

HOUSE BILL No. 4935

September 13, 2017, Introduced by Rep. Kosowski and referred to the Committee on Families, Children, and Seniors.

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending section 6 (MCL 388.1606), as amended by 2017 PA 108.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6. (1) "Center program" means a program operated by a
2 district or by an intermediate district for special education
3 pupils from several districts in programs for pupils with autism
4 spectrum disorder, pupils with severe cognitive impairment, pupils
5 with moderate cognitive impairment, pupils with severe multiple
6 impairments, pupils with hearing impairment, pupils with visual
7 impairment, and pupils with physical impairment or other health
8 impairment. Programs for pupils with emotional impairment housed in
9 buildings that do not serve regular education pupils also qualify.
10 Unless otherwise approved by the department, a center program

1 either shall serve all constituent districts within an intermediate
2 district or shall serve several districts with less than 50% of the
3 pupils residing in the operating district. In addition, special
4 education center program pupils placed part-time in noncenter
5 programs to comply with the least restrictive environment
6 provisions of section 612 of part B of the individuals with
7 disabilities education act, 20 USC 1412, may be considered center
8 program pupils for pupil accounting purposes for the time scheduled
9 in either a center program or a noncenter program.

10 (2) "District and high school graduation rate" means the
11 annual completion and pupil dropout rate that is calculated by the
12 center pursuant to nationally recognized standards.

13 (3) "District and high school graduation report" means a
14 report of the number of pupils, excluding adult education
15 participants, in the district for the immediately preceding school
16 year, adjusted for those pupils who have transferred into or out of
17 the district or high school, who leave high school with a diploma
18 or other credential of equal status.

19 (4) "Membership", except as otherwise provided in this
20 article, means for a district, a public school academy, or an
21 intermediate district the sum of the product of .90 times the
22 number of full-time equated pupils in grades K to 12 actually
23 enrolled and in regular daily attendance on the pupil membership
24 count day for the current school year, plus the product of .10
25 times the final audited count from the supplemental count day for
26 the immediately preceding school year. A district's, public school
27 academy's, or intermediate district's membership shall be adjusted

1 as provided under section 25e for pupils who enroll after the pupil
2 membership count day in a strict discipline academy operating under
3 sections 1311b to 1311m of the revised school code, MCL 380.1311b
4 to 380.1311m. However, for a district that is a community district,
5 "membership" means the sum of the product of .90 times the number
6 of full-time equated pupils in grades K to 12 actually enrolled and
7 in regular daily attendance in the community district on the pupil
8 membership count day for the current school year, plus the product
9 of .10 times the sum of the final audited count from the
10 supplemental count day of pupils in grades K to 12 actually
11 enrolled and in regular daily attendance in the community district
12 for the immediately preceding school year plus the final audited
13 count from the supplemental count day of pupils in grades K to 12
14 actually enrolled and in regular daily attendance in the education
15 achievement system for the immediately preceding school year. All
16 pupil counts used in this subsection are as determined by the
17 department and calculated by adding the number of pupils registered
18 for attendance plus pupils received by transfer and minus pupils
19 lost as defined by rules promulgated by the superintendent, and as
20 corrected by a subsequent department audit. The amount of the
21 foundation allowance for a pupil in membership is determined under
22 section 20. In making the calculation of membership, all of the
23 following, as applicable, apply to determining the membership of a
24 district, a public school academy, or an intermediate district:

25 (a) Except as otherwise provided in this subsection, and
26 pursuant to subsection (6), a pupil shall be counted in membership
27 in the pupil's educating district or districts. An individual pupil

1 shall not be counted for more than a total of 1.0 full-time equated
2 membership.

3 (b) If a pupil is educated in a district other than the
4 pupil's district of residence, if the pupil is not being educated
5 as part of a cooperative education program, if the pupil's district
6 of residence does not give the educating district its approval to
7 count the pupil in membership in the educating district, and if the
8 pupil is not covered by an exception specified in subsection (6) to
9 the requirement that the educating district must have the approval
10 of the pupil's district of residence to count the pupil in
11 membership, the pupil shall not be counted in membership in any
12 district.

