

HOUSE SUBSTITUTE FOR
SENATE BILL NO. 1097

A bill to amend 2007 PA 36, entitled
"Michigan business tax act,"
by amending section 437 (MCL 208.1437), as amended by 2017 PA 217.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 437. (1) Subject to the criteria under this section, a
2 qualified taxpayer that has unused credits or has a preapproval
3 letter issued after December 31, 2007 and before January 1, 2014,
4 or a taxpayer that received a preapproval letter prior to January
5 1, 2008 under section 38g of former 1975 PA 228 and has not
6 received a certificate of completion prior to the taxpayer's last
7 tax year, provided that the project is completed not more than 5
8 years after the preapproval letter for the project is issued unless
9 extended under subsection (9) or if it is a multiphase project not

1 more than 10 years after the preapproval letter, as amended, if
2 applicable, **or as otherwise extended under subsection (10)**, for the
3 project is issued, or an assignee under subsection (20), (21), or
4 (22) may claim a credit that has been approved under section 38g of
5 former 1975 PA 228 or under subsection (2), (3), or (4) against the
6 tax imposed by this act equal to either of the following:

7 (a) For projects approved before April 8, 2008, if the total
8 of all credits for a project is \$1,000,000.00 or less, 10% of the
9 cost of the qualified taxpayer's eligible investment paid or
10 accrued by the qualified taxpayer on an eligible property provided
11 that the project does not exceed the amount stated in the
12 preapproval letter, as amended. For projects approved, or amended,
13 on and after April 8, 2008, if the total of all eligible
14 investments for a project are \$10,000,000.00 or less, up to 12.5%
15 of the costs of the qualified taxpayer's eligible investment paid
16 or accrued by the qualified taxpayer on an eligible property or up
17 to 15% of the costs of the qualified taxpayer's eligible investment
18 paid or accrued by the qualified taxpayer on an eligible property
19 if the project is designated as an urban development area project
20 by the Michigan economic growth authority to the extent that the
21 project does not exceed the amount stated in the preapproval
22 letter, as amended, or, until December 31, 2010, up to 20% of the
23 costs of the qualified taxpayer's eligible investment paid or
24 accrued by the qualified taxpayer on an eligible property if the
25 project is designated as an urban development area project by the
26 Michigan economic growth authority. If eligible investment exceeds
27 the amount of eligible investment in the preapproval letter, as
28 amended, for that project, the total of all credits for the project
29 shall not exceed the total of all credits on the certificate of

1 completion.

2 (b) For projects approved before April 8, 2008, if the total
3 of all credits for a project is more than \$1,000,000.00 but
4 \$30,000,000.00 or less and, except as provided in subsection
5 (6)(b), the project is located in a qualified local governmental
6 unit, a percentage as determined by the Michigan economic growth
7 authority not to exceed 10% of the cost of the qualified taxpayer's
8 eligible investment as determined under subsection (11) paid or
9 accrued by the qualified taxpayer on an eligible property. For
10 projects approved, or amended, on and after April 8, 2008 and
11 before January 1, 2010, if the total of all eligible investments
12 for a project is more than \$10,000,000.00 but \$300,000,000.00 or
13 less, up to 12.5% of the costs of the qualified taxpayer's eligible
14 investment as determined under subsection (11) paid or accrued by
15 the qualified taxpayer on an eligible property that, except as
16 provided in subsection (6)(b), is located in a qualified local
17 governmental unit, up to 15% of the cost of the qualified
18 taxpayer's eligible investment as determined under subsection (11)
19 paid or accrued by the qualified taxpayer on an eligible property
20 if the project is designated as an urban development area project
21 by the Michigan economic growth authority, or, until December 31,
22 2010, up to 20% of the costs of the qualified taxpayer's eligible
23 investment as determined under subsection (11) paid or accrued by
24 the qualified taxpayer on an eligible property if the project is
25 designated as an urban development area project by the Michigan
26 economic growth authority. For projects approved, or amended, on
27 and after January 1, 2010, if the total of all eligible investments
28 for a project is more than \$10,000,000.00 but \$100,000,000.00 or
29 less, up to 12.5% of the costs of the qualified taxpayer's eligible

1 investment as determined under subsection (11) paid or accrued by
2 the qualified taxpayer on an eligible property that, except as
3 provided in subsection (6) (b), is located in a qualified local
4 governmental unit, up to 15% of the cost of the qualified
5 taxpayer's eligible investment as determined under subsection (11)
6 paid or accrued by the qualified taxpayer on an eligible property
7 if the project is designated as an urban development area project
8 by the Michigan economic growth authority, or, until December 31,
9 2010, up to 20% of the costs of the qualified taxpayer's eligible
10 investment as determined under subsection (11) paid or accrued by
11 the qualified taxpayer on an eligible property if the project is
12 designated as an urban development area project by the Michigan
13 economic growth authority. If eligible investment exceeds the
14 amount of eligible investment in the preapproval letter, as
15 amended, for that project, the total of all credits for the project
16 shall not exceed the total of all credits on the certificate of
17 completion.

