THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Sec. 504. (1) A public school academy may be located in all or part of an existing public school building. A public school academy shall not operate at a site other than the site or sites requested

- 1 for the configuration of age or grade levels that will use the site
- 2 or sites, as specified in the contract. Under a contract, an
- 3 authorizing body may permit a public school academy to operate the
- 4 same configuration of age or grade levels at more than 1 site, and
- 5 a public school academy may operate the same configuration of age
- 6 or grade levels at more than 1 site, as long as the public school
- 7 academy is operating in compliance with its contract and is making
- 8 measurable progress toward meeting its educational goals. For a
- 9 contract for a new public school academy, an authorizing body may
- 10 permit a public school academy to operate the same configuration of
- 11 age or grade levels at more than 1 site, and a public school
- 12 academy may operate the same configuration of age or grade levels
- 13 at more than 1 site, if the applicant for the proposed public
- 14 school academy presents documentation to the authorizing body
- 15 demonstrating that the applicant's proposed educational model has
- 16 resulted in schools making measurable progress toward meeting their
- 17 education goals.
- 18 (2) A public school academy shall not charge tuition and shall
- 19 not discriminate in its pupil admissions policies or practices on
- 20 the basis of intellectual or athletic ability, measures of
- 21 achievement or aptitude, status as a student with a disability, or
- 22 any other basis that would be illegal if used by a school district.
- 23 However, a public school academy may limit admission to pupils who
- 24 are within a particular range of age or grade level or on any other
- 25 basis that would be legal if used by a school district and may give
- 26 enrollment priority as provided in subsection (4).
- 27 (3) Except for a foreign exchange student who is not a United
- 28 States citizen, a public school academy shall not enroll a pupil
- 29 who is not a resident of this state. For a public school academy

- 1 authorized by a school district, intermediate school district, or
- 2 community college, enrollment in the public school academy may be
- 3 open to all individuals who reside in this state who meet the
- 4 admission policy and shall must be open to all pupils who reside
- 5 within the geographic boundaries of that authorizing body who meet
- 6 the admission policy, except that admission to a public school
- 7 academy authorized by the board of a community college to operate,
- 8 or operated by the board of a community college, on the grounds of
- 9 a federal military installation, as described in section 502(2)(c),
- 10 shall must be open to all pupils who reside in the county in which
- 11 the federal military installation is located. For a public school
- 12 academy authorized by a state public university, enrollment shall
- 13 must be open to all pupils who reside in this state who meet the
- 14 admission policy. Subject to subsection (4), if there are more
- 15 applications to enroll in the public school academy than there are
- 16 spaces available, pupils shall must be selected to enroll using a
- 17 random selection process. A public school academy shall allow any
- 18 pupil who was enrolled in the public school academy in the
- 19 immediately preceding school year to enroll in the public school
- 20 academy in the appropriate grade unless the appropriate grade is
- 21 not offered at that public school academy.
- 22 (4) A public school academy may give enrollment priority to 1
- 23 or more of the following:
- 24 (a) A sibling of a pupil enrolled in the public school
- 25 academy.
- (b) A pupil who transfers to the public school academy from
- 27 another public school pursuant to a matriculation agreement between
- 28 the public school academy and other public school that provides for
- 29 this enrollment priority, if all of the following requirements are

- 4 (ii) The public school academy that gives the enrollment

- 5 grade level or on any other basis that would be legal if used by a
- 6 school district and may give enrollment priority as provided in
- 7 subsection (4).
- 8 (3) Except for a foreign exchange student who is not a United

- 6 (iii) The matriculation agreement allows any pupil who was

- 15 (3) A strict discipline academy shall must be established
- 16 under sections 1311b to 1311m specifically for enrolling 1 or more

- 6 immediately preceding school year to enroll in the strict
- 7 discipline academy in the appropriate grade unless the appropriate
- 8 grade is not offered at that strict discipline academy. For the
- 9 2022-2023 school year only, if the child's parent or legal guardian
- 10 submits a signed written confirmation to the strict discipline