13 (c) A special education pupil educated by the intermediate
14 district shall be counted in membership in the intermediate
15 district.

16 (d) A pupil placed by a court or state agency in an on-grounds
17 program of a juvenile detention facility, a child caring
18 institution, or a mental health institution, or a pupil funded
19 under section 53a, shall be counted in membership in the district
20 or intermediate district approved by the department to operate the
21 program.

22 (e) A pupil enrolled in the Michigan Schools for the Deaf and
23 Blind shall be counted in membership in the pupil's intermediate
24 district of residence.

25 (f) A pupil enrolled in a career and technical education
26 program supported by a millage levied over an area larger than a
27 single district or in an area vocational-technical education

1 program established pursuant to section 690 of the revised school
2 code, MCL 380.690, shall be counted only in the pupil's district of
3 residence.

4 (g) A pupil enrolled in a public school academy shall be
5 counted in membership in the public school academy.

6 (h) For the purposes of this section and section 6a, for a
7 cyber school, as defined in section 551 of the revised school code,
8 MCL 380.551, that is in compliance with section 553a of the revised
9 school code, MCL 380.553a, a pupil's participation in the cyber
10 school's educational program is considered regular daily
11 attendance, and for a district or public school academy, a pupil's
12 participation in a virtual course as defined in section 21f is
13 considered regular daily attendance.

14 (i) For a new district or public school academy beginning its
15 operation after December 31, 1994, membership for the first 2 full
16 or partial fiscal years of operation shall be determined as
17 follows:

18 (i) If operations begin before the pupil membership count day
19 for the fiscal year, membership is the average number of full-time
20 equated pupils in grades K to 12 actually enrolled and in regular
21 daily attendance on the pupil membership count day for the current
22 school year and on the supplemental count day for the current
23 school year, as determined by the department and calculated by
24 adding the number of pupils registered for attendance on the pupil
25 membership count day plus pupils received by transfer and minus
26 pupils lost as defined by rules promulgated by the superintendent,
27 and as corrected by a subsequent department audit, plus the final

1 audited count from the supplemental count day for the current
2 school year, and dividing that sum by 2.

3 (ii) If operations begin after the pupil membership count day
4 for the fiscal year and not later than the supplemental count day
5 for the fiscal year, membership is the final audited count of the
6 number of full-time equated pupils in grades K to 12 actually
7 enrolled and in regular daily attendance on the supplemental count
8 day for the current school year.

9 (j) If a district is the authorizing body for a public school
10 academy, then, in the first school year in which pupils are counted
11 in membership on the pupil membership count day in the public
12 school academy, the determination of the district's membership
13 shall exclude from the district's pupil count for the immediately
14 preceding supplemental count day any pupils who are counted in the
15 public school academy on that first pupil membership count day who
16 were also counted in the district on the immediately preceding
17 supplemental count day.

18 (k) For an extended school year program approved by the
19 superintendent, a pupil enrolled, but not scheduled to be in
20 regular daily attendance, on a pupil membership count day, shall be
21 counted in membership.

22 (l) To be counted in membership, a pupil shall meet the
23 minimum age requirement to be eligible to attend school under
24 section 1147 of the revised school code, MCL 380.1147, or shall be
25 enrolled under subsection (3) of that section, and shall be less
26 than 20 years of age on September 1 of the school year except as
27 follows:

1 (i) A special education pupil who is enrolled and receiving
2 instruction in a special education program or service approved by
3 the department, who does not have a high school diploma, and who is
4 less than 26 years of age as of September 1 of the current school
5 year shall be counted in membership.

6 (ii) A pupil who is determined by the department to meet all
7 of the following may be counted in membership:

8 (A) Is enrolled in a public school academy or an alternative
9 education high school diploma program, that is primarily focused on
10 educating pupils with extreme barriers to education, such as being
11 homeless as defined under 42 USC 11302.

12 (B) Had dropped out of school.

13 (C) Is less than 22 years of age as of September 1 of the
14 current school year.