18 (2) If the cost of a project will be \$2,000,000.00 or less, a
19 qualified taxpayer shall apply to the Michigan economic growth
20 authority for approval of the project under this subsection. An
21 application under this subsection shall state whether the project
22 is a multiphase project. Subject to the limitation provided under
23 subsection (31), the chairperson of the Michigan economic growth
24 authority or his or her designee is authorized to approve an
25 application or project under this subsection. Only the chairperson
26 of the Michigan economic growth authority is authorized to deny an
27 application or project under this subsection. A project shall be
28 approved or denied not more than 45 days after receipt of the
29 application. If the chairperson of the Michigan economic growth

1 authority or his or her designee does not approve or deny the
2 application within 45 days after the application is received by the
3 Michigan economic growth authority, the application is considered
4 approved as written. If the chairperson of the Michigan economic
5 growth authority or his or her designee approves a project under
6 this subsection, the chairperson of the Michigan economic growth
7 authority or his or her designee shall issue a preapproval letter
8 that states that the taxpayer is a qualified taxpayer; the maximum
9 total eligible investment for the project on which credits may be
10 claimed and the maximum total of all credits for the project when
11 the project is completed and a certificate of completion is issued;
12 and the project number assigned by the Michigan economic growth
13 authority. If a project is denied under this subsection, a taxpayer
14 is not prohibited from subsequently applying under this subsection
15 for the same project or for another project. The Michigan economic
16 growth authority shall develop and implement the use of the
17 application form to be used for projects under this subsection.

18 (3) If the cost of a project will be for more than
19 \$2,000,000.00 but \$10,000,000.00 or less, a qualified taxpayer
20 shall apply to the Michigan economic growth authority for approval
21 of the project under this subsection. An application under this
22 subsection shall state whether the project is a multiphase project.
23 Subject to the limitation provided under subsection (31), the
24 chairperson of the Michigan economic growth authority or his or her
25 designee is authorized to approve an application or project under
26 this subsection. Only the chairperson of the Michigan economic
27 growth authority is authorized to deny an application or project
28 under this subsection. A project shall be approved or denied not
29 more than 45 days after receipt of the application. If the

1 chairperson of the Michigan economic growth authority or his or her
2 designee does not approve or deny an application within 45 days
3 after the application is received by the Michigan economic growth
4 authority, the application is considered approved as written. The
5 criteria in subsection (7) shall be used when approving projects
6 under this subsection. When approving projects under this
7 subsection, priority shall be given to projects on a facility. The
8 total of all credits for an approved project under this subsection
9 shall not exceed the amounts authorized under subsection (1)(a). A
10 taxpayer may apply under this subsection instead of subsection (4)
11 for approval of a project that will be for more than
12 \$10,000,000.00, but the total of all credits for that project shall
13 not exceed the amounts authorized under subsection (1)(a). If the
14 chairperson of the Michigan economic growth authority or his or her
15 designee approves a project under this subsection, the chairperson
16 of the Michigan economic growth authority or his or her designee
17 shall issue a preapproval letter that states that the taxpayer is a
18 qualified taxpayer; the maximum total eligible investment for the
19 project on which credits may be claimed and the maximum total of
20 all credits for the project when the project is completed and a
21 certificate of completion is issued; and the project number
22 assigned by the Michigan economic growth authority. If a project is
23 denied under this subsection, a taxpayer is not prohibited from
24 subsequently applying under this subsection or subsection (4) for
25 the same project or for another project.

