains current law related to shared-time instruction funding. Senate reduces shared-time costs by \$15.6 million through the following reductions: eliminating kindergarten shared-time instruction (\$13.0 million); capping shared-time foundation allowance at the minimum (\$1.9 million); and reducing the maximum FTE for which a nonpublic pupil may be claimed in a shared-time program from 0.75 FTE to 0.67 FTE (\$700,000). (see Major Boilerplate Changes below for related Secs. 6 and 166b changes.)	Gross	NA	(\$15,600,000)
	Restricted	NA	(15,600,000)
	GF/GP	NA	\$0
3. Foundation Allowances – Cyber Schools (Secs. 22a and 22b) Executive reduces cyber school foundation allowances to 75% of the minimum foundation allowance at an estimated savings of \$25.0 million. For FY 2018-19 the cyber foundation allowance would be \$5,903. House and Senate maintain current law.	Gross	NA	\$0

4. Partnership District Discretionary Payment (Sec. 22p) – NEW Executive does not include this section. House does not include this section. Senate shifts \$400.0 million for the discretionary portion of the foundation allowance payments to partnership districts from Sec. 22b to a separate categorical. To receive funding a partnership district must have a signed partnership agreement amended to do the following: 1) Include measurable academic outcomes to be achieved within 18 and 36 months after the date on which the original agreement was signed; and 2) Include accountability measures to be imposed if district fails to meet their outcomes and provides that accountability measures may include either school closure or reconstitution. Provides for school reconstitution requirements.	Gross	\$0	\$0

7. Marshall Plan for Talent – Career and Technical Education (CTE) Skilled Trades Initiative (Sec. 61c/305) Executive eliminates \$12.5 million GF/GP including equipment grants for career education planning districts (CEPDs) (\$7.0 million), CTE equipment and innovation competitive grants (\$5.0 million), and mechatronics grants (\$500,000). Replaces with \$11.6 million Talent Investment Fund for competitive grants for equipment for programs that result in competencies or credentials in emerging and high-demand fields. Grants are capped at \$150,000 and provided on a 1:1 matching basis to entities in a talent consortium, or are capped at \$350,000 and provided on a 2:1 matching basis if the community participates in crowdsourcing to raise its share. House doubles the appropriation to \$25.0 million Talent Investment Fund for CTE equipment and maintains current law programs. Doubles current allocations bringing them to \$14.0 million for CEPD formula grants; \$10.0 million for competitive grants; and \$1.0 million for mechatronics grants. Senate reduces to \$5.0 million SAF and limits funding to CEPDs in ISDs that did not levy a CTE millage in 2018 and requires that at least 50% of the funding allocated to each eligible CEPD must be used to update CTE equipment for current CTE programs that have been identified in the highest 5 career cluster rankings. Sec. 6(4)(ii)&(II). Pupil Membership Definitions - REVISED

Sec. 31d – Increases School Lunch state costs by \$648,900 to \$23.1 million.

<u>Executive</u> maintains current law that caps a part-time individual pupil enrolled in shared-time instruction at 0.75 FTE. House concurs with Executive.

<u>Senate</u> reduces FTE cap to 0.67. Additionally, adds language capping a district's pupil membership for shared-time instruction to no more than 10% more than the prior fiscal year. However, for a district in its first 3 years of participating in shared time, caps shared-time pupil memberships at 5% of district's membership other than shared-time.

Sec. 15. State Aid Allocation Adjustments - RETAINED

<u>Executive</u> reduces maximum allowable repayment period for district state aid payment deductions resulting from an audit from 9 years to 4 and eliminates option for state Superintendent to waive repayment under certain circumstances, reversing changes made in FY 2017-18.

<u>House</u> does not concur with either of these changes. Additionally, removes the provision allowing MDE to adjust district payments for prior fiscal years if an audit determines payments were incorrect.

Senate maintains current law.

Sec. 17c. Grant Process Timeline - NOT INCLUDED

Executive does not include the section.

<u>House</u> adds new section to require MDE to do all of the following for funds appropriated under this article, unless otherwise specified: open grant application or bid process and provide lists of grants and schedules to districts and ISDs and on the MDE website for grants available in the next fiscal year by August 1, close grant application or bid process by October 1, and publish grant or contract awards by November 1. Provides that grants and contracts awarded from funds appropriated under this article are not subject to approval by the state board of education.

Senate does not include the section.

Sec. 18(12). Virtual Course Cost Report - RETAINED

<u>Executive</u> currently requires that districts report cost information for virtual courses provided through Section 21f. Expands to include cyber schools, whose courses are not offered through Sec. 21f.

House concurs with Executive.

Senate maintains current law.

