Major Boilerplate Changes from FY 2021-22

Sec. 6. Pupil Membership Definitions – REVISED

Executive strikes provision that, for the 2020-21 and 2021-22 school years only, allowed instruction by a noncertificated, nonendorsed teacher engaged to teach under Sec. 1233b of the Revised School Code.

House strikes sunset, continuing the provision indefinitely.

Senate concurs with Executive.

House and Senate provide requirements for participation to count as regular daily attendance for cyber school students rather than referencing the requirements in Sec. 5-O-D of the Pupil Accounting Manual. Provides intent that these requirements are subject to Sec. 8c retroactively, effective July 1, 2021.

Sec. 8c Cyber School Participation – NEW

House and Senate prohibit MDE from requiring a cyber school pupil participate in all educational hours made available to the pupil. Also prohibits MDE from tracking a cyber school pupil's participation through attendance. Provides intent that this section applies retroactively, effective July 1, 2021.

Sec. 20m Additional Per-Pupil Calculation for Hold Harmless Districts – REVISED

Executive, House, and Senate revise language to account for districts that will continue to have a calculation under this section for FY 2022-23.

Sec. 21f Virtual Courses – REVISED

Executive, House, and Senate expand the definition for a virtual course provider from a district, ISD, community college, or MVU to also include any other institution or individual that the district pays to provide the course.

Senate waives requirement for parental consent for enrollment in a virtual course if the course is fewer than 15 days long. Also strikes requirement that a pupil enrolled in more than 2 virtual courses have an education development plan.

Sec. 31m. School Mental Health and Support Services Fund – RETAINED

Executive repeals this section, which established the School Mental Health and Support Services Fund.
House and Senate maintain current law.

Sec. 32p. Early Childhood Block Grants – REVISED

Executive adds a goal for great start collaborative and parent coalitions of increasing the number of eligible children that are enrolled from birth to age 8 in publicly funded programs and services through joint recruitment and enrollment systems.
House maintains current law.
Senate concurs with Executive.

Executive, House, and Senate revise the supports that a local great start system should include by adding family economic self-sufficiency and revising "parent education" to "parent leadership and family engagement."

Sec. 95b. Value-Added Growth Model – RETAINED

House deletes requirement that MDE report on the number of traditional local school districts that opted in to student teacher linkages and verify that the value-added reporting platform continued hosting and delivery of historical reporting. Adds requirement that MDE publish student growth metrics provided by the platform at the district and school level by grade and subject.
Senate maintains current law.

Sec. 98. Michigan Virtual University – RETAINED

House adds requirement that MVU provide a link to, and explanation of, online course standards for professional development programming, including how to file a complaint about course content.
Senate maintains current law.

Sec. 98a. Extended COVID-19 Learning Plan – RETAINED

Executive and House repeal this section, which required districts to provide instruction under an extended COVID-19 learning plan for FY 2020-21.
Senate maintains current law (does not update year to FY 2022-23).

Sec. 98b. Benchmark Reporting Requirements – RETAINED

Executive repeals this section, which requires districts to comply with benchmark reporting requirements to receive state aid.
House and Senate maintain current law.

Sec. 104g. SAT/PSAT – DELETED

Executive, House, and Senate repeal this section, which required districts to make the SAT and PSAT available in fall 2021 to students who were not able to take the exams in the prior school year or who requested to retake them.

Sec. 107. Adult Education – REVISED

Executive revises the cap on the percent of participants under subsection (15) (programs that connect adult education participants with employers) that may already have a diploma or certificate from 25% to 15%.
House maintains current law.
Senate concurs with Executive.

Sec. 164g. Legal Action Against the State – RETAINED

Executive repeals this section, which establishes a penalty in an amount equal to the amount spent if a district or ISD uses state funding to pay for an expense relating to any legal action initiated by the district or ISD against the state.
House and Senate maintain current law.

Sec. 164h. Collective Bargaining Agreement Penalty – RETAINED

Executive repeals this section, which establishes a penalty in an amount equal to 5% of total state aid if a district or ISD enters into a collective bargaining agreement that establishes racial or religious preferences, automatically deducts union dues from paychecks, is in conflict with any state or federal transparency laws, or uses a method of compensation that does not comply with Sec. 1250 of the Revised School Code.

House and Senate maintain current law.

Sec. 166. Disciplinary Policy for Abortion Referral – DELETED

Executive repeals this section, which requires a district or ISD to adopt a disciplinary policy for school officials or staff (except for a parent or legal guardian of the pupil) for making abortion referrals.

House maintains current law.

Senate concurs with Executive.

Sec. 166c. Sports Penalty – NOT INCLUDED

House requires a district or ISD to prohibit boys from competing in girls' athletic activities.

Senate does not include this section.

Supplemental Recommendations for FY 2021-22 Boilerplate

Sec. 11w Oxford Response – NEW

Executive waives the 75% attendance requirement under Sec. 101(3)(d) for Oxford Community Schools and counts the days/hours the district closed in response to an act of violence as pupil instruction under Sec. 101.

House does not include.

Senate includes in Sec. 101.

Executive, House, and Senate provide intent that results from summative assessments administered during the 2021-22 school year are not used for retention decisions or educator evaluations for the district.

Sec. 11x School Infrastructure Fund – NOT INCLUDED

Executive creates the School Infrastructure Fund as a separate account within the School Aid Fund with the purpose of creating a healthy and safe space for every child in order to address inequities that currently exist in school infrastructure funding. Deposits \$1.0 billion SAF into the School Infrastructure Fund. The School Infrastructure Fund may only be used for aid to local school districts and ISDs, and may not be used to aid PSAs.

House and Senate do not include this section.

Sec. 20. Foundation Allowance Calculation – REVISED

Executive, House, and Senate add language to account for Sec. 20m in the calculation of the state portion of the foundation allowance for Hold Harmless districts.

Sec. 101. Eligibility to Receive State Aid – REVISED

Senate waives the 75% attendance requirement for Oxford Community Schools and counts the days/hours the district closed in response to an act of violence as pupil instruction. (See Supplemental Boilerplate Changes for Sec. 11w above.)

Secs. 104h & 104i. Benchmark Assessments for the Following School Year – REVISED

Executive revises deadline for a recipient district to submit assessment data from 30 days after the last assessment is given to within a timeframe specified by MDE. Also revises deadline for MDE to report on benchmark data from June 15 to September 30.

House maintains current law.

Senate concurs with Executive, but revises deadline for MDE to report on benchmark data to September 25. Also requires MDE to approve certain providers of benchmark assessments for the purposes of this section.