26 (4) If the cost of a project will be for more than
27 \$10,000,000.00 and, except as provided in subsection (6)(b), the
28 project is located in a qualified local governmental unit, a
29 qualified taxpayer shall apply to the Michigan economic growth

1 authority for approval of the project. An application under this
2 subsection shall state whether the project is a multiphase project.
3 The Michigan economic growth authority shall approve or deny the
4 project not more than 65 days after receipt of the application. A
5 project under this subsection shall not be approved without the
6 concurrence of the state treasurer. If the Michigan economic growth
7 authority does not approve or deny the application within 65 days
8 after it receives the application, the Michigan economic growth
9 authority shall send the application to the state treasurer. The
10 state treasurer shall approve or deny the application within 5 days
11 after receipt of the application. If the state treasurer does not
12 deny the application within 5 days after receipt of the
13 application, the application is considered approved. The Michigan
14 economic growth authority shall approve a limited number of
15 projects under this subsection during each calendar year as
16 provided in subsection (6). The Michigan economic growth authority
17 shall use the criteria in subsection (7) when approving projects
18 under this subsection, when determining the total amount of
19 eligible investment, and when determining the percentage of
20 eligible investment for the project to be used to calculate a
21 credit. The total of all credits for an approved project under this
22 subsection shall not exceed the amount designated in the
23 preapproval letter, as amended, for that project. If the Michigan
24 economic growth authority approves a project under this subsection,
25 the Michigan economic growth authority shall issue a preapproval
26 letter that states that the taxpayer is a qualified taxpayer; the
27 percentage of eligible investment for the project determined by the
28 Michigan economic growth authority for purposes of subsection
29 (1) (b); the maximum total eligible investment for the project on

1 which credits may be claimed and the maximum total of all credits
2 for the project when the project is completed and a certificate of
3 completion is issued; and the project number assigned by the
4 Michigan economic growth authority. The Michigan economic growth
5 authority shall send a copy of the preapproval letter to the
6 department. If a project is denied under this subsection, a
7 taxpayer is not prohibited from subsequently applying under this
8 subsection or subsection (3) for the same project or for another
9 project.

10 (5) If the project is on property that is functionally
11 obsolete, the taxpayer shall include with the application an
12 affidavit signed by a level 3 or level 4 assessor, that states that
13 it is the assessor's expert opinion that the property is
14 functionally obsolete and the underlying basis for that opinion.

15 (6) The Michigan economic growth authority may approve not
16 more than 20 projects each calendar year through December 31, 2009,
17 not more than 19 projects for the 2010 calendar year, and, except
18 as otherwise provided under subdivision (d), not more than 17
19 projects for each calendar year after December 31, 2010 under
20 subsection (4), and the following limitations apply:

21 (a) Of the projects allowed under this subsection, the total
22 of all credits for each project may be more than \$10,000,000.00 but
23 \$30,000,000.00 or less for only 1 project before December 31, 2009.

24 (b) Of the projects allowed under this subsection, up to 3
25 projects may be approved for projects that are not in a qualified
26 local governmental unit if the property is a facility for which
27 eligible activities are identified in a brownfield plan or, for 1
28 of the 3 projects, if the property is not a facility but is
29 functionally obsolete or blighted, property identified in a

1 brownfield plan. For purposes of this subdivision, a facility
2 includes a building or complex of buildings that was used by a
3 state or federal agency and that is no longer being used for the
4 purpose for which it was used by the state or federal agency.

5 (c) The project allowed under subdivision (a) may also qualify
6 under subdivision (b).

7 (d) If the Michigan economic growth authority determines that
8 there are previously issued credits authorized under section 434(6)
9 available, the Michigan economic growth authority may approve 2
10 additional projects for each calendar year after December 31, 2010.
11 As used in this subdivision, "previously issued credits" means the
12 total amount of credits authorized by the Michigan economic growth
13 authority for a taxpayer under section 434(6) that meets all of the
14 following:

15 (i) The taxpayer did not use any or a portion of the credits
16 authorized under the written agreement under section 434(6).

17 (ii) The authority determined at a meeting upon a vote of the
18 majority of the members present that the credits previously
19 authorized satisfy subparagraph (i).

20 (7) The Michigan economic growth authority shall review all
21 applications for projects under subsection (4) and, if an
22 application is approved, shall determine the maximum total of all
23 credits for that project. Before approving a project for which the
24 total of all credits will be more than \$10,000,000.00 but
25 \$30,000,000.00 or less only, the Michigan economic growth authority
26 shall determine that the project would not occur in this state
27 without the tax credit offered under subsection (4). The Michigan
28 economic growth authority shall consider the following criteria to
29 the extent reasonably applicable to the type of project proposed

1 when approving a project under subsection (4), and the chairperson
2 of the Michigan economic growth authority or his or her designee
3 shall consider the following criteria to the extent reasonably
4 applicable to the type of project proposed when approving a project
5 under subsection (2) or (3) or when considering an amendment to a
6 project under subsection (9):

7 (a) The overall benefit to the public.

