FISCAL IMPACT

The bill would create a start-up cost to the Department of State; however, the start-up fee prescribed in the Code would have to be paid to the Department from the Kiwanis International Michigan District Fund proposed in the bill. The start-up fee is determined by the latest three-year average, which for fiscal year 2017-18 is estimated at \$90,000. The revenue generated from the Kiwanis International Michigan District fund-raising license plate established under the bill would be deposited into the proposed Fund, after which the State Treasurer would disburse payments from the Fund on a quarterly basis to the Kiwanis International Michigan District.

The bill would have no fiscal impact on local government.