15 (iii) If a child does not meet the minimum age requirement to
16 be eligible to attend school for that school year under section
17 1147 of the revised school code, MCL 380.1147, but will be 5 years
18 of age not later than December 1 of that school year, the district
19 may count the child in membership for that school year if the
20 parent or legal guardian has notified the district in writing that
21 he or she intends to enroll the child in kindergarten for that
22 school year.

23 (m) An individual who has achieved a high school diploma shall
24 not be counted in membership. An individual who has achieved a high
25 school equivalency certificate shall not be counted in membership
26 unless the individual is a student with a disability as defined in
27 R 340.1702 of the Michigan Administrative Code. An individual

1 participating in a job training program funded under former section
2 107a or a jobs program funded under former section 107b,
3 administered by the department of talent and economic development,
4 or participating in any successor of either of those 2 programs,
5 shall not be counted in membership.

6 (n) If a pupil counted in membership in a public school
7 academy is also educated by a district or intermediate district as
8 part of a cooperative education program, the pupil shall be counted
9 in membership only in the public school academy unless a written
10 agreement signed by all parties designates the party or parties in
11 which the pupil shall be counted in membership, and the
12 instructional time scheduled for the pupil in the district or
13 intermediate district shall be included in the full-time equated
14 membership determination under subdivision (q) and section 101.
15 However, for pupils receiving instruction in both a public school
16 academy and in a district or intermediate district but not as a
17 part of a cooperative education program, the following apply:

18 (i) If the public school academy provides instruction for at
19 least 1/2 of the class hours required under section 101, the public
20 school academy shall receive as its prorated share of the full-time
21 equated membership for each of those pupils an amount equal to 1
22 times the product of the hours of instruction the public school
23 academy provides divided by the number of hours required under
24 section 101 for full-time equivalency, and the remainder of the
25 full-time membership for each of those pupils shall be allocated to
26 the district or intermediate district providing the remainder of
27 the hours of instruction.

1 (ii) If the public school academy provides instruction for
2 less than 1/2 of the class hours required under section 101, the
3 district or intermediate district providing the remainder of the
4 hours of instruction shall receive as its prorated share of the
5 full-time equated membership for each of those pupils an amount
6 equal to 1 times the product of the hours of instruction the
7 district or intermediate district provides divided by the number of
8 hours required under section 101 for full-time equivalency, and the
9 remainder of the full-time membership for each of those pupils
10 shall be allocated to the public school academy.

11 (o) An individual less than 16 years of age as of September 1
12 of the current school year who is being educated in an alternative
13 education program shall not be counted in membership if there are
14 also adult education participants being educated in the same
15 program or classroom.

16 (p) The department shall give a uniform interpretation of
17 full-time and part-time memberships.

18 (q) The number of class hours used to calculate full-time
19 equated memberships shall be consistent with section 101. In
20 determining full-time equated memberships for pupils who are
21 enrolled in a postsecondary institution, a pupil shall not be
22 considered to be less than a full-time equated pupil solely because
23 of the effect of his or her postsecondary enrollment, including
24 necessary travel time, on the number of class hours provided by the
25 district to the pupil.

26 (r) Full-time equated memberships for pupils in kindergarten
27 shall be determined by dividing the number of instructional hours

1 scheduled and provided per year per kindergarten pupil by the same
2 number used for determining full-time equated memberships for
3 pupils in grades 1 to 12. However, to the extent allowable under
4 federal law, for a district or public school academy that provides
5 evidence satisfactory to the department that it used federal title
6 I money in the 2 immediately preceding school fiscal years to fund
7 full-time kindergarten, full-time equated memberships for pupils in
8 kindergarten shall be determined by dividing the number of class
9 hours scheduled and provided per year per kindergarten pupil by a
10 number equal to $1/2$ the number used for determining full-time
11 equated memberships for pupils in grades 1 to 12. The change in the
12 counting of full-time equated memberships for pupils in
13 kindergarten that took effect for 2012-2013 is not a mandate.