8 (b) The extent of reuse of vacant buildings and redevelopment
9 of blighted property.

10 (c) Creation of jobs.

11 (d) Whether the eligible property is in an area of high
12 unemployment.

13 (e) The level and extent of contamination alleviated by the
14 qualified taxpayer's eligible activities to the extent known to the
15 qualified taxpayer.

16 (f) The level of private sector contribution.

17 (g) The cost gap that exists between the site and a similar
18 greenfield site as determined by the Michigan economic growth
19 authority.

20 (h) If the qualified taxpayer is moving from another location
21 in this state, whether the move will create a brownfield.

22 (i) Whether the project is financially and economically sound.

23 (j) Any other criteria that the Michigan economic growth
24 authority or the chairperson of the Michigan economic growth
25 authority, as applicable, considers appropriate for the
26 determination of eligibility under subsection (3) or (4).

27 (8) A qualified taxpayer may apply for projects under this
28 section for eligible investment on more than 1 eligible property in
29 a tax year. Each project approved and each project for which a

1 certificate of completion is issued under this section shall be for
2 eligible investment on 1 eligible property.

3 (9) If, after a taxpayer's project has been approved and the
4 taxpayer has received a preapproval letter but before the taxpayer
5 has made an eligible investment, other than soft costs, at the
6 property, the taxpayer determines that the project cannot be
7 completed as preapproved, the taxpayer may petition the Michigan
8 economic growth authority to amend the project and the preapproval
9 letter to increase the maximum total eligible investment for the
10 project on which credits may be claimed and the maximum total of
11 all credits for the project. A taxpayer may petition the Michigan
12 economic growth authority to make any other amendments to the
13 project or preapproval letter at any time before a certificate of
14 completion is issued. Amendments to the project or preapproval
15 letter may include, but are not limited to, extending the duration
16 of time provided to complete the project, as long as that extension
17 does not exceed 10 years from the date of the preapproval letter **or**
18 **as otherwise extended under subsection (10)**. However, if a project
19 was approved prior to December 31, 2008 for 20% of the qualified
20 taxpayer's eligible investment and a total of less than
21 \$2,000,000.00 for all credits for that project and that project has
22 received a funding reservation for an allocation of the federal
23 low-income housing tax credit administered by the Michigan state
24 housing development authority of more than \$1,100,000.00, then that
25 project may be amended to extend the duration of time provided to
26 complete the project to the placed-in-service date of the carryover
27 allocation agreement for the federal low-income housing tax credit.

28 (10) A project may be a multiphase project. If a project is a
29 multiphase project, when each component of the multiphase project

1 is completed, the taxpayer shall submit documentation that the
2 component is complete, an accounting of the cost of the component,
3 and the eligible investment for the component of each taxpayer
4 eligible for a credit for the project of which the component is a
5 part to the Michigan economic growth authority or the designee of
6 the Michigan economic growth authority, who shall verify that the
7 component is complete. When the completion of the component is
8 verified, a component completion certificate shall be issued to the
9 qualified taxpayer which shall state that the taxpayer is a
10 qualified taxpayer, the credit amount for the component, the
11 qualified taxpayer's federal employer identification number or the
12 Michigan treasury number assigned to the taxpayer, and the project
13 number. The taxpayer may assign all or part of the credit for a
14 multiphase project as provided in this section after a component
15 completion certificate for a component is issued. The qualified
16 taxpayer may transfer ownership of or lease the completed component
17 and assign a proportionate share of the credit for the entire
18 project to the qualified taxpayer that is the new owner or lessee.
19 A multiphase project shall not be divided into more than 10
20 components. A component is considered to be completed when a
21 **temporary or final** certificate of occupancy has been issued by the
22 local municipality in which the project is located for all of the
23 buildings or facilities that comprise the completed component and a
24 component completion certificate is issued or the chairperson of
25 the Michigan economic growth authority or his or her designee, for
26 projects approved under subsection (2) or (3), or the Michigan
27 economic growth authority, for projects approved under subsection
28 (4), verifies that the component is complete. A credit assigned
29 based on a multiphase project shall be claimed by the assignee in

