If there is reasonable cause to believe that the pupil is a student with a disability, and the school district has not evaluated the pupil in accordance with rules of the superintendent of public instruction to determine if the pupil is a student with a disability, the pupil ~~shall~~**must** be evaluated immediately by the intermediate school district of which the school district is constituent in accordance with section 1711. **A pupil must not be suspended or expelled solely for being truant or chronically absent.**