14 (s) For a district or a public school academy that has pupils
15 enrolled in a grade level that was not offered by the district or
16 public school academy in the immediately preceding school year, the
17 number of pupils enrolled in that grade level to be counted in
18 membership is the average of the number of those pupils enrolled
19 and in regular daily attendance on the pupil membership count day
20 and the supplemental count day of the current school year, as
21 determined by the department. Membership shall be calculated by
22 adding the number of pupils registered for attendance in that grade
23 level on the pupil membership count day plus pupils received by
24 transfer and minus pupils lost as defined by rules promulgated by
25 the superintendent, and as corrected by subsequent department
26 audit, plus the final audited count from the supplemental count day
27 for the current school year, and dividing that sum by 2.

1 (t) A pupil enrolled in a cooperative education program may be
2 counted in membership in the pupil's district of residence with the
3 written approval of all parties to the cooperative agreement.

4 (u) If, as a result of a disciplinary action, a district
5 determines through the district's alternative or disciplinary
6 education program that the best instructional placement for a pupil
7 is in the pupil's home or otherwise apart from the general school
8 population, if that placement is authorized in writing by the
9 district superintendent and district alternative or disciplinary
10 education supervisor, and if the district provides appropriate
11 instruction as described in this subdivision to the pupil at the
12 pupil's home or otherwise apart from the general school population,
13 the district may count the pupil in membership on a pro rata basis,
14 with the proration based on the number of hours of instruction the
15 district actually provides to the pupil divided by the number of
16 hours required under section 101 for full-time equivalency. For the
17 purposes of this subdivision, a district shall be considered to be
18 providing appropriate instruction if all of the following are met:

19 (i) The district provides at least 2 nonconsecutive hours of
20 instruction per week to the pupil at the pupil's home or otherwise
21 apart from the general school population under the supervision of a
22 certificated teacher.

23 (ii) The district provides instructional materials, resources,
24 and supplies that are comparable to those otherwise provided in the
25 district's alternative education program.

26 (iii) Course content is comparable to that in the district's
27 alternative education program.

1 (iv) Credit earned is awarded to the pupil and placed on the
2 pupil's transcript.

3 (v) If a pupil was enrolled in a public school academy on the
4 pupil membership count day, if the public school academy's contract
5 with its authorizing body is revoked or the public school academy
6 otherwise ceases to operate, and if the pupil enrolls in a district
7 within 45 days after the pupil membership count day, the department
8 shall adjust the district's pupil count for the pupil membership
9 count day to include the pupil in the count.

10 (w) For a public school academy that has been in operation for
11 at least 2 years and that suspended operations for at least 1
12 semester and is resuming operations, membership is the sum of the
13 product of .90 times the number of full-time equated pupils in
14 grades K to 12 actually enrolled and in regular daily attendance on
15 the first pupil membership count day or supplemental count day,
16 whichever is first, occurring after operations resume, plus the
17 product of .10 times the final audited count from the most recent
18 pupil membership count day or supplemental count day that occurred
19 before suspending operations, as determined by the superintendent.

20 (x) If a district's membership for a particular fiscal year,
21 as otherwise calculated under this subsection, would be less than
22 1,550 pupils and the district has 4.5 or fewer pupils per square
23 mile, as determined by the department, and if the district does not
24 receive funding under section 22d(2), the district's membership
25 shall be considered to be the membership figure calculated under
26 this subdivision. If a district educates and counts in its
27 membership pupils in grades 9 to 12 who reside in a contiguous

1 district that does not operate grades 9 to 12 and if 1 or both of
2 the affected districts request the department to use the
3 determination allowed under this sentence, the department shall
4 include the square mileage of both districts in determining the
5 number of pupils per square mile for each of the districts for the
6 purposes of this subdivision. The membership figure calculated
7 under this subdivision is the greater of the following:

8 (i) The average of the district's membership for the 3-fiscal-
9 year period ending with that fiscal year, calculated by adding the
10 district's actual membership for each of those 3 fiscal years, as
11 otherwise calculated under this subsection, and dividing the sum of
12 those 3 membership figures by 3.