1 the tax year in which the assignment is made. The total of all
2 credits for a multiphase project shall not exceed the amount stated
3 in the preapproval letter, as amended, for the project under
4 subsection (1). ~~If~~**Except as otherwise provided under this**
5 **subsection, if** all components of a multiphase project are not
6 completed by 10 years after the date on which the preapproval
7 letter, as amended, if applicable, for the project was issued, the
8 qualified taxpayer that received the preapproval letter for the
9 project shall pay to the state treasurer, as a penalty, an amount
10 equal to the sum of all credits claimed and assigned for all
11 components of the multiphase project and no credits based on that
12 multiphase project shall be claimed after that date by the
13 qualified taxpayer or any assignee of the qualified taxpayer. **A**
14 **qualified taxpayer that was approved for a credit based on a**
15 **multiphase project by Resolution 2008-178 adopted by the Michigan**
16 **economic growth authority and issued a preapproval letter on March**
17 **14, 2011 has until September 14, 2022 to complete that project and**
18 **claim the credit without penalty. A qualified taxpayer that was**
19 **approved for a credit based on a multiphase project by Resolution**
20 **2020-046 adopted by the Michigan economic growth authority and**
21 **issued a preapproval letter on June 10, 2011 has until September**
22 **14, 2023 to complete that project and claim the credit without**
23 **penalty.** The penalty under this subsection is subject to interest
24 on the amount of the credit claimed or assigned determined
25 individually for each component at the rate in section 23(2) of
26 1941 PA 122, MCL 205.23, beginning on the date that the credit for
27 that component was claimed or assigned. As used in this subsection,
28 "proportionate share" means the same percentage of the total of all
29 credits for the project that the qualified investment for the

1 completed component is of the total qualified investment stated in
2 the preapproval letter, as amended, for the entire project.

3 (11) When a project under this section is completed, the
4 taxpayer shall submit documentation that the project is completed,
5 an accounting of the cost of the project, the eligible investment
6 of each taxpayer if there is more than 1 taxpayer eligible for a
7 credit for the project, and, if the taxpayer is not the owner or
8 lessee of the eligible property on which the eligible investment
9 was made at the time the project is completed, that the taxpayer
10 was the owner or lessee of, or was a party to an agreement to
11 purchase or lease, that eligible property when all eligible
12 investment of the taxpayer was made. The chairperson of the
13 Michigan economic growth authority or his or her designee, for
14 projects approved under subsection (2) or (3), or the Michigan
15 economic growth authority, for projects approved under subsection
16 (4), shall verify that the project is completed. The Michigan
17 economic growth authority shall conduct an on-site inspection as
18 part of the verification process for projects approved under
19 subsection (4). When the completion of the project is verified, a
20 certificate of completion shall be issued to each qualified
21 taxpayer that has made eligible investment on that eligible
22 property. The certificate of completion shall state the total
23 amount of all credits for the project and that total shall not
24 exceed the maximum total of all credits listed in the preapproval
25 letter for the project under subsection (2), (3), or (4) as
26 applicable and as amended under subsection (9) and shall state all
27 of the following:

28 (a) That the taxpayer is a qualified taxpayer.

29 (b) The total cost of the project and the eligible investment

1 of each qualified taxpayer.

2 (c) Each qualified taxpayer's credit amount.

3 (d) The qualified taxpayer's federal employer identification
4 number or the Michigan treasury number assigned to the taxpayer.

5 (e) The project number.

6 (f) For a project approved under subsection (4) for which the
7 total of all credits is more than \$10,000,000.00 but \$30,000,000.00
8 or less, the total of all credits and the schedule on which the
9 annual credit amount shall be claimed by the qualified taxpayer.

10 (g) For a multiphase project under subsection (10), the amount
11 of each credit assigned and the amount of all credits claimed in
12 each tax year before the year in which the project is completed.

13 (12) Except as otherwise provided in this section, qualified
14 taxpayers shall claim credits under this section in the tax year in
15 which the certificate of completion is issued. For a project
16 approved under subsection (4) for which the total of all credits is
17 more than \$10,000,000.00 but \$30,000,000.00 or less, the qualified
18 taxpayer shall claim 10% of its approved credit each year for 10
19 years. A credit assigned based on a multiphase project shall be
20 claimed in the year in which the credit is assigned.

21 (13) The cost of eligible investment for leased machinery,
22 equipment, or fixtures is the cost of that property had the
23 property been purchased minus the lessor's estimate, made at the
24 time the lease is entered into, of the market value the property
25 will have at the end of the lease. A credit for property described
26 in this subsection is allowed only if the cost of that property had
27 the property been purchased and the lessor's estimate of the market
28 value at the end of the lease are provided to the Michigan economic
29 growth authority.

