

HOUSE BILL No. 6392

September 26, 2018, Introduced by Reps. Kosowski, Howrylak and Chang and referred to the Committee on Law and Justice.

A bill to create the crime survivor trauma recovery center data collection act; to describe the crime survivor trauma recovery center data collection system; and to provide for the powers and duties of certain state and local governmental officers and entities.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the "crime
2 survivor trauma recovery center data collection act".

3 Sec. 2. As used in this act:

4 (a) "Crime survivor" means any of the following:

5 (i) A victim of an assaultive crime, including, but not
6 limited to, sexual assault, domestic violence, physical assault,
7 vehicular assault, or human trafficking. As used in this
8 subparagraph, "domestic violence" means inflicting bodily injury,

1 causing serious emotional injury, causing psychological trauma, or
2 placing in fear of imminent physical harm by threat or force a
3 person who is a spouse of, a former spouse of, or a person who has
4 had a dating relationship with, resides or has resided with, or has
5 a child in common with the person committing or threatening
6 violence.

7 (ii) Family members of a homicide victim.

8 (iii) Individuals who are 18 years of age or less, who have
9 had contact with the juvenile dependency or justice system, or who
10 have experienced trauma as a result of exposure to violence,
11 including domestic violence.

12 (b) "Crime survivor trauma recovery center" or "CSTRC" means a
13 center established under the crime survivor trauma recovery center
14 act that provides an integrated, structured, and evidence-based
15 program of trauma treatment and support services that meet the
16 minimum criteria as established by the department. Crime survivor
17 trauma recovery center or CSTRC does not include a mental health
18 facility or agency unless the facility or agency is awarded a grant
19 by the department under the crime survivor trauma recovery act.

20 (c) "Crime survivor trauma recovery center data collection
21 system" or "system" means the data collection system established by
22 the department under section 3.

23 (d) "Department" means the department of health and human
24 services.

25 (e) "Performance indicator" means a measurement for crime
26 survivor trauma recovery center program processes, service
27 utilization, and program and individual crime survivor outcomes.

1 (f) "Substance use disorder" means that term as defined in
2 section 100d of the mental health code, 1974 PA 258, MCL 330.1100d.

3 Sec. 3. (1) The crime survivor trauma recovery center data
4 collection system is established within the department to assess
5 the feasibility, utilization, and crime survivor outcomes
6 associated with each CSTRC.

7 (2) The system must collect data continuously through the use
8 of an electronic format regarding CSTRCs at the individual crime
9 survivor and program level and must utilize standardized measures,
10 operationalized variables, and consistent reporting.

11 (3) The department shall select a single database platform
12 that is capable of accepting the transfer and upload of electronic
13 data to collect and maintain the data required to be collected
14 under this act to allow for the accurate comparison of CSTRC
15 program performance.

16 Sec. 4. The data collected under the system established in
17 section 3 must include all of the following:

18 (a) CSTRC program processes using various performance
19 indicators associated with CSTRC program development, operation,
20 and collaboration, including, but not limited to, the following:

21 (i) Collaboration with other public and private human service
22 agencies and outreach activities.

23 (ii) Standardized assessments of a crime survivor's
24 psychological and social well-being at the time of initial
25 evaluation at a CSTRC.

26 (iii) Admission statistics calculated monthly and yearly at
27 each CSTRC.

1 (iv) The length of waiting lists, if any, for admission at
2 each CSTRC.

3 (b) Crime survivor demographics and characteristics, including
4 all of the following:

5 (i) Crime survivor age, race, gender, national origin, sexual
6 orientation, and ethnicity.

7 (ii) Whether the crime survivor is homeless or has a place of
8 residence, and if so, the crime survivor's current home address.

9 (iii) The type of crime victimization the crime survivor has
10 endured, history of prior crime victimization, and any prior
11 involvement in the criminal justice system.

12 (iv) Any previous services received by the crime survivor and
13 whether the crime survivor is chemically dependent or displays
14 symptoms of a substance use disorder.

15 (v) Whether the crime survivor has a previous mental illness
16 diagnosis or displays symptoms indicating he or she may be at risk
17 for suicide.

18 (vi) The crime survivor's income, health insurance status,
19 current employment status, and whether the crime survivor has
20 living family members.

21 (c) The utilization of CSTRC services, including the following
22 performance indicators:

23 (i) Type and frequency of each service provided to each crime
24 survivor.

25 (ii) Dates of service provided to each crime survivor.

26 (iii) Type of therapist or other CSTRC staff member who
27 provides a service to each crime survivor.

1 (iv) The number of treatment sessions authorized for each
2 crime survivor at his or her initial evaluation.

3 (v) The number of additional treatment sessions, if any,
4 authorized for each crime survivor over and above the initially
5 authorized treatment sessions.

6 (d) CSTRC program outcomes through the assessment of the
7 following performance indicators:

8 (i) The number of crime survivors who report their
9 victimization to law enforcement and participate in the prosecution
10 of the crime.

11 (ii) The number and types of services provided to crime
12 survivors and compensation awarded to crime survivors upon
13 application from the crime victim's rights fund created in section
14 4 of 1989 PA 196, MCL 780.904.

15 (iii) The number of crime survivors that actually received
16 compensation from the crime victim's rights fund created in section
17 4 of 1989 PA 196, MCL 780.904.

18 (iv) The ability of a CSTRC to successfully connect a crime
19 survivor to services provided outside of the CSTRC for assistance
20 with housing, employment, child care, or other services not
21 provided by the CSTRC.

22 (v) Whether the services provided to a crime survivor by a
23 CSTRC have assisted that crime survivor with establishing or
24 maintaining family cohesion.

25 (vi) Whether a crime survivor has experienced improvement with
26 any applicable mental health conditions or substance use disorders.

27 (vii) Whether a crime survivor who was unemployed at the time

1 of his or her initial evaluation has subsequently become employed,
2 or a crime survivor who was employed at the time of his or her
3 initial evaluation has maintained his or her employment.

4 Sec. 5. The data required to be collected under this act must
5 be collected in a timely and consistent fashion. A CSTRC's failure
6 to comply with the data collection required under this act may
7 result in the loss or partial loss of funding for that CSTRC.

8 Enacting section 1. This act takes effect 90 days after the
9 date it is enacted into law.

10 Enacting section 2. This act does not take effect unless
11 Senate Bill No. ____ or House Bill No. 6388 (request no. 06335'18) of
12 the 99th Legislature is enacted into law.