13 (ii) The district's actual membership for that fiscal year as
14 otherwise calculated under this subsection.

15 (y) Full-time equated memberships for special education pupils
16 who are not enrolled in kindergarten but are enrolled in a
17 classroom program under R 340.1754 of the Michigan Administrative
18 Code shall be determined by dividing the number of class hours
19 scheduled and provided per year by 450. Full-time equated
20 memberships for special education pupils who are not enrolled in
21 kindergarten but are receiving early childhood special education
22 services under R 340.1755 or R 340.1862 of the Michigan
23 Administrative Code shall be determined by dividing the number of
24 hours of service scheduled and provided per year per-pupil by 180.

25 (z) A pupil of a district that begins its school year after
26 Labor Day who is enrolled in an intermediate district program that
27 begins before Labor Day shall not be considered to be less than a

1 full-time pupil solely due to instructional time scheduled but not
2 attended by the pupil before Labor Day.

3 (aa) For the first year in which a pupil is counted in
4 membership on the pupil membership count day in a middle college
5 program, the membership is the average of the full-time equated
6 membership on the pupil membership count day and on the
7 supplemental count day for the current school year, as determined
8 by the department. If a pupil described in this subdivision was
9 counted in membership by the operating district on the immediately
10 preceding supplemental count day, the pupil shall be excluded from
11 the district's immediately preceding supplemental count for the
12 purposes of determining the district's membership.

13 (bb) A district or public school academy that educates a pupil
14 who attends a United States Olympic Education Center may count the
15 pupil in membership regardless of whether or not the pupil is a
16 resident of this state.

17 (cc) A pupil enrolled in a district other than the pupil's
18 district of residence ~~pursuant to~~ **UNDER** section 1148(2) **OR (3)** of
19 the revised school code, MCL 380.1148, shall be counted in the
20 educating district.

21 (dd) For a pupil enrolled in a dropout recovery program that
22 meets the requirements of section 23a, the pupil shall be counted
23 as 1/12 of a full-time equated membership for each month that the
24 district operating the program reports that the pupil was enrolled
25 in the program and was in full attendance. However, if the special
26 membership counting provisions under this subdivision and the
27 operation of the other membership counting provisions under this

1 subsection result in a pupil being counted as more than 1.0 FTE in
2 a fiscal year, the payment made for the pupil under sections 22a
3 and 22b shall not be based on more than 1.0 FTE for that pupil, and
4 any portion of an FTE for that pupil that exceeds 1.0 shall instead
5 be paid under section 25g. The district operating the program shall
6 report to the center the number of pupils who were enrolled in the
7 program and were in full attendance for a month not later than 30
8 days after the end of the month. A district shall not report a
9 pupil as being in full attendance for a month unless both of the
10 following are met:

11 (i) A personalized learning plan is in place on or before the
12 first school day of the month for the first month the pupil
13 participates in the program.

14 (ii) The pupil meets the district's definition under section
15 23a of satisfactory monthly progress for that month or, if the
16 pupil does not meet that definition of satisfactory monthly
17 progress for that month, the pupil did meet that definition of
18 satisfactory monthly progress in the immediately preceding month
19 and appropriate interventions are implemented within 10 school days
20 after it is determined that the pupil does not meet that definition
21 of satisfactory monthly progress.

22 (ee) A pupil participating in a virtual course under section
23 21f shall be counted in membership in the district enrolling the
24 pupil.

25 (ff) If a public school academy that is not in its first or
26 second year of operation closes at the end of a school year and
27 does not reopen for the next school year, the department shall

1 adjust the membership count of the district or other public school
2 academy in which a former pupil of the closed public school academy
3 enrolls and is in regular daily attendance for the next school year
4 to ensure that the district or other public school academy receives
5 the same amount of membership aid for the pupil as if the pupil
6 were counted in the district or other public school academy on the
7 supplemental count day of the preceding school year.