1 (14) Credits claimed by a lessee of eligible property are
2 subject to the total of all credits limitation under this section.

3 (15) Each qualified taxpayer and assignee under subsection
4 (20), (21), or (22) that claims a credit under this section shall
5 attach a copy of the certificate of completion and, if the credit
6 was assigned, a copy of the assignment form provided for under this
7 section to the annual return filed under this act on which the
8 credit under this section is claimed. An assignee of a credit based
9 on a multiphase project shall attach a copy of the assignment form
10 provided for under this section and the component completion
11 certificate provided for in subsection (10) to the annual return
12 filed under this act on which the credit is claimed but is not
13 required to file a copy of a certificate of completion.

14 (16) Except as otherwise provided in this subsection or
15 subsection (10), (18), (20), (21), or (22), a credit under this
16 section shall be claimed in the tax year in which the certificate
17 of completion is issued to the qualified taxpayer. For a project
18 described in subsection (11)(f) for which a schedule for claiming
19 annual credit amounts is designated on the certificate of
20 completion by the Michigan economic growth authority, the annual
21 credit amount shall be claimed in the tax year specified on the
22 certificate of completion.

23 (17) Except as otherwise provided under this subsection, the
24 credits approved under this section shall be calculated after
25 application of all other credits allowed under this act. The
26 credits under this section shall be calculated before the
27 calculation of the credits under sections 413, 423, 431, and 450.

28 (18) Except as otherwise provided under this subsection, if
29 the credit allowed under this section for the tax year and any

1 unused carryforward of the credit allowed under this section exceed
2 the qualified taxpayer's or assignee's tax liability for the tax
3 year, that portion that exceeds the tax liability for the tax year
4 shall not be refunded but may be carried forward to offset tax
5 liability in subsequent tax years for 10 years or until used up,
6 whichever occurs first. Except as otherwise provided in this
7 subsection, the maximum time allowed under the carryforward
8 provisions under this subsection begins with the tax year in which
9 the certificate of completion is issued to the qualified taxpayer.
10 If the qualified taxpayer assigns all or any portion of its credit
11 approved under this section, the maximum time allowed under the
12 carryforward provisions for an assignee begins to run with the tax
13 year in which the assignment is made and the assignee first claims
14 a credit, which shall be the same tax year. The maximum time
15 allowed under the carryforward provisions for an annual credit
16 amount for a credit allowed under subsection (4) begins to run in
17 the tax year for which the annual credit amount is designated on
18 the certificate of completion issued under this section. A credit
19 carryforward available under section 38g of former 1975 PA 228 that
20 is unused at the end of the last tax year may be claimed against
21 the tax imposed under this act for the years the carryforward would
22 have been available under former 1975 PA 228. Beginning on and
23 after April 8, 2008, if the credit allowed under this section for
24 the tax year exceeds the qualified taxpayer's tax liability for the
25 tax year, the qualified taxpayer may elect to have the excess
26 refunded at a rate equal to 85% of that portion of the credit that
27 exceeds the tax liability of the qualified taxpayer for the tax
28 year and forgo the remaining 15% of the credit and any
29 carryforward.

1 (19) If a project or credit under this section is for the
2 addition of personal property, if the cost of that personal
3 property is used to calculate a credit under this section, and if
4 the personal property is disposed of or transferred from the
5 eligible property to any other location, the qualified taxpayer
6 that disposed of that property, or transferred the personal
7 property shall add the same percentage as determined under
8 subsection (1) of the federal basis of the personal property used
9 for determining gain or loss as of the date of the disposition or
10 transfer to the qualified taxpayer's tax liability under this act
11 after application of all credits under this act for the tax year in
12 which the disposition or transfer occurs. If a qualified taxpayer
13 has an unused carryforward of a credit under this section, the
14 amount otherwise added under this subsection to the qualified
15 taxpayer's tax liability may instead be used to reduce the
16 qualified taxpayer's carryforward under subsection (18).