Sec. 19. State and Federal Reporting Requirements - REVISED

<u>Executive</u> in addition to the graduation report information, requires that districts submit data necessary for state and federal accountability reports, both in November and June. Revises June 30 to the last business day in June. Revises required district appeal process for accountability designations to require MDE to utilize data that was certified as accurate and complete after districts and ISDs have adhered to deadlines, data quality reviews, and correction processes leading to local certification of final student data. Changes to allow districts and ISDs to appeal "any calculation errors used in the preparation of accountability metrics" rather than a designation.

House and Senate concur with Executive.

Sec. 21h. Partnership Model Districts - REVISED

Executive maintains current law.

House maintains current law.

<u>Senate</u> revises as follows: 1) Requires a district receiving funding to craft academic goals that put pupils on track to meet or exceed grade level proficiency; 2) Allows state superintendent to waive burdensome administrative rules for a partnership district while under agreement; and 3) Requires that the annual MDE report to the legislature be in person and, to the extent possible, districts receiving funds under this section must participate.

Sec. 22m. Technology Regional Data Hubs - REVISED

Executive maintains current law.

House revises to make participation in technology regional data hubs mandatory by 2020-2021.

<u>Senate</u> concurs with Executive that participation in technology regional data hubs is voluntary but revises to postpone the promotion of 100% district adoption of technology regional data hubs until Sept. 30, 2020.

Sec. 23f. Shared-Time Pupil Payments - NOT INCLUDED

<u>Executive</u> in addition to capping pupils at 5% of a district's membership and eliminating kindergarten, requires the following to receive funding:

- (a) That a district ensure that all individuals that have student contact as part of a course offered under Sec. 166b have not been convicted of sexual misconduct and receive the same criminal history and criminal records checks as employees of the district as required by state statute.
- (b) That a district ensure that if a course offered under Sec. 166b has an associated optional experience, it must be offered on a schedule to make it fully available to the majority of pupils in the district in the same grade level or age groups as the pupils participating in the course under Sec. 166b.
- (c) That the district provide MDE information necessary to quantify the following:
- (i) A complete listing of all courses in which students reported for membership in the district have been served.
- (ii) Course enrollments by each participant using local coding and the school codes for the exchange of data (SCED).
- (iii) Identification of the course teacher or mentor.
- (iv) Outcomes for each student in each course.

House and Senate do not include this section.

Sec. 25e(7). Pupil Transfer Process - Pupils transferring In and Out of State - RETAINED

<u>Executive</u> revises current requirement that would require CEPI to report on the number of pupils transferring in and out of the state between the count dates in 2018-2019 to instead require the number of pupils transferring in and out of public schools. Deletes requirement that CEPI discuss the benefits and obstacles to developing a pupil enrollment process to count pupils moving in and out of state between count dates.

House deletes all of subsection (7).

Senate maintains current law.

Sec. 31a. At Risk Program - REVISED

Executive expands to add an additional purpose for the program: that districts implement with fidelity a multi-tiered system of supports (MTSS). Condenses MTSS components to the following: (a) Team-based leadership; (b) Tiered delivery system; (c) Selection and implementation of instruction, interventions, and supports; (d) Comprehensive screening and assessment system; and (e) Continuous data-based decision making. House does not add MTSS implementation to program goals but does concur MTSS component revisions. Senate maintains current law.

<u>Executive</u> expands to require that districts comply with MCL 380.1280f and use resources to address early literacy for grades K-12 instead of K-3. Adds focus on numeracy for K-12. Requires a district to implement MTSS in grades K-8 instead of 4-8. <u>House</u> maintains K-3 requirements for MCL 380.1280f. Revises to K-12 for literacy, numeracy and MTSS. <u>Senate</u> maintains current law.

<u>Executive</u> requires that for English learners, a district implement culturally and linguistically responsive teaching strategies focused on academic language development aligned with state English language arts (ELA) proficiency standards. <u>House and Senate do not include.</u>

<u>Senate</u> adds that funds spent on school security shall be counted toward required spending for college and career readiness for those districts that fail to meet the college and career readiness accountability measure that requires improvement the percentage of at-risk pupils that are proficient on 11th grade summative assessment in ELA, math and science for 3 straight years.

(Continued on next page.)

Sec. 31a. At Risk Program - REVISED (CONT.)