8 (gg) If a special education pupil is expelled under section
9 1311 or 1311a of the revised school code, MCL 380.1311 and
10 380.1311a, and is not in attendance on the pupil membership count
11 day because of the expulsion, and if the pupil remains enrolled in
12 the district and resumes regular daily attendance during that
13 school year, the district's membership shall be adjusted to count
14 the pupil in membership as if he or she had been in attendance on
15 the pupil membership count day.

16 (hh) A pupil enrolled in a community district shall be counted
17 in membership in the community district.

18 (ii) A part-time pupil enrolled in a nonpublic school in
19 grades K to 12 in accordance with section 166b shall not be counted
20 as more than 0.75 of a full-time equated membership.

21 (jj) A district that borders another state or a public school
22 academy that operates at least grades 9 to 12 and is located within
23 20 miles of a border with another state may count in membership a
24 pupil who is enrolled in a course at a college or university that
25 is located in the bordering state and within 20 miles of the border
26 with this state if all of the following are met:

27 (i) The pupil would meet the definition of an eligible student

1 under the postsecondary enrollment options act, 1996 PA 160, MCL
2 388.511 to 388.524, if the course were an eligible course under
3 that act.

4 (ii) The course in which the pupil is enrolled would meet the
5 definition of an eligible course under the postsecondary enrollment
6 options act, 1996 PA 160, MCL 388.511 to 388.524, if the course
7 were provided by an eligible postsecondary institution under that
8 act.

9 (iii) The department determines that the college or university
10 is an institution that, in the other state, fulfills a function
11 comparable to a state university or community college, as those
12 terms are defined in section 3 of the postsecondary enrollment
13 options act, 1996 PA 160, MCL 388.513, or is an independent
14 nonprofit degree-granting college or university.

15 (iv) The district or public school academy pays for a portion
16 of the pupil's tuition at the college or university in an amount
17 equal to the eligible charges that the district or public school
18 academy would pay to an eligible postsecondary institution under
19 the postsecondary enrollment options act, 1996 PA 160, MCL 388.511
20 to 388.524, as if the course were an eligible course under that
21 act.

22 (v) The district or public school academy awards high school
23 credit to a pupil who successfully completes a course as described
24 in this subdivision.

25 (kk) A pupil enrolled in a middle college program may be
26 counted for more than a total of 1.0 full-time equated membership
27 if the pupil is enrolled in more than the minimum number of

1 instructional days and hours required under section 101 and the
2 pupil is expected to complete the 5-year program with both a high
3 school diploma and at least 60 transferable college credits or is
4 expected to earn an associate's degree in fewer than 5 years.

5 (5) "Public school academy" means that term as defined in
6 section 5 of the revised school code, MCL 380.5.

7 (6) "Pupil" means an individual in membership in a public
8 school. A district must have the approval of the pupil's district
9 of residence to count the pupil in membership, except approval by
10 the pupil's district of residence is not required for any of the
11 following:

12 (a) A nonpublic part-time pupil enrolled in grades K to 12 in
13 accordance with section 166b.

14 (b) A pupil receiving 1/2 or less of his or her instruction in
15 a district other than the pupil's district of residence.

16 (c) A pupil enrolled in a public school academy.

17 (d) A pupil enrolled in a district other than the pupil's
18 district of residence under an intermediate district schools of
19 choice pilot program as described in section 91a or former section
20 91 if the intermediate district and its constituent districts have
21 been exempted from section 105.

22 (e) A pupil enrolled in a district other than the pupil's
23 district of residence if the pupil is enrolled in accordance with
24 section 105 or 105c.

25 (f) A pupil who has made an official written complaint or
26 whose parent or legal guardian has made an official written
27 complaint to law enforcement officials and to school officials of

1 the pupil's district of residence that the pupil has been the
2 victim of a criminal sexual assault or other serious assault, if
3 the official complaint either indicates that the assault occurred
4 at school or that the assault was committed by 1 or more other
5 pupils enrolled in the school the pupil would otherwise attend in
6 the district of residence or by an employee of the district of
7 residence. A person who intentionally makes a false report of a
8 crime to law enforcement officials for the purposes of this