17 (20) For credits under this section for projects for which a
18 certificate of completion is issued before January 1, 2006 and
19 except as otherwise provided in this subsection, if a qualified
20 taxpayer pays or accrues eligible investment on or to an eligible
21 property that is leased for a minimum term of 10 years or sold to
22 another taxpayer for use in a business activity, the qualified
23 taxpayer may assign all or a portion of the credit under this
24 section based on that eligible investment to the lessee or
25 purchaser of that eligible property. A credit assignment under this
26 subsection shall only be made to a taxpayer that when the
27 assignment is complete will be a qualified taxpayer. All credit
28 assignments under this subsection are irrevocable and, except for a
29 credit based on a multiphase project, shall be made in the tax year

1 in which the certificate of completion is issued, unless the
2 assignee is an unknown lessee. If a qualified taxpayer wishes to
3 assign all or a portion of its credit to a lessee but the lessee is
4 unknown in the tax year in which the certificate of completion is
5 issued, the qualified taxpayer may delay claiming and assigning the
6 credit until the first tax year in which the lessee is known. A
7 qualified taxpayer may claim a portion of a credit and assign the
8 remaining credit amount. Except as otherwise provided in this
9 subsection, if the qualified taxpayer both claims and assigns
10 portions of the credit, the qualified taxpayer shall claim the
11 portion it claims in the tax year in which the certificate of
12 completion is issued or, for a credit assigned and claimed for a
13 multiphase project before a certificate of completion is issued,
14 the taxpayer shall claim the credit in the year in which the credit
15 is assigned. If a qualified taxpayer assigns all or a portion of
16 the credit and the eligible property is leased to more than 1
17 taxpayer, the qualified taxpayer shall determine the amount of
18 credit assigned to each lessee. A lessee shall not subsequently
19 assign a credit or any portion of a credit assigned under this
20 subsection. A purchaser may subsequently assign a credit or any
21 portion of a credit assigned to the purchaser under this subsection
22 to a lessee of the eligible property. The credit assignment under
23 this subsection shall be made on a form prescribed by the Michigan
24 economic growth authority. The qualified taxpayer shall send a copy
25 of the completed assignment form to the Michigan economic growth
26 authority in the tax year in which the assignment is made. The
27 assignee shall attach a copy of the completed assignment form to
28 its annual return required to be filed under this act, for the tax
29 year in which the assignment is made and the assignee first claims

1 a credit, which shall be the same tax year. In addition to all
2 other procedures under this subsection, the following apply if the
3 total of all credits for a project is more than \$10,000,000.00 but
4 \$30,000,000.00 or less:

5 (a) The credit shall be assigned based on the schedule
6 contained in the certificate of completion.

7 (b) If the qualified taxpayer assigns all or a portion of the
8 credit amount, the qualified taxpayer shall assign the annual
9 credit amount for each tax year separately.

10 (c) More than 1 annual credit amount may be assigned to any 1
11 assignee and the qualified taxpayer may assign all or a portion of
12 each annual credit amount to any assignee.

13 (d) The qualified taxpayer shall not assign more than the
14 annual credit amount for each tax year.

15 (21) Except as otherwise provided in this subsection, for
16 projects for which a certificate of completion is issued before
17 January 1, 2006, and except as otherwise provided in this
18 subsection, if a qualified taxpayer is a partnership, limited
19 liability company, or subchapter S corporation, the qualified
20 taxpayer may assign all or a portion of a credit under this section
21 to its partners, members, or shareholders, based on their
22 proportionate share of ownership of the partnership, limited
23 liability company, or subchapter S corporation or based on an
24 alternative method approved by the Michigan economic growth
25 authority. A credit assignment under this subsection is irrevocable
26 and, except for a credit assignment based on a multiphase project,
27 shall be made in the tax year in which a certificate of completion
28 is issued. A qualified taxpayer may claim a portion of a credit and
29 assign the remaining credit amount. Except as otherwise provided in

1 this subsection, if the qualified taxpayer both claims and assigns
2 portions of the credit, the qualified taxpayer shall claim the
3 portion it claims in the tax year in which a certificate of
4 completion is issued or for a credit assigned and claimed for a
5 multiphase project, before the component completion certificate is
6 issued, the taxpayer shall claim the credit in the year in which
7 the credit is assigned. A partner, member, or shareholder that is
8 an assignee shall not subsequently assign a credit or any portion
9 of a credit assigned under this subsection. The credit assignment
10 under this subsection shall be made on a form prescribed by the
11 Michigan economic growth authority. The qualified taxpayer shall
12 send a copy of the completed assignment form to the Michigan
13 economic growth authority in the tax year in which the assignment
14 is made. A partner, member, or shareholder who is an assignee shall
15 attach a copy of the completed assignment form to its annual return
16 required under this act, for the tax year in which the assignment
17 is made and the assignee first claims a credit, which shall be the
18 same tax year. A credit assignment based on a credit for a
19 component of a multiphase project that is completed before January
20 1, 2006 shall be made under this subsection. In addition to all
21 other procedures under this subsection, the following apply if the
22 total of all credits for a project is more than \$10,000,000.00 but
23 \$30,000,000.00 or less:

24 (a) The credit shall be assigned based on the schedule
25 contained in the certificate of completion.