Executive revises consequences beginning in FY 2018-19 for districts that are below the statewide average based on the number of economically disadvantaged pupils proficient in either ELA by the end of 3rd grade or math by the end of 8th grade or career and college ready by the end of 11th grade based on statewide assessments given in FY 2017-18. Requires those districts to meet either the statewide average by FY 2020-21 or see an improvement of at least 10 percentage points in the number of economically disadvantaged pupils who are proficient by FY 2020-21. For a district that fails to meet those goals by FY 2020-21, requires it to conduct an evaluation in coordination with MDE and other stakeholders, adopt a school improvement plan based on recommendations from that evaluation, and spend At Risk funds only in accordance with that plan. House maintains current accountability measures for Grade 3 ELA and Career- and College-readiness and adds one for Grade 8 math to reflect its addition to the program purpose in 2017-2018. Revises so that if one of three metrics is not met than 1/3 of funds would have to be redirected for each rather than 1/2 to recognize the inclusion of a third metric. Senate maintains current law.

<u>Executive</u> increases amount that may be used on professional development to 5% and expands to include implementing a coaching model that supports the MTSS framework. <u>House</u> concurs. <u>Senate</u> maintains current law.

Executive increases share of pupil membership that must be economically disadvantaged from 40% to at least 50% for a district that may use funds for schoolwide reform. Requires that the schoolwide reforms also be tier 1 evidence-based high quality academic, behavioral, and social-emotional instruction, and part of a district's MTSS framework. Schoolwide reforms must be guided by district's comprehensive needs assessment and must feature parent and community supports, activities, and services, which may include Pathways to Potential or Communities in Schools programs. House concurs. Senate maintains current law.

<u>Senate</u> revises to correct definition of total at-risk pupils used for the denominator in the accountability measures to align with the definition of at-risk pupils who may be served with at-risk program funds.

Sec. 32d. Great Start Readiness Program - REVISED

Executive maintains current law.

House revises to prohibit the use of The Creative Curriculum in GSRP programs.

<u>Senate</u> revises to require MDE to issue an RFP to review grantees for the longitudinal evaluation and the bid process beginning on the date the bill is enacted.

Sec. 32p. Early Childhood Block Grants - REVISED

<u>Executive</u> revises goals of Home Visit program to delete the reduction of pupils retained in grade level and reduction of pupils requiring special education services and replaces with new goals of improving positive parenting practices and improving family economic self-sufficiency while reducing the impact of high risk factors through community resources and referrals. House maintains current law.

Senate concurs with Executive.

Sec. 35a. Early Literacy - REVISED

<u>Executive</u> requires the State Superintendent to designate people employed or contracted with funds from this section as critical shortage for the purposes of allowing retirees to work without reducing their pensions under the Public School Employees Retirement Act, MCL 38.1361. However, the critical shortage subsection is currently set to expire on July 1, 2018.

<u>House</u> concurs with Executive. Additionally, adds that by November 1, 2018 a district that receives funding under this section shall report the following: school and grades that were served along with services provided and entity providing each service; pupil proficiency and growth data, both in the aggregate and by subgroup for school, grade, pupils identified as having reading deficiencies, and pupils receiving additional instruction time funded under this section. Revises MTSS program components to mirror the revisions in Sec. 31a.

Senate concurs with Executive.

Sec. 39. GSRP Per Pupil Allocation Formula - REVISED

Executive maintains current law.

House and Senate revise to prohibit the application for receiving GSRP funds from requiring an eligible applicant to amend its current accounting cycle or adopt the state fiscal year accounting cycle for financial transactions under section 32d and 39.

Sec. 61a. CTE Programs - REVISED

Executive maintains current law.

<u>House</u> adds district and ISD report requirement on the number of male and female program participants and steps a district or intermediate district is taking to reduce the disparity between the number of male and female program participants. Requires the department to compile and summarize the results and provide recommendations to reduce the disparity. Senate concurs with Executive.

Sec. 61d. Per Pupil Incentive Payment - NOT INCLUDED

<u>Executive</u> defines a CTE program that qualifies for the additional \$25 payments for critical skills programs as one classified under any of the following CIP codes:

- (i) 01 Agriculture
- (ii) 03 Natural Resources and Conservation
- (iii) 10 through 11 Communications Technologies and Computer and Information Sciences
- (iv) 14 through 15 Engineering and Engineering technologies and related fields
- (v) 26 Biological and Biomedical Sciences
- (vi) 46 through 48 Construction Trades, Mechanic and Repair Technologies, and Precision Production
- (vii) 51 Health Professions and related programs.

House and Senate do not include this section.

Sec. 95c. Michigan Teacher Council - NEW

<u>Senate</u> adds a new section to create the Michigan Teacher Council. The Michigan Teacher Council would be tasked with the following objectives: provide feedback for initiatives that it considers critical for the development, preparation, and retention of teachers; provide guidance on best practices for the teaching profession; and provide advice on subjects related to public education with the goal to attract and retain quality teachers.

Sec. 99s. MiSTEM Participation Report - REVISED

<u>Executive</u> removes a required report that provides the number of male and female participants and the steps taken to reduce the disparity.