26 (b) If the qualified taxpayer assigns all or a portion of the
27 credit amount, the qualified taxpayer shall assign the annual
28 credit amount for each tax year separately.

29 (c) More than 1 annual credit amount may be assigned to any 1

1 assignee and the qualified taxpayer may assign all or a portion of
2 each annual credit amount to any assignee.

3 (d) The qualified taxpayer shall not assign more than the
4 annual credit amount for each tax year.

5 (22) For projects approved under this section or section 38g
6 of former 1975 PA 228 for which a certificate of completion is
7 issued on and after January 1, 2006, a qualified taxpayer may
8 assign all or a portion of a credit allowed under this section or
9 section 38g(2), (3), or (33) of former 1975 PA 228 under this
10 subsection. A credit assignment under this subsection is
11 irrevocable and, except for a credit assignment based on a
12 multiphase project, shall be made in the tax year in which a
13 certificate of completion is issued unless the assignee is an
14 unknown lessee. If a qualified taxpayer wishes to assign all or a
15 portion of its credit to a lessee but the lessee is unknown in the
16 tax year in which the certificate of completion is issued, the
17 qualified taxpayer may delay claiming and assigning the credit
18 until the first tax year in which the lessee is known. A qualified
19 taxpayer may claim a portion of a credit and assign the remaining
20 credit amount. If the qualified taxpayer both claims and assigns
21 portions of the credit, the qualified taxpayer shall claim the
22 portion it claims in the tax year in which a certificate of
23 completion is issued pursuant to this section or section 38g of
24 former 1975 PA 228. An assignee may subsequently assign a credit or
25 any portion of a credit assigned under this subsection to 1 or more
26 assignees. The credit assignment or a subsequent reassignment under
27 this subsection shall be made on a form prescribed by the Michigan
28 economic growth authority. The Michigan economic growth authority
29 or its designee shall review and issue a completed assignment or

1 reassignment certificate to the assignee or reassignee. An assignee
2 or subsequent reassignee shall attach a copy of the completed
3 assignment certificate to its annual return required under this
4 act, for the tax year in which the assignment or reassignment is
5 made and the assignee or reassignee first claims a credit, which
6 shall be the same tax year. A credit assignment based on a credit
7 for a component of a multiphase project that is completed before
8 January 1, 2006 shall be made under section 38g(18) of former 1975
9 PA 228. A credit assignment based on a credit for a component of a
10 multiphase project that is completed on or after January 1, 2006
11 may be made under this section. In addition to all other procedures
12 and requirements under this section, the following apply if the
13 total of all credits for a project is more than \$10,000,000.00 but
14 \$30,000,000.00 or less:

15 (a) The credit shall be assigned based on the schedule
16 contained in the certificate of completion.

17 (b) If the qualified taxpayer assigns all or a portion of the
18 credit amount, the qualified taxpayer shall assign the annual
19 credit amount for each tax year separately.

20 (c) More than 1 annual credit amount may be assigned to any 1
21 assignee, and the qualified taxpayer may assign all or a portion of
22 each annual credit amount to any assignee.

23 (23) A qualified taxpayer or assignee under subsection (20),
24 (21), or (22) shall not claim a credit under subsection (1)(a) or
25 (b) based on eligible investment on which a credit claimed under
26 section 38d of former 1975 PA 228 was based.

27 (24) When reviewing an application for a project for
28 designation as an urban development area project, the Michigan
29 economic growth authority for projects approved under subsection

2 his or her designee for projects approved under subsections (2) and
3 (3) shall consider all of the following criteria:

4 (a) If the project increases the density of the area by
5 promoting multistory development.

6 (b) If the project promotes mixed-use development and walkable
7 communities.

8 (c) If the project promotes sustainable redevelopment.

17 However, the eligible taxpayer shall not claim a credit under this
18 section and section 431 based on the same costs.

20 operation of a professional sports stadium, and eligible investment
21 that is associated or affiliated with the operation of a