House and Senate concur with Executive.

Sec. 104c. State Assessments - REVISED

<u>Executive</u> moves state assessment for science from grades 4 and 7 to 5 and 8. Deletes requirement that MDE approve at least 3 benchmark assessments for district use. Requires MDE to provide guidance to districts on optionally adopting and implementing department-approved benchmark assessments for grades 3 to 7 in ELA and math and to recommend that districts commit to using the same benchmark assessment for no less than 3 years without switching to another benchmark assessment. House concurs with Executive.

<u>Senate</u> concurs with Executive except revises from requiring that MDE issue a request for information for at least 3 benchmark assessments to requiring MDE to provide a list of 3 benchmark solutions that meet existing qualifications and requires districts to select a benchmark assessment and commit to using the same benchmark assessment for at least 3 years without switching. Requires MDE to use funds from Sec. 104 to pay the costs of a benchmark assessment selected, with payment based on the number of pupils assessed by each vendor's benchmark assessment.

Sec. 104d. Computer Adaptive Tests - DELETED

Executive repealed this section.

<u>House</u> maintains section but adds the following reporting requirements: requires that by December 1, 2018 districts receiving funds report to MDE which tests, tools, and assessments were purchased; and requires that MDE compile that data and report to the Legislature by February 1, 2019.

Senate concurs with Executive.

Sec. 160. Labor Day Waiver Hearing - RETAINED

<u>Executive</u> removes MDE's participation in joint public hearings by MDE and the ISD that are required if a district or ISD is applying for a pre-Labor Day waiver.

House repeals this section.

Senate maintains current law.

Sec. 163. Educator Certification Requirements - REVISED

<u>Executive</u> revises to replace references to noncertificated teachers with updated references to Revised School Code requirements for educator certification.

House maintains current law.

Senate concurs with Executive.

Sec. 164g. Legal Action Against the State - RETAINED

<u>Executive</u> establishes a penalty in an amount equal to the amount spent if a district or ISD uses state funding to pay for an expense relating to any legal action initiated by the district or ISD against the state.

House and Senate maintain current law.

Sec. 164h. Collective Bargaining Agreement Penalty - RETAINED

<u>Executive</u> establishes a penalty in an amount equal to 5% of a district or ISD's total state aid if it enters into a collective bargaining agreement that does any of the following: Establishes racial or religious preferences; Automatically deducts union dues from paychecks; Is in conflict with any state or federal transparency laws; Uses a method of compensation that does not comply with Sec. 380.1250.

House and Senate maintain current law.

Sec. 166b. Shared-Time Instruction for Nonpublic Pupils - REVISED

<u>Executive</u> requires that an applicable curricular offering include optional experiences associated with the curricular offering, and that the optional experience must also be available to the district's full-time pupils in the same grade level or age group. Eliminates kindergarten from allowable shared-time instruction. Revises definition for grades 9-12 nonessential courses from courses other than the specific subjects mentioned or those "that fulfill the same requirement credit requirement" to "those that <u>can</u> fill the same credit requirement".

<u>House</u> does not concur with Executive revisions. Instead, revises to replace the requirement that a curricular offering is available to full-time pupils in the minor's grade level or age group in the district with requirement that the district has published the curricular offering in a course catalog provided to full-time pupils in the minor's grade level or age group or the district has published the offering on its publicly available website. Revises definition for grades 1-8 nonessential course to exclude math, science, social studies, or ELA course "required by the district for grade progression" to "that contains substantially all of the grade level model core academic curriculum content standards". Revises definition for grades 9-12 nonessential courses from courses other than the specific subjects mentioned or those "that fulfill the same requirement credit requirement" to those "that are aligned with the same subject area content expectations".

Senate concurs with Executive.

added cost.

Sec. 167a. School Violence Tip Line Report - NOT INCLUDED

<u>House</u> adds that a district or ISD that operates a tip line must report annually to the Attorney General including whether the tip line operates 24 hours a day, whether it is connected to local law enforcement, and the type and duration required for personnel that operate the tip line. It also would require that each district must designate at least 1 and not more than 2 staff and provide the Attorney General with their contact information at which they can be contacted 24 hours a day, 365 days a year. Senate does not include this section.

Sec. 169a. Michigan Schools for the Deaf and Blind (MSDB) - REVISED

<u>Senate</u> revises language that currently prohibits a district or ISD from interfering with MSDB's right or ability to provide information to instead require that a district or ISD "shall provide any information received from MSDB" to parents who are deaf, deaf-blind, or hard of hearing to any residents of the district or ISD who request information. Adds that a district or ISD that violates this section shall forfeit 5% of its total state aid under this article.
